**"CUBA" AGAIN TONIGHT**

BENEFIT PERFORMANCE OF THE SPECTACLE FOR THE CITIZENS' COMMITTEE

**HOBSON NIGHT ATTRACTIONS**

It is Planned to Have Them This Evening, the Night Originally Planned to Honor Hobson Having Been Lent for a Performance at the Grounds—Tonight to Be the Last.

There will be two shows in one tonight on the peace jubilee grounds at University avenue and Grotto street, where Pain's mammoth spectacular production "Cuba" will be presented for the last time. On account of bad weather the production could not be given on "Hobson night," so all the special attractions provided for that night's performance will be given tonight. Every dollar that goes into the box office tonight will belong to the citizens' committee that arranged to have Mr. Pain produce "Cuba" here during this fair week.

Many new set pieces and specialties will be introduced, notably a balloon thirty feet square, which will be sent up from the stage in front of Morrow castle and at a height of 300 feet display the actual signal Dewey sent from his flagship as he entered Manila bay early in the morning. "Remember the Maine" Another special feature of the evening will be a picture in frame, forty feet square, representing the handsome lady in St. Paul. Nobody will have to guess who the lady is when the picture is seen.

The fireworks will be different from any seen last week, many new startling effects will be introduced, and \$3,000 worth of fireworks will be consumed tonight.

Financially, as otherwise, "Cuba" has been a tremendous success. The last performance tonight, and the last performance of the spectacle, will be a picture in frame, forty feet square, representing the handsome lady in St. Paul. Nobody will have to guess who the lady is when the picture is seen.

**ADDRESS TO TEACHERS.**

New Superintendent of Schools Makes His Inaugural Address.

Before a large audience of teachers and principals, Supt. A. J. Smith, of the St. Paul public schools, yesterday outlined the policy to be pursued during the year, and reviewed the present condition of the school finances.

Supt. Smith stated that there would doubtless be money enough to pay the

**FATHER AND THREE SONS CURED OF ITCHING RASH**

I take pleasure in letting you know how much CUTICURA REMEDY has done for me, my father and two brothers. In the fall of '85, I began to be afflicted with an itching rash under my chin. It kept spreading until it was all over my body. I could not sleep but was compelled to lie awake and scratch all the time. My father and two brothers were afflicted with the same thing at the same time. We all suffered terribly for a year and a half, trying in the meantime all the remedies we could find, but failed to benefit. I happened to see CUTICURA REMEDY advertised and how they had cured others from itching skin diseases, and we thought we would try them. I bought three cakes of CUTICURA SOAP, and three boxes of CUTICURA (ointment), and they cured the four of us completely. Any person doubting the truth of this statement can write to me, RICHARD ANTONSON, Feb. 22, '88. Geneva, Box Elder Co., Utah.

**ECZEMA FOR YEARS CURED BY CUTICURA**

I had an attack of Eczema several years ago and found myself in the clutches of a monster whose business it was to torture me and make life miserable. CUTICURA REMEDY was recommended to me by my druggist, Mr. T. P. Van Winkle of Hartford City, Ind. I used altogether three bottles of CUTICURA REMEDY, with frequent baths with CUTICURA SOAP, and the use of the CUTICURA (ointment), and in four months found myself cured. Feb. 23, 1893. **NOW HEAR THEM HOW!**

REPUBLICAN CANDIDATES ARE ASKED TO PUT UP

**AND MONEY IS VERY TIGHT**

William Henry Eustis' Bluff About a \$2,500 Campaign Has Run Its Course—First Assessment of the Men on the Ticket Calls for \$12,200—Its Unequal Distribution is Causing the Trouble.

William Henry Eustis' bluff about a \$2,500 campaign, which was understood by those who know William Henry best, but it caused a few chills among a large number of people who thought Mr. Eustis really meant it.

If Mr. Eustis ever had any idea of making the politicians believe that he would be elected, he has changed his mind. When the executive committee of the Republican state central committee met in the Endicott the other night and spent four

hours in secret, there was business on hand. The committee was making up their assessment for the various candidates, and the result has caused more kicking than when the state central committee was selected, and not a man who Dunn or Reese or Koenig wanted on the ticket had received a place there. The committee seemed to think that its time to get even had come, and they made the best of it. "We'll make them put up whether they join in with us in the making of the campaign or not," was the plan followed.

Then they took their pencils and paper, and there it stood, ready to be asked each of the candidates to contribute for the campaign:

W. H. Eustis (governor).....\$2,500
Robert C. Dunn, state auditor.....2,000
Albert G. Berg, secretary of state.....1,000
A. T. Hanson, state treasurer.....1,000
W. B. Douglas, attorney general.....1,000
L. A. Smith, lieutenant governor.....500
Three supreme court judges, \$300 each.....900
Total.....\$12,200

This amount is only for a year. When the notification of this assessment had been sent around and the candidates began to compare notes, there was an awful howl. Dar Reese, who offers as delegate, and whose worth \$5,000 a year for four years, is called upon to pay \$3,000, while the supreme court judges, who draw \$5,000 each for six years, are called upon to contribute \$300.

**G. B. Halstead's Reply to Mertz.**

The Hermitage, Lake Minnetonka.

To the St. Paul Globe:

I have read in the Minneapolis Tribune of Sept. 10, a communication headed "Was All Fake," from Comrade J. K. Mertz, A. G., of the department of Minnesota, to relieve the nomination for governor, W. H. Eustis, from the open nomination of the Grand Army of the Republic by its election as governor. In what manner, Taylor Falls, and hope we shall succeed in defeating him.

**AT THE DEPOT.**

Red Cross Women Find Sick Soldiers to Serve Daily.

A large Red Cross flag now directs strangers to the depot. The women of the depot, Mrs. Mrs. C. A. Johnson, the indefatigable nurse, is to be found from 10 a. m. to 10 p. m. She is on hand upon the East, and keeps a vigilant eye on the soldiers returning from Cuba or from camp. Mrs. Johnson was assisted yesterday by Mrs. T. L. Haacker and Miss Haacker, during the day they attended to a number of sick men.

vote is going to be overwhelmingly in favor of the Minneapolis man. He is on the defensive. He knows he must be a dead load and his friends know it. They try to laugh it off, but they are merely trying to keep their courage up and trust that the personal strength of some of the other nominees on the ticket will pull William Henry through. They are doomed to disappointment. His open and avowed aversion for the Swedish people, too, is a mill stone on his neck, and he is beginning to realize it. When Mr. Lind returns, which will understand the situation in a week or two at the most, Mr. Eustis will find that he has more of a fight on his hands than he had bargained for.

There was a meeting yesterday afternoon at the office of Dr. Stone, of the subcommittee of the Jefferson club executive council, which was given the work of conducting the preliminary

campaign. All of the members were present and six of the city wards were represented. Arrangements were made to bring in the rest of the wards and the meeting was temporarily adjourned. It was provided for a subsidiary organization in each of the wards and the major associations will be formed at the next meeting of the committee, which will be called by the chairman, Dr. Stone. The reports made to the club by the members indicate an active interest in the work of organization, and it is clear that every voting precinct in the city will now be under the control of an effective working organization.

The Fourth district Republican congressional committee met yesterday. Edward Rasmussen, elected chairman and Thomas B. Neuhansen, was made secretary. Permanent headquarters will be located in the National German-American Bank building.

The meeting of the committee jollied each other into the belief that Stevens would be elected easily, and then adjourned.

The Lind button has made its appearance in Minneapolis. The button has the Union States and Cuban flags crossed, with Lind in regimentals beneath. The design is said to be the product of the brain of E. A. Stevens, of Minneapolis, and an invoice of the same is expected at Democratic headquarters soon.

Chairman Steele, of the Republican state central committee, announces that the opening of the campaign in the state, outside of the Twin Cities, will be the talk of the Republican party, and the evening of Wednesday, with George Emery and W. I. Nolan, of Minneapolis, as the attractions. As Charles A. Towne has been billed to deliver an address at the meeting, the program has been arranged in Hutchinson, Sept. 15.

Prairie. The prospects there were never better. Mr. Eustis says, for sweeping victory in the county, with excellent prospects for the legislative district, the fifty-third, consisting of Todd, Wadena and Hubbard counties. The senatorial ticket, nominated on Tuesday, was made up by complete control of the reform forces, and consists of Senator J. H. H. Brown, Democrat, of Brownville; representative E. B. Mauder, Populist, of Rapid; E. M. Brita, silver Republican, of Verdala. This ticket is to go on the official ballot as the Union Reform ticket, the position for which is already prepared.

The county ticket is as follows: Auditor, J. J. Renchert, clerk of court, M. F. Canfield, both of Long Prairie; register of deeds, E. N. Perry, of Brownville; sheriff, George Anderson; county treasurer, J. H. H. Brown; assessor, E. P. Gunnar, St. Paul; superintendent of schools, Arthur Hogan, who, like John Lind, is in the army, but is coming home with the Fourteenth, and who resides at West Union, and county attorney, M. L. Davis, of Long Prairie.
