from whom he received his appointment.

Archie Matheis has started a subscription for a cycle path to Highwood. The idea is to continue the present Indian mounds path down the old stage road to Oakland, Highwood, Red Rock, Newburg, South St. Paul, then to connect with the Hastings path. A ride across the bell line bridge will bring the rider home via the Inver Grove path to West St. Paul.

The annual meeting of the Century Road Club will be held at the Commercial club room Wednesday evening next, and it is hoped that all that are interested in this movement will be present at this meeting to present to the association in strong numbers.

The following amounts have been collected by Mr. Matheis: Archie Matheis \$5, Miss Kate Kendall \$2, etc.

Bicycle dealers are enjoying an excellent trade this season, and, perhaps, the most significant fact connected with this season's business is that it is being done largely on a cash basis.

The business seems to be in a more healthy state than in years. New wheels that are standard makes are now selling for \$50, while chainless and racers bring \$75, the real cheap wheel proposition does not do so much harm as it did.

The dealer, this year, must allow just what he can sell the wheel for.

MELBA AND O'DEA

HOW THE GREAT WISCONSIN FOOTBALL WITTHOOD THE PRIMA DONNA'S APPEAL

SHE ASKED TOO MUCH OF HIM

The Singer Wanted the Ned Punter of the Pigskin to Give Up the Game—Melba and O'Dea Played Together in an Australian Town—She is Afraid He Will Be Maimed for Life.

From the Chicago Inter Ocean. Mme. Melba is accustomed to having her way in most of the affairs of this world, and her requests are heeded by all, from bill-boys to grand opera impresarios.

A day or two ago a quiet young man appeared at the Auditorium Annex and presented a card bearing the name of Pat O'Dea, a name which was unknown to Melba.

To this young man, who holds as proud a position among football players as Melba does in grand opera, and who is as famed a punter and drop kicker of goals as Melba is as a soprano, his fame and his work are as dear as the prima donna's. Although it was difficult to refuse, his plans for next season, which is to be his last on the gridiron, were too dear to allow of his faltering for a moment.

Bates, Forepaugh's circus strong man; Jack Howell, Fred McMillan, Louisville, Ky.; Mike McDonald, Charleston, S. C.

During eighteen months with a land locker company in the Southern States met and defeated all comers at mixed wrestling.

For the last three months he has had a standing offer to meet any man in the Northwest at mixed style, viz., catch-as-catch-can, collar and elbow and side hold with harness.

THE MISSES BELL

Complexion and Hair Specialists.

The brilliant complexions of women in the more exclusive circles of New York society are not explained by the theory that associates beauty and idleness. In fact, many leaders of the world of fashion are hard workers.

D. B. MCINTYRE.

The Giant Lineman of the Minneapolis Street Railway Company, who will, with D. A. McMillan, appear in a Handicap Catch-as-catch-can Wrestling Match at the Exposition Building Tuesday night, March 14.

The big Turk has never been fully tested in any contest he has had in this country. McMillan is in active training in Duluth and McIntyre has relinquished his job of climbing poles for two weeks, in order to better prepare himself for the contest.

The success that Hall Adell has met with as the fact that he is a most formidable rival, is easily demonstrated by his size. He is six feet, five inches tall, and his frame is loaded down with an average of 250 pounds of flesh and muscle, and as for agility, he is much faster than any one imagines.

George Siles, of Chicago, the famous referee who signs as a witness for the famous signature on the articles of agreement, met and defeated the following wrestlers in Canada: D.
