Geler keeps pounding away at his battling verage mightily. He has raised it from .240 o .255 since last Saturday, and his friends believe he will land pretty close to the .3.0 mark before the season closes.

One of Preston's catches was of the sensa-tional order.

The Tigers are beginning to learn that it doesn't pay to try to steal bases on your Uncle Heine Spies.

Shugart surprised himself as much as enybody by making a couple of good clean singles off a southpaw. Elberfelt is very erratic, but very fast on his feet.

"Bill" Wilson caught throughout the game without losing his temper or any part of it.

Senators Not Able to Make One Hit Off McNeely.

SCORED A SHUT-OUT.

The Millers scored their first shut-out yesterday at Nicollet park, by preventing the Senators from scoring, and not content with that, McNeely did not allow a hit, thus with that, McNeely did not allow a hit, thus establishing the Western league record for the season. He pitched the game of his life, and was supported by fast and brilliant fielding. The best the visitors could do was to get a main to second base in the sixth inning. Not one reached third, and at no time was there any danger of it. McNeely had speed and curves and was aided by a dark day. The Wandcrers could not hit the ball far beyond the base lines and their grounders were easy. Wolters pitched a good game, but the Columbus men were outclassed at every point. Score:

She has often rushed bravely into the very teeth of death from guns and cannon, but has never been wounded. Frequently we see people in this country who live so long that their lives seem charmed also, but the only charm about it is that they keep up their strength and vitalize their blood with that celebrated remedy, Hostetter's Somich Bitters.

BASE BALL BRIEFS

Carruthers is trying to be the whole thing it St. Joseph. On Tuesday he fined Daly and Jack \$25 each and put them off the grounds for disputing a decision.

The averages of the members of the Chicago team which are above .300 are: Lange .379, Everitt .347, Ryan .345, Mertes .342.

The Tuesday score at St. Joseph was 4 to 0 in favor of St. Joseph, instead of 4 to 2, as sent by the Associated Press. Milwaukee was thus shut out twice in two days.

Harry Steinfeldt hit Corcoran in the head with one of his cannon ball throws the other day, knocking the great shortstop out.

Perry Werden will be seen no more in base ball. His broken knee cap has stiffened the joint, and he must limp along the re-mainder of life's pathway.—Detroit Journel.

Gear is nursing a sore arm and probably will not pitch any of the games of the In-danapolis series.—Kansas City Journal.

St. Paul, backed up by home crowds, has begun to win again. This is nothing surprising, for the Saints always were able to win games at home. The only unfortunate thing about it is that the club finishes the season in its own bailiwick with Columbus. If there is a fighting chance for the flag at the time the Discoverers will have about as great a chance of winning a game as the Millers have of finishing in first place.—Indianapolis News: That's it. Go on insinuating. The St. Paul team asks only fair play from any umpire, but it is well known that the Hooslers win half their games at home by bulldozing umpires.

Manager Wilmot has persuaded "Willie Bill" Hutchison to forsake his railroad position and return to the diamond. Hutchison won the pennant for Minneapolis in 1893, and Wilmot believes that he can yet pull the club into sixth place before the season closes.

Bert Myers has been re'eased by Washington. Of course, half a dozen clubs in the Western league have "claims" on him, that is, if Wenager Allen should happen to want the player, but it might be worth a trial. With Myers on third the troubles of the Hoosiers for this season would be over.—Indianapolis News.

In the sixth inning of the St. Joseph-Indianapolis game Saturday the crowd knew no bounds when Wright drove out his home run. The game was called for five minutes, while Fire Chief Kane and his department in fancy colored decorations made a run around the diamond.

ASBURY PARK RACES.

Closely Contested Events Between

Famous Bicycle Riders. ASBURY PARK, N. J., July 27.—The national circuit meet under the auspices of the American Cycle Racing association, which was to have taken place yesterday, but was postponed on account of rain, occurred today. Several thousand spectators witnessed a series of closely contested races between the crack riders of the country. Edouard Taylore's exhibition was one of the most interesting of the day's sport. He rode three miles to establish a track record for the Asbury Park track. He was paced by two quints and performed the distance in 6:16 3-5. The final of the one-mile handicap for professionals was exciting. Lefterson, of Asbury Park, and Fischer, of Chicago, pulled into the home stretch wheel and wheel and passed the tape so closely together that the judges had difficulty in deciding the winner. The race was finally awarded to Lefterson.
