robbed the Minneapolis team of a game under instructions from President Johnson. It is hardly to be considered remarkable in a club the captain of which leads a mob down upon the field in the final inning of a contest where his men have been clearly beaten. Such conduct as the Journal finds reprehensible in the Minneapolis team is the inevitable result of such an atmosphere as the base ball team finds itself in at Minneapolis. The timely visit of President Johnson, which, according to the paper of the sister city gave vent Saturday night is only another manifestation of the mistaken loyalty which animates it to make a triumph of every act adverse to, and a traitor of every one who does not conform to the policy of the club before the acts of Wilmont, or fawning, grant the favors asked by the more obsequious Saulpaugh.

Chauncey Fisher ought to present himself with a leather medal on the toe of a boot and wear it where it would do the most good, after his boy's play of yesterday.

Buffalo fans are delighted with Eddie Burke. Saturday he made his first error in twenty-one games.

INSULT IN INJURY.

Minneapolis Players Lost and Were Then Put Under Arrest.

DETROIT, Mich., June 11.—(Special.)—The Minneapolis players lost a game this afternoon, and then had insult added to injury by being arrested. The last act, however, was merely a formal sort of affair, the players being taken into custody, two Sunday games were played here without interference, then the sheriff refused to allow Milwaukee and Detroit to play a game at a compromise was effected, and the game today was played with the understanding that the players would be arrested and taken to court after the game.

A slugging match is what the game proved to be, and although the Tigers made far more hits, they only won by a scant margin after an exciting game, which was witnessed by a fair-sized crowd. McNeely relieved Menefee in the sixth inning, after two singles and a home run had been made in addition to ten hits earlier in the game, and the little fellow went along all right until the ninth, when, with the Millers one run in the lead, Slater singled and Stallings hit the ball over the left field fence for a home run. The Millers could not score in the ninth, and the game was lost.

Many of the hits would have been easy chances for the fielders on good grounds, but the Sunday field is very rough, and the ball, when it is hit, is bound to go in, while the fence is short in both right and left field, six home runs being made. Both of Warden's homers were hit with men on bases, the first fellow being responsible for five of the nine runs. Thomas was hit hard, and Friske relieved him in the sixth, holding the Millers safe through eight innings. Andrews and Umpire Sheridan could not agree, and it resulted in the expulsion of the third baseman, Carey taking his place.

RAIN CHOPPED IT OFF QUICK

ST. PAUL ATHLETICS BARELY GOT IN A GAME WITH HASTINGS

Victory Crowned Their Efforts in a Contest That When Interrupted Promised Some Very Exciting Sport.

What promised to be an exceptionally fine ball game at Lexington park was stopped by rain yesterday during the last half of the fifth inning. The game was between the St. Paul Athletic club and Hastings and at the end of the fourth inning the score stood 3 to 1 in favor of the Athletics. Hastings did not score in their half of the fifth, but the Athletics scored two with two men out. This placed the score at 5 to 1. Under rule 26, although five innings on each side were not completed, the game goes to the Athletics, said rule providing that if the team second to bat shall have scored more runs in four innings than the other team does in five completed innings, then the game goes to them. George Carisch, formerly of the Western association, was in good form, having fine speed and control. "Lefty" Sporer was pitching the ball, and held the Hastings team down to five hits, although towards the last they were beginning to find the ball. Gilt-edged work in this characterized the game on both sides, and if the rain had held off a while longer an exciting finish might have resulted. The Hastings boys show up by far the best of any amateur visiting team this season. The score follows:

REPUTATES THE ALLEGED LETTER OF WARNING MADE PUBLIC AT CINCINNATI

HE FULLY EXPECTED TO WIN

NEW YORK, June 11.—Bob Fitzsimmons, ex-champion heavyweight pugilist, in company with his wife and his manager, Martin Julian, attended a ball game at the West End Field-club, Jersey City, this afternoon. Fitzsimmons acted as one of the two umpires, and after the game he and Julian found time to deny the assertions made by Leonard Shilly, who is credited with being an attaché of the sheriff's office in Cincinnati. Shilly claimed to be a personal friend of Fitzsimmons, but Bob denies that he knows such a man, and Julian is equally positive that he never met such a person. The letter implies that Fitzsimmons feared defeat and advised his friends not to risk any money on their belief that he would retain his championship.

"I never wrote such a letter," said Fitzsimmons. "I don't know Shilly. Who is he, anyhow? You say he is connected with the sheriff's office at Cincinnati. Well, if he is, I know nothing about the sheriff or him. I never wrote such a letter. I'm not a letter writer. This letter in question is dated New York, May 2. Since I went into training, some two weeks ago, I only wrote one letter, and that was to Dr. Kelly, a dentist of Peoria, Ill., but I made no mention of my chances of victory or defeat in it.

"I'll tell you what I'll do," continued Fitzsimmons, "in order to show the public that I never wrote such a letter to Leonard Shilly or any other person, I'll give \$2,500 to the person who produces such a document, and, furthermore, if any one believes that he has such a letter, I will pay his expenses from wherever he resides to this city and make him a present of \$2,500, providing that such a communication can be produced. Of course the letter may be a forgery, if such a letter exists, but I want to be satisfied as to its existence, and I also want the public to be satisfied that I never wrote it, nor had it written for me.

"I am anxious to understand why any person could make such a statement, but because I see no reason why anyone should try to injure me in this underhand manner."

JULIAN ALSO DENIES. Martin Julian, Fitzsimmons' manager, was equally emphatic in his denunciation of the report and said in a first-class manner. Open every day and evening. Frequent trains via Saint Paul & Duluth railroad. Fare on week days 25 cents round trip, on Sundays 25 cents round trip. Refreshments, 10c. Dancing parties every Wednesday and Saturday evening. Fare 50 cents round trip, which includes dancing privilege.
