Really, we are astonished sometimes at the quick response we get to our "ads." Of course, it's because our "sales" are always genuine, and when we find cause to unload, there are always plenty of ladies glad of the chance. We merely wish to state that we have added a lot of goods to our sale (on which "the other fellow" has lost), and while we can sell them to you at HALF REGULAR RETAIL PRICES, we still make a profit. You will find about 150 SUITS, about 80 SEPARATE SKIRTS and nearly 100 JACKETS (all colors and sizes) Monday to select from, all at ONE-HALF PRICE. Also, don't forget our elegant WASH SUITS and SKIRTS which we are selling so cheap, and if you value your own interests, attend NOW to FUR REPAIRS and STORAGE and get your order placed for next winter's garment.
