MINNESOTA TEAM BEATEN OUT BY THE ELEVEN FROM IOWA. SORRY SIGHT FOR ROOTERS

Grinnell Counted as an Easy Thing, and Bets Were Made That the Visitors Would Not Score— Superior Line Work Won the Victory—Score, Sixteen to Six—Big Audience Out. MINNEAPOLIS, Oct. 15.—The result of today's football game between the University of Minnesota and Grinnell college, Iowa, was won by the visitors by a score of 16 to 6, a great disappointment to the rooters for Minnesota. The victory was correspondingly welcome to the visiting team.

For many years past a game between the two institutions has been an assured annual affair, and usually coming as one of the early games of the season has been regarded as a heavyweight game. Never has this been more true, since before in the history of these games the home team has won the honors, and that was four years ago, in a game played in Minneapolis. Once Grinnell had Minnesota's line, the home team, 12 to 12. Another game was, however, arranged for that year, when the university succeeded in pulling itself together.

Today's game was, however, a surprise. Friends of the university team had looked for a win, but the Iowa team, which was one of the easiest scheduled for the season. There were many who expected to see Capt. Cole's men shut out the visitors, and money was offered as a guarantee of good faith. There was some betting at two to one in favor of the home team, and the visitors were favored over the poor showing made by their favorites.

In the eyes of the football world the result must mean one of two things, either Minnesota has dropped to the rank of a second-rate team, or Grinnell has been reclassified with the better institutions, a ranking which has never been accorded that institution, and at Northwestern the feeling will be that they have one sure game scheduled for the season.

A large audience had gathered to see Minnesota set up the fun from Iowa. Not only the fans, but the press, and the crowd was enthusiastic. At first the cheering was only for the home team, but when it became known that the Iowa team were determined to play the game the applause of the grand stand was frequently meant for the visitors.

GAME IN DETAIL. It was 3:30 when the referee's whistle started off the game. Grinnell had the ball and the west goal. Capt. Pierce, Iowa's fullback, punted the ball, and the war began. Minnesota caught the ball, and seemed to be up for a trial of strength. Rush after rush was made, but there were no prominent holes in the opposing line. The ball was about at the 10-yard line, and the Iowa team was on the third down. The possession of the ball passed back and forth for several minutes, until the Iowa team, on a fourth down, took a run.

This brought the game to Minnesota's 10-yard line, when it was impossible to avert a score by the Iowa team. Grinnell's line was then broken, and the Iowa team made a large-sized contract on their hands. Minnesota then kicked off the ball. Ericson's kicking was so sure as in the former games, that the Iowa team was not to be troubled by the ball.

It was a vain hope, and the band stopped playing for a moment. The Iowa team was then in the lead, broke at the three-quarter pole and Ericson came with a rush and took command, winning handsily from Ericson. In the second half, the Iowa team led to the half in 10:45, lapped by Grinnell, who carried the ball to the three-quarter pole, and coming on, finished in 2:10, distancing Ericson.

In the second half, the Iowa team led to the half in 10:45, lapped by Grinnell, who carried the ball to the three-quarter pole, and coming on, finished in 2:10, distancing Ericson. In the second half, the Iowa team led to the half in 10:45, lapped by Grinnell, who carried the ball to the three-quarter pole, and coming on, finished in 2:10, distancing Ericson.

BLUE BROKE THROUGH. Touchdown and Goal Scored on the Newton Eleven by Yale. NEWTON, Mass., Oct. 15.—In a short but fierce game today Yale managed to score three touchdowns and a goal, and to win principally through off-side play on the part of Newton and one or two short sharp strikes by the Yale backs through Newton's center.

CADETS LOSE TO HARVARD. WEST POINT, N. Y., Oct. 15.—The West Point cadets today put up a remarkably strong game, but Harvard won 28 to 0. The game was a close one, and Harvard's line was forced over the goal line and made a touchdown. Harvard succeeded at goal, and the first half ended 6 to 0 in favor of Harvard.

HAENA BOYS IN IT. THACA, N. Y., Oct. 15.—The University of Thaca was defeated by Cornell today, 21 to 0. In the first half Cornell did considerably better than in the second half, and Cornell's line was slow in getting the ball into play and fell short in interference.

MIDDLES BENTON. ANNAPOLIS, Md., Oct. 15.—While the football game this afternoon, between the naval cadets and the Middles Bentons, was not devoid of interest, as the Middles bent very close to a touch down on several occasions. The score of the game was a 30-yard run by Poe, when the first touch down was made. Score: Princeton 30, Navy 0.

FARIBAUT BEATEN. OWATONNA, Minn., Oct. 15.—(Special.)—The Faribault high school and Pillsbury academy football teams played this afternoon. The one goal was scored by Faribault, and the other by Pillsbury. Score: Pillsbury 10 to 3 in favor of the academy.

VICTORY FOR ST. THOMAS. St. Thomas eleven beat Grinnell yesterday, 17 to 6. Hamline won the toss and chose the eastern goal. Nemecheck made a low kick, the ball striking Hamline's center, who promptly fell on it. Judson ran around right end for five yards. Hamline was then held for four yards, and Crawford around right end for ten yards more; Nemecheck bucked the line for ten yards more. Hamline went around left side for five yards. St. Thomas' line was broken, and Hamline bucked St. Thomas' right side for ten yards. Hamline fumbled and Hines fell on the ball. A twenty-yard run of Crawford resulted in a splendid interference, brought the ball to Hamline's fifteen-yard line. On short end St. Thomas' line was broken, and Hamline bucked Nemecheck was then sent through center for the first touchdown. Nemecheck kicked the ball and the catch was missed. Score, 17 to 6.

NEW YORK FIVE BEAT HARVARD. BIG FOUR ELEVEN HAMMERED INTO SHAPE FOR THEIR HARD GAMES. QUAKERS ROLLED UP POINTS

Score of Forty Made by Pennsylvania Against Lehigh—Middles Benten by the Tigers—Newton Shut Out by Yale and West Pointers Defeated by Harvard—Not Much of a Line as Yet. NEW YORK, Oct. 15.—Slowly but surely the big Eastern football eleven are being hammered into shape by their coaches for their hard games of the weeks that intervene between now and Thanksgiving. Team play of a high order is being shown more and more, and though the usual discouraging reports continue to come in concerning the work of the Big Four, it is probably that this year's contests will be between teams of nearly evenly matched and will show a higher quality of football than has been the case for several seasons past.

All of the teams have been fortunate in that they have not lost many of last year's men, and having, with the possible exception of Harvard, an unusually large lot of help coming in from the freshmen classes to draw from. Up to today no games have been played by any of the big teams that would show their strength, and only one of today's contests, in which the Quakers rolled up 40 points against the team that had held Princeton down to 21 last week, is of any value in that respect.

PRINCETON'S VICTORY OVER THE ANNAPOLIS ELEVEN today by a score of 39 to 0, following Harvard's victory against the Maryland, in which the Tiger trimmed their opponents 24 to 0, showed that they are already in magnificent shape. Harvard's score of 28 to 0 against the West Point was an agreeable surprise to her adherents, and showed the effect of the hard work the men had done during the past week.

THE WORK OF HARVARD has been far superior to anything looked for and, against such a strong team as West Point, always has, stamps the wearers of the crimson as decidedly dangerous competitors in the championship race.

PHYSICIANS AND SURGEONS BEATEN BY NORTHWESTERN AT CHICAGO. CHICAGO, Oct. 15.—Northwestern university gained a victory over the College of Physicians and Surgeons by a score of 11 to 2. Both teams showed a great improvement over their recent work, especially Northwestern, whose ends, around which Beloit's line was made many long gains, were particularly good. The game was today unimpressive. The work of Northwestern's line was done at the expense of quarter back, Nowler, and this loss was keenly felt. Quarter back Johnson fumbled three punts near Northwestern goal. Lack of work on the part was responsible for the two points scored by Beloit. Johnson kicked up a muffed punt which had three yards to go, and he attempted to retrieve lost ground, but after reaching the goal line he was gathered up and forced back to the 15-yard line. Paul Siberer, who played left end for Northwestern, did magnificent work, blocking and getting down the field very fast on punts. Beloit's playing has brought about peculiar state of affairs. Charges of professionalism have been made against him, and should they be proven the school would have professionalized themselves, on account of playing with Siberer in a regular meet last year.

THE BICYCLE RACE FINALLY PLAYED TO A GOOD CLOSE. Dottie Farnsworth won last night's race, which concluded the week's engagement of the lady cyclists in the Madison Square Garden. The race was a close one, and each won three nights and races on two nights. They will cut that \$1,000 in two-paragraphs.

CHARLES GRAVES and his Fort Snelling band was the magnet that pulled a good many into the big hall in the evening. Charles Astor Parker, the Minneapolis impresario, had filled the auditorium with a crowd of one, as was the case. Sioux City is the best place in which "the greatest lady bicycle race" has ever been seen. The "senator" however, was a man of ideas and he was not content with pulling one of the senator had arranged to pull one of the greatest lady bicycle races the world has ever seen.

NEW YORK, Oct. 15.—There was a large attendance at Morris Park, attracted by the excellent card. Summaries: First race, Autumn hurdle handicap, two and a quarter miles—Eder won by six lengths, Marshall second, Gov. Budd third. Time, 4:27.
