

END OF ASSEMBLY

IT WILL BE REACHED AFTER A SHORT BUSINESS SESSION THIS MORNING

ANTI-ROBERTS RESOLUTION

Adopted by the Presbyterian Delegates Without the Need of a Single Supporting Speech-Incidental Discussion as to the Time of the Ending of the Present Century-The News of Minneapolis.

GULLER'S MINNEAPOLIS OFFICE, 10 WASHINGTON AV. SOUTH Telephone 2795 J-1.

The Presbyterian general assembly, in session at Minneapolis, did not complete its work yesterday as expected. Another business session will be held this morning, and at noon the assembly will adjourn sine die.

The commissioners generally feel that in calling for the expulsion of Roberts, and for the adoption of an amendment to the national constitution defining legal marriage to be monogamic, they have started a movement which will be taken up all over the country, and will reach eventual success.

The resolutions recite that a polygamist has been elected to congress, and this fact has called the attention of the country to the further fact that other Mormon leaders are still living in polygamist relations, in violation of their oath and pledges, as well as in defiance of the laws and constitution of the state of Utah.

Last night a thanksgiving meeting was held at the First Presbyterian church, Dr. Sample, the moderator, presiding.

R. H. BROAT DEAD.

Well Known in Real Estate Circles of Minneapolis.

Richard Broat, the Minneapolis real estate man, died this morning at his residence, 24 Twelfth street south.

Mr. Broat was born in Amsterdam, Holland, April 29, 1850. In 1887 he came to Minnesota with his parents and resided for about fourteen years in Wright county, where he engaged in farming and later in produce buying for the city markets.

Mr. Broat was a member of his own family surviving him is his 15-year-old son, Howard A. Broat. His wife died about three years ago. He has two daughters, Mrs. Nicholas Vanders Gon and Mrs. John Vanders Gon, of Maple Lake, and also two brothers, John and Henry Broat, Silver Lake.

MR. MINOR'S BIG BILL.

He Asks the City of Minneapolis for Over Six Thousand Dollars.

As long as the city council maintains its present attitude there is little hope W. L. Luce will succeed in getting his electric lighting wires underground.

A bill for \$6,273 was put in by C. J. Minor, the county auditor, for work done by Mr. Minor in entering the city's special assessments during the past two years.

All bids presented for printing the official proceedings of the council were rejected.

OLD WILL UNearthED

The Discovery of Which Badly Complicates an Estate.

Something of a romance has developed in the Hennepin county probate court

of at the afternoon session. Dr. John W. Dismore, chairman of the standing committee on the theological seminaries, turned in an exhaustive report on those institutions. The report was something of a "road" for "guide" ministers, and it was hinted that the lives of many theological students are too luxurious. Dr. Dismore followed with a speech in which he deplored the tendency of graduates to look too intent for soft berths.

Rev. William S. Fulton read the report of the committee on correspondence, which reviewed its work during the assembly and announced the following appointments of fraternal delegates: Rev. James P. Strain, D. D., to the Reformed church in the United States, now having its general synod at Tifton, O.; Rev. E. T. Jeffers, D. D., to the general assembly of the Evangelical Lutheran church, to the 1900 meetings of the general assembly of the Reformed church in America; Rev. Llewellyn Fulmer to the 1900 meeting of the Reformed Episcopal church at Baltimore.

A long report was turned in by the committee on benevolence, dealing with all reports of the special and regular committees on systematic benevolence. It was explained that systematic benevolence looks to a percentage division of all regular church collections among all the boards, while the boards rather prefer to let each take its particular collections.

Dr. Charles Herr was asked to present a supplementary report of the work of raising the freedmen's board, of \$40,000. He stated that with all duplications out and counting nothing but bare money \$40,000 had been received. George Stevenson, ruling elder of Arch Street church, Philadelphia, was nominated for the vacancy on the board of trustees for the assembly.

New presbyteries are to be established in the Kankakee neighborhood in China and in the Yukon valley in Alaska.

WARSAWIAK CASE.

Hermann Warsawiak, expelled two years ago for alleged gambling by the session of the Fifth Avenue church of New York, will have to go to the New York supreme court, where the judicial commission appointed to hear the matter reported that the judgment of the synod be reversed in so far only as the synod instructed the presbytery of New York to remand the case to the session of the Fifth Avenue church with instructions to Warsawiak on amended charges, including the \$10,000 for money for missionary purposes. The case is remanded to the synod to be proceeded with according to the methods and requirements of the constitution. In respect to the memorial of the Fifth Avenue church, asking that the case be sent back, the committee reported that it was not within its authority to decide such a matter, but left it to the assembly which has not acted yet.

Last night a thanksgiving meeting was held at the First Presbyterian church, Dr. Sample, the moderator, presiding.

Mankato Miller Denies.

MANKATO, Minn., May 26.—(Special.)—The announcement that H. S. Kennedy, agent for Mr. McIntyre, the promoter of the flour mill consolidation, is gathering up the country mills of Minnesota, was today denied by R. D. Hubbard, the Mankato miller. Mr. Hubbard brands the announcement as newspaper talk. He says he has not been approached on the subject, and has not heard of any other miller who has been consulted by Kennedy or McIntyre.

New Trial Denied.

FERGUS FALLS, May 26.—(Special.)—At a special term of the United States district court today Judge Amidon heard the argument in the case of William Clerk W. W. Stinson, convicted in April of rifting United States mail, in favor of a new trial. Stinson has been out on bail since his conviction. The motion was denied and Stinson was sentenced to a year and half in the penitentiary.

Mary McCaffery's Claim Denied.

CHICAGO, May 26.—The claim of Mary McCaffery that she be declared the legal widow of her husband, John McCaffery, and as such, entitled to share the \$500,000 estate left by him, which was affirmed in a recent trial, has been denied by the court today by Judge Shepperd, of the appellate court. Since the death of Mr. McCaffery on Oct. 1, 1897, the estate has been in litigation, owing to the number of claimants as his lawful widow.

A little over a month ago I sent to you for a belt, which you sent me. I used it every night, and the same evening it was received, and I have worn it every night since. TOMB OF LINCOLN

THE WOMEN OF MINNESOTA WILL DRAPE IT WITH A SILKEN FLAG

LADIES OF G. A. R. INTERESTED

Exercises Will Take Place on Memorial Day and the Address Will Be Delivered by a Minneapolis Woman—Half of the Business Portion of the Town of Staples Destroyed by Fire.

WINONA, Minn., May 26.—(Special.)—The local women of the G. A. R. are taking more than usual interest in the approaching Memorial day, for on that occasion they will decorate the graves of not only the departed veterans of Winona, but of a patriot who was claimed by the entire land, Abraham Lincoln.

For some time the members of the organization in Minnesota have had under consideration the placing of a handsome silk flag upon the tomb of the martyred president, and this plan will become a reality on Tuesday, when Mrs. Julia E. Lobdell, of Minneapolis, will drap the long neglected place and deliver an appropriate address at Springfield.

For many years a large flag has been draped about the tomb, but it was an ordinary affair and the ravages of time have played havoc with it. The old flag will be preserved and in its place will be suspended the beautiful banner contributed by the patriotic members of this auxiliary order in the state of Minnesota.

FIRE LOSS AT STAPLES.

Half the Business Portion of the Town is in Ashes.

STAPLES, Minn., May 26.—Before the fire, which started late last night, was controlled half of the business portion of Staples was destroyed. The loss is estimated at \$60,000. The fire started at 11:30 in Henry Schulze's tailor shop. Mr. Schulze started to blow out a large lamp which hung from the ceiling and the chain broke and the lamp fell, scattering the oil about the floor, which immediately became a mass of flames. The fire quickly spread to adjoining buildings. A strong wind was blowing, and in a short time over twenty buildings were on fire.

The means of fighting the fire was by means of hand buckets and one stream of water from the fire engine. The fire company of Verndale was sent for and their chemical engine was brought to Staples by special train. With the assistance of the Verndale firemen the flames were soon under control.

The burned district comprises nearly a whole square, with the following business houses: H. Remillard, grocer; S. Giesch, carpenter; G. W. Underwood, marble works; W. Y. Cooke, attorney; Peter Anderson, dry office, Raymond restaurant, Pennie & Son, grocery; Charles Sykes, restaurant; Schulz's barber's building; A. P. Poor, justice; W. J. Lewis, warehouse; F. M. Chadbourne, residence; Bert Vetch, residence; Martin Selzer, residence; and several barns and warehouses.

The total insurance is about \$20,000.
