

DEALING DOUBLE

DIRECT CHARGE OF BAD FAITH AGAINST GERMANS IN THE PHILIPPINES

SUPPLYING INSURGENTS WITH THEIR ARMS

TRADE WITH THE ISLANDS THE OBJECT OF THE INTEREST INVOLVED

GEN. AGUINALDO BRIBED TO PLAY OUT HIS PART

San Francisco Paper Stands by Its Former Charges and Gives Additional Details to Prove Their Truth—No Revolution at All, It Is Alleged, but for the Aid of Subjects of the Kaiser.

SAN FRANCISCO, Sept. 27.—The Evening Post reiterates its former stories regarding the supplying of arms to the Filipinos by the German government and is positive that its authority is absolutely correct.

The Post published an interview with him today, in which he says that he is not in a position to tell the full story, for the reason that he is financially interested in the plot and has actually been a party to the scheme. He says that he is interested in the German-Philippine trade to the extent of nearly a million dollars, and that for fifteen years he has been working among the insurgents for her own benefit, and he also told the Post that there would have never been a revolution had it not been for the German government. Continuing, he says: "The arms that have been supplied came from the imperial government and were furnished through the trading companies in which I am interested, so as to conceal the German hand."

"The arms that are now being carried by the insurgent and German vessels are from the same source, Aguinaldo, who accepted a petty bribe to desert the cause of the insurgents, has not the money to arm and equip a big army, and it has taken his resources to furnish such supplies alone."

PHILIPPINES KEEPING FAITH.

Mr. Lopez Denies That They Are Seeking Support in Europe.

WASHINGTON, Sept. 27.—Gen. Francis Greene, accompanied by the delegates from the Philippine insurgents, arrived here this afternoon. The two Filipinos are Felipe Agoncillo and Jose Lopez. They are the personal representatives of the insurgent leader Aguinaldo and are on their way to Paris to secure representation on the Spanish-American peace commission with a view to the recognition of the insurgent government in the Philippines.

When Mr. Lopez was asked as to the reports that the Filipinos were soliciting help from European governments, he said such reports were without foundation. He said the German consular officer of the island had requested an interview with Aguinaldo, but that the latter had refused to grant the conference. Mr. Lopez also characterized as unwarranted the stories that Germany was secretly equipping the Philippine insurgents in order to bring about internal dissensions and embarrass American control.

MYSTERIOUS MURDERESS.

English Police Are on Her Track—May Be Connected With Gill Case.

LONDON, Sept. 27.—Detectives awaited the arrival here this morning of the steamer Vancouver from Montreal, and upon the landing of her passengers followed a woman who came ashore from the steamer. The officers maintain secrecy regarding this person, refusing to give her name or to discuss the case beyond saying that she is suspected of having committed a murder in Canada.

The woman boarded a train for London. Inspector Lamone followed her in the next compartment, with instructions to arrest her if she went to a house which the Canadian police informed the English authorities would probably be the destination of the murderess.

It has been reported that the woman known as Dr. Nancy Gullford, of Liverpool, charged with being concerned in the murder of Emma Gill, of Southington, Conn., whose body, cut

into several pieces, was found some time ago in the Yellow Mill pond, near Bridgeport, Conn.

STAMFORD, Conn., Sept. 27.—State's Attorney Fessenden says that the information placed in his hands by the detectives he has had at work on the case he believes that the woman under surveillance in London is Dr. "Nancy" Gullford.

INVESTIGATION OUTLINED.

The Public Asked to Submit Complaints to the War Commission. WASHINGTON, Sept. 27.—The war investigating commission resumed its labors today in the Lemon building and at the close of the session gave out a number of documents bearing upon the work to be undertaken. These comprise the letter of Secretary Alger to the president requesting that the investigation be made, a brief address to the public in the shape of a resolution, a letter from Chairman Dodge to the secretary of war enclosing a list of inquiries to the secretary and to the heads of the various divisions of the war department calling for specific information bearing upon the conduct of the war.

With the letter to the secretary of war were enclosed resolutions indicating the character of information desired at the hands of the surgeon general, the quartermaster general, the subsistence department and the adjutant general. The resolutions adopted by the commission were as follows: Resolved, first, That the secretary of war, the adjutant general, the quartermaster general, the commissary general and the surgeon general be requested to transmit to this commission all complaints that have been received by them since April 1, 1898, touching the conduct of the war.

SUSPICIOUS OF THE SPAIN

VEILED THREAT IN LAST INSTRUCTIONS TO THE PEACE COMMISSION

SHREWD SCHEME POSSIBLE

Open Way in Which the Madrid Minister of Foreign Affairs Discusses the Situation Regarding an Attempt to Draw Out the Views of This Government on the Subject.

WASHINGTON, Sept. 27.—The freedom with which the Spanish minister of foreign affairs, the Duke Almodovar de Rio, has given publicity to the instructions to the Spanish peace commissioners, as to the disposition of the Philippines, has given rise to suspicion among the officials here that there is behind it a deliberate purpose to draw out in advance the position of the American commissioners on the most important points.

There seems also to be a veiled threat in the last instructions, not to allow the United States to interfere with the jurisdiction of any islands, except those retained by the United States, such as Luzon, that Spain may see fit to make.

This is thought to show a disposition on the part of some consular power to step forward to the support of Spain in her extremity in the hope of receiving as a quid pro quo some part of the Philippines as a coaling station.

Although the American commissioners have so far resisted all efforts to obtain a revelation of the exact nature of their demands, it may be stated that the president has nowhere directly admitted any obligation to the insurgents, he feels that in any arrangement that shall be made by the peace commission for the final disposition of the islands, the insurgents shall not be placed at the mercy of the Spanish government without guarantee for their proper treatment. By an extension of this same view it is unlikely that he would care to allow them to be turned over to another power that might oppressively treat them, especially without the consent of the United States.

It is noted at the state department that the Spanish ministry for foreign affairs is reported to have directed the Spanish commissioners to "make a firm stand regarding the Cuban debt and the Philippine loan of 1896, if Luzon is conceded to America."

So far as the Philippine loan is concerned that subject might properly be dealt with before the peace commission. Judge Day, before his departure, in answer to a question as to whether any matters relative to Cuba will come before the commission, pointed to the language of the protocol to show that the proper functions of the commission were to be found in the disposal of the future of the Philippine islands, intimating that no question touching Cuba in any way would be considered by the commission. The understanding of the commission was conveyed consequently that the Cuban debt would come in no fashion before the commission, if the American commissioners could prevent it, although it was fully expected the Spanish commissioners would make an effort to bring that subject into the deliberations of the body.

ARMY OF INVASION.

Two Divisions to Be Sent to Cuba Within Sixty Days.

WASHINGTON, Sept. 27.—A comprehensive programme for moving troops to Cuba has been outlined by the war department, and its essential features have been decided upon. Maj. Gen. Miles plans to send two divisions to Cuba, the first under command of Maj. Gen. Wade, to leave in October, and the second division, under Maj. Gen. Fitzhugh Lee, to leave in November. Each division will embrace about 6,000 men, so that the plan is to have some 12,000 troops in Cuba or on the way there within the next sixty days.

It is not contemplated, however, that any large number of this force shall be assembled at any one point in this country or in Cuba.

The war department today gave out the order directing the formation of the first division which is to go to Cuba. It simply creates the division, making no mention of the proposed service in Cuba or the expected date of departure. Those features, however, were embraced in a confidential telegram sent to the several commanding officers affected by the order. It makes known to them that the division is for "service in Cuba," not later than Oct. 29.

The organizations forming this October division are as follows: Cavalry Brigade—The Seventh and Eighth United States cavalry, to be commanded by Brig. Gen. H. Carpenter, U. S. V.

First Infantry Brigade—Fifth United States infantry and Fourth United States volunteer infantry, to be commanded by Brig. Gen. Simon Snider, U. S. V.

Second Infantry Brigade—First United States infantry and Sixth United States volunteer infantry, to be commanded by Brig. Gen. E. B. Williston, U. S. V.

The order leaves open the command of the division, but Gen. Snider will be in temporary command until a permanent division commander is chosen.

MRS. BRYAN CALLED.

Summoned to Washington by the Illness of Her Husband.

LINCOLN, Neb., Sept. 27.—Mrs. William Jennings Bryan received a telegram today calling her to the bed of her husband, Col. Bryan, who is sick in Washington. The message received by Mrs. Bryan gave no information as to the seriousness of the colic which she departed for Washington this evening.

WASHINGTON, Sept. 27.—Col. W. J. Bryan, of the Third Nebraska, is still confined to his bed at the home of his friend, G. T. Bryde, 113 E. street southeast. He is suffering from an attack of low fever, but his physician does not regard his condition as serious or alarming.

GREAT GALE BLOWING.

Unconfirmed Rumors of the Loss of Several Fishing Vessels.

VANCOUVER, B. C., Sept. 27.—Since last night an unprecedented gale of wind has raged. The steamer Horsa was blown ashore at Stevenson. She is probably not damaged, but she is lying on distress signals. It is rumored that a number of fishing boats were blown down, and their occupants drowned, but the rumor cannot be confirmed. The bill sides testify to the fury of the gale which blew down a great deal of timber.

Gen. Wade at Havana.

HAVANA, Sept. 27.—The transport Reolute arrived here from Key West this morning. Gen. Wade and his staff and Charles W. Gould, special representative of the department of justice, accompanied the general, came ashore as soon as their steamer landed, and proceeded to the Trocira hotel at Vedado.

ROUGH RIDER WINS

ROOSEVELT THE NOMINEE OF THE NEW YORK REPUBLICANS

GOV. BLACK BADLY BEATEN

Before New York Was Reached on the First Ballot Enough Votes Had Already Been Cast to Give the Colonel the Nomination—The Democrats Will Meet Today in Convention at Syracuse.

Gov.—Theodore Roosevelt, Oyster Bay, L.I., N. Y.—Timothy L. Woodruff, Comptroller—William J. Morgan, Erie, N. Y.—Secretary of State—John T. McDonough, Albany. State Treasurer—John B. Jaecock, Cuyahoga Falls, O.—State Engineer—Edward A. Bond, Jefferson, N. Y.—Attorney General—John C. Davis, Oneida.

SARATOGA, N. Y., Sept. 27.—The Republican state convention met today and completed its work before the final adjournment tonight, nominating the above ticket. The Black men did not yield till a ballot had been taken for governor, but Roosevelt won hands down.

The convention was called to order at noon by Chairman Odell, Congressman Sereno Payne was chosen temporary chairman. After his address and the appointment of committees a recess was taken.

The convention reassembled at 4 o'clock. Senator Horace White, of Syracuse, was made permanent chairman and briefly addressed the delegates. There was a call for the report of the committee on credentials, but, in the absence of Gen. Woodruff, the chairman, it was decided to proceed with the nominations.

J. Ryder Cady, of Hudson, who nominated Gov. Black two years ago, took the platform to perform again the same service. Judge Cady finished amid applause, his closing remarks about Gov. Black's faithfulness to the ticket calling forth the enthusiasm of the audience.

Chauncey M. Depew then took the platform to nominate Theodore Roosevelt. For some minutes Mr. Depew could not begin his speech for the applause that ensued. Mr. Depew discussed the issues raised by the war, praised the administration for its course, and then, presenting Roosevelt's name to the convention, said:

It is seldom in political conflicts when new and unexpected issues have to be met and a candidate can be found who personifies the popular and progressive side of those issues. Representative men move the masses to enthusiasm and are more easily understood than measures. Lincoln, with his modesty and his free, unadorned, and unpolished speech, was the man who made it insured his defeat by Douglas for the United States senate, that "a house divided against itself cannot stand. I believe this government cannot endure permanently half slave and half free," embodied the anti-slavery doctrine, and with Appomattox and the parole of honor to the Confederate army behind him, stood for the people's peace and liberty. McKinley, by his long and able advocacy of its principles, is the leading spirit for the protection of American industries. For this year, for this crisis, the voters of the Empire State, for the young men of the country and the upward, onward and outward trend of the United States, the candidate of candidates is the hero of Santiago, the idol of the people, the hero Roosevelt.

Elliott Root, who was a delegate to the convention, was called to the platform by the chairman and asked as to the eligibility of Mr. Roosevelt to hold office. He said Mr. Roosevelt had always voted in Oyster Bay and had never moved personal property to Washington. He had always paid taxes in Oyster Bay and had merely refused to pay taxes on property he was using in Washington, and by his affidavit he merely said he was not a resident of New York.

Secretary of State Palmer moved a roll call, and the motion was adopted. Mr. Roosevelt had a practical walk-over, and before New York was reached enough votes had been cast to nominate him. The roll call was, however, completed, and the vote was announced as follows: Roosevelt, 758; Black, 218.

Judge Cady got the floor and moved the unanimous nomination. While the question was pending Senator Krum, who had supported Black, said:

"On behalf of Gov. Black and his friends, I say that they will stand by Theodore Roosevelt as he stood by the country."

The nomination was made unanimously, and at 7:46 p. m. the convention stood in recess until 9 o'clock.

The night session was not called to order until 9:45 o'clock. The chairman announced that the platform was ready and Gen. Woodruff took the platform and read the resolutions. The reading was frequently interspersed with applause, and when finished the platform was adopted unanimously. The platform commends the conduct of the war and the McKinley administration, declares that "wherever our flag has gone there the liberty, the humanity and the civilization which that flag embodies and represents must remain inviolate and unimpaired."

Platt; commends the administration of Gov. Black, the work of the legislature and then deals with purely state issues. The convention speedily completed its ticket, and the following committee was appointed to be an advisory board for the state committee: Thomas C. Platt, Chauncey M. Depew, Frank Hancock, Edward Lauterbach and Frank S. Winterber. The old eagle emblem was readopted for the party, and the convention adjourned sine die.

NOT CUT AND DRIED.

No Programme Arranged by the New York Democratic Leaders.

SYRACUSE, N. Y., Sept. 27.—The arrival of the Tammany Hall delegation late this afternoon, with Richard Croker at its head, was the event of the day here, and about it all the convention news centered.

About 5 o'clock the first of the five special trains bearing the New York and Kings county men, about 1,700 in all, rolled into the station. A few minutes later Richard Croker passed through the crowded rotunda of the Yates hotel to his quarters. Immediately afterward he was joined by Senator Murphy and Mayor Mallory, of Troy, and within a few moments David B. Hill and State Senator H. P. McCarran, of Brooklyn, joined the conference. It lasted until nearly 8 o'clock.

That Is the Hope of the Democratic County and Legislative Tickets Nominated Yesterday

FACTIONAL LINES HAVE BEEN WIPED OUT

Yesterday's Gathering Showed No Trace of the Old Feuds, and Points to a Glorious Victory at the Polls in November—Judge Bunn and J. C. Michael Are Nominated for the Bench—Herman Oppenheim Named for County Attorney—Sheriff Wagener's Service Is Indorsed by a Renomination—Anton Miesen for County Treasurer.

The committee did not, however, decide upon any programme as to the platform as it might relate to the money plank of the Chicago national platform. George Palmer, of Schenectady, was decided upon as temporary chairman of the convention.

The mass meeting of Chicago tonight was attended by about 3,000 people, who manifested a hearty approval of the sentiments expressed by the speakers. These were, in effect, that the silver element of the party would demand of the convention—tomorrow that the Chicago platform be unequivocally affirmed, and men placed in nomination who voted for Bryan and Sewall.

AT SIXES AND SEVENS. Only a Few Delegates to the New Jersey Convention Yet on Hand.

TRENTON, N. J., Sept. 27.—The eve of the Democratic state convention for the nomination of a candidate for governor finds everything at sixes and sevens. Only a small number of delegates are here as yet, and there seems to be no well defined choice as to a candidate. The ultra silver men threaten if the Chicago platform is not indorsed, to hold a separate convention and nominate a third candidate.

The state committee went into session at 9:30 o'clock and was still in session at midnight, discussing the platform and other matters pertaining to the convention. The silver men were also in session in the disquieting of a platform and asked for a conference for the purpose of presenting their demands.

Union Ticket at Yankton. YANKTON, S. D., Sept. 27.—(Special)—The Democratic popular and silver Republicans of Yankton county named a union ticket which was ratified by all three conventions, with the exception of W. D. Russell for state's attorney, named by the silver Republicans. The Populists would not indorse Russell, so he will probably be replaced by some one more favorable to the union ticket, and also Van Osdell were named for representatives.

Named for the Legislature. SLAYTON, Minn., Sept. 27.—At the Democratic Populist convention at Felda today, John Butler, of Ellsworth, was nominated for senator, and Ed Mott, of Slayton, for the house.

POLITE, BUT COLD. France Does Not Enthusiasm Over the American Peace Commission.

PARIS, Sept. 27.—While the reception accorded the United States peace commission here is all that could be desired, and while the French foreign office has taken great pains to treat the American and Spanish commissioners as precisely the same matter, it must be admitted that the general atmosphere of Paris, especially the diplomatic atmosphere, does not incline toward America.

The French newspapers, beyond announcing the arrival of the commissioners, made no comment upon the matter.

COMAL AT MATANZAS.

Spanish Authorities Ordered by Blanco to Assist in Reber Work. HAVANA, Sept. 27.—The Red Cross society's steamer Comal arrived at Matanzas today and the commissioners appointed Maj. Nishit and Capt. Niles a committee to distribute the supplies brought by the steamer. Capt. Gen. Blanco has also ordered the Matanzas authorities to co-operate with the committee of distribution in every possible way.

Rafael Rodriguez, Gen. Gomez's chief of staff, who is acting as a special envoy from his commanding officer, this afternoon had an interview with Admiral Sampson and Gen. Wade in the course of which he urged the commission to induce the Spanish government to sell to the insurgent troops the commissary stores, taking in exchange therefor special coupons or notes of the Cuban republic. The commissioners declined to accede to the request, on the ground that their mission is entirely foreign to such matters.

ENGLAND OUTWITTED. Designs of the Dowager Empress of China Entirely Successful.

CHEE FOO, Sept. 27.—The British fleet has left Ta Ka, proceeding for Wei Hai Wei. Vice Admiral Sir Edward H. Seymour, commanding the China station, has returned here. It is rumored that the designs of the dowager empress have been entirely successful.

It is reported that Great Britain, the United States and Japan are disposed to question the constitutionality of the recent usurpation.

Hu Sung Hui, the negotiator of the Gerard convention of 1895, who was subsequently discredited at the time of the recent breach of faith, has just been admitted to membership of the taung ii yama.
