GAMES SCHEDULED FOR TODAY

St. Paul at Indianapolis. Minneapolis at Detroit. Milwaukee at Columbus. Kansas City at Buffalo.

INDIANAPOLIS, Ind., June 12—(Special)—St. Paul outbatted the home team today and broke even on errors, and yet lost a game in which every run scored by the victors was earned.

The Saints had eleven men left on the bases in the third inning, and the bases filled and two out. Isabel sent a fly to Fleming. In the sixth inning, with two men out, three singles netted only one run. Spies, with a chance to cause trouble, put on a fly that McFarland got under. Geler got around in the seventh on a life, two men retired and Glenavlin was on second when McFarland again retired the third baseman.

The eighth inning saw three Saints perched on the sacks and one man over. Geler was wielding the hickory and swung one out the left line on a low fly to Fleming, who, by a fine run, scooped it in on the tips of his fingers, and the threatened trouble was averted for the Indians.

Glenavlin opened the ninth with a dangerous drive to right, but Hogreiver enveloped the ball in his mitts and the hearts of the Saints were broken.

The Indians earned their victory, and with all his clever pitching Foreman had worlds of luck. Three tallies were rolled up in the opening as a mark for the Saints to shoot at. Singles by Stewart and Motz and triples by McFarland and Allen gave the first three Hoosier runs.

Table with columns: AB, R, H, PO, A, E. for various players like Hogreiver, Stewart, etc.

MILLERS IN LEAD

Defeat Detroit and Step Again to the Front.

DETROIT, Mich., June 12—(Special)—"You can't keep a good man down, and we're all good men," shouted big Perry Werden in the seventh inning of today's game, when the Tigers, after apparently losing in the fourth, fell against Cronin's slants, and, with the assistance of two passes, rolled up four runs and left the field with another added to their string of hard-earned victories.

The Minnesota players put up a grand fielding game, the error of Davis not affecting the score, while Andrews is the only other member of the team who made a misplay, and his was excusable, as it was in an effort to make a double play.

As it was, the Millers pulled off three fast double plays, the first by Parker and Worden in the fourth, followed by Cronin's slants, and, with the assistance of two passes, rolled up four runs and left the field with another added to their string of hard-earned victories.

Davis singled, Nance sacrificed and a two-bagger by Andrews, followed by Worden's single, scored two runs in the fourth inning. Fisher walked to first in the fifth, stole second and scored when Davis made a hit. Only nine Tigers went to the bat in three innings, then Eagan made a scratch hit and Andrews threw a wide to second in an effort to make a double play when Elberfeld hit toward third. Dungan struck out, but the next three men made clean singles, Stallings beat out an infield hit and took third when Budwig hit to right field. Parker caught Cronin's liner and threw to Andrews before Stallings could get back to third. A base on error by Detroit led Worden in the next inning, but Detroit was short-lived. Nance's two-bagger, passes to Wilmot and Andrews, Verden's single, safe drive by Smith, and Abby's double gave the four runs and the game. Zearfoss was not feeling well, and Fisher relieved him in the third.

Table with columns: AB, R, H, PO, A, E. for various players like Detroit, Elberfeld, etc.

Foot Race in Madison Square Garden Proved a Frost.

NEW YORK, June 12—The six-day-go-as-you-please foot race which began in Madison square garden, last night, came to an end shortly after 10 o'clock tonight, on account of financial trouble.

From the beginning the contest looked not very promising, as only about 200 people saw the start, and this was the largest number of people who gathered at any time to watch the ceaseless grind of the men on the track.

Capt. A. R. Samuels, who had charge of the affair, could not be found after 10 o'clock tonight, and the management of the hall began to look around for their rent.

Good Health.

The best way to sustain the health is to assist it, to stimulate it, to invigorate it by the use of pure, unadulterated medicinal whiskey. Doctors have declared this, scientists have confirmed it, and both have insisted that Duffy's Pure Malt whiskey is the only strictly medicinal one in the market. Indeed, it has become, as it deserves, a household necessity.

NOVEL FEATURE OF THE STREET CAR STRIKE IN CLEVELAND ATTRACTS ATTENTION

PEOPLE PREFER TO WALK

Cars That Were Running Did Not Carry Passengers—Wives of the Strikers Personally Appealed to the Men Who Had Taken Their Places to Quit—Used Money Where Persuasion Failed.

CLEVELAND, June 12—The attempt of the Big Consolidated Railway company to move its cars today was attended by scenes of wild disorder in various parts of the city, though nobody was hurt, and even at that it does not mark a regular interval, but without passengers, and mainly under the protection of policemen. The principal work of the mobs, which were composed largely of curious spectators, was to blockade the track—in which they were materially assisted by accommodating drivers of trucks—cut trolley ropes and jeer at the non-union men. Occasionally stone eggs and pieces of mud were thrown, but nobody was hurt. The strike was accompanied by violence, but they did most effectively work in inducing the non-union men to quit, and in that they were assisted by several women, relatives of the strikers, who boarded the cars and pleaded with the new men to leave their posts. One of these women was provided with money, and when argument failed she induced the non-union men to quit by paying them.

Many of the cars were left on the lines deserted, and were afterwards picked up by inspectors and taken to the terminals. The company says it has sufficient men to operate its cars tomorrow, but this is denied by the strikers. The important development of the day was the refusal of the company to let the state board arbitrate the only question involved—the recognition of the union. The strikers say they feel greatly encouraged, and they will better prepared than ever to resist the running of cars when the attempt is resumed tomorrow morning.
