PROBLEM PUT OVER

NO DEBATE REGARDING TRANSFER OF MINISTERS BY MINNEAPOLIS CONFERENCE

PARADE PLANS MATURING

Display to Mark the Home-Coming of the Thirteenth Will Be Military in Character, and the National Flag Will Be the Only One in the Line of March—News of Minneapolis.

GLOBE'S MINNEAPOLIS OFFICE, 20 WASHINGTON AV. SOUTH.

Advertising—Subscriptions—Tel. 2790 J-4.

Tension was evident when the Northern Methodist conference, in session at Minneapolis, opened yesterday morning over the resolution introduced Friday against bringing outside talent into the conference. Several prominent Minneapolis ministers, against whom the resolution was aimed, were present and waited in vain for the matter to be called from the table, but the conference was rushed with other business and the fight on the

resolution was kept up until Monday. It is evident that Bishop Joyce wishes to avoid all consideration of the resolution if possible and it may be that out of deference to his wishes it will not again disturb the conference.

The interest still continues over the probable appointee to the Minneapolis presiding eldership. Rev. J. B. Hingelley still seems to be in the lead among the conference brethren. However, it is disclosed yesterday that the choice of the bishop may be a dark horse, as it is known that the bishop is rather between two fires in the matter and wishes to do justice to both leading candidates.

The morning session was mainly devoted to the election to deacons' orders of the following candidates, all of whom passed unanimously: Harmsen Taylor, Henry Littelhaler, Robert J. McChes, N. I. Vernon, Albert A. Myers, William Park, Clarence I. Page, John Knight, W. E. J. Grauz, E. M. Cathcart, J. D. Manley, Robert P. Cummings, James H. Holmes, Roderick Murray, Robert J. Taylor, James A. Geer. The class will be ordained this morning.

The following were elected to be elders in the church and will be ordained as such by the bishop, assisted by several elders this afternoon: George E. Satterlee, Rupert W. Swinnerton and James P. Pickard. The conference also admitted several new members to the North Minnesota conference on trial. The most notable admission was that of Rev. Duane L. Porter, the Indian preacher, who has

offered to go among the Pillager Indians and establish a church with the full assurance that he could do great work among them. His case was strongly presented by Dr. Farber.

During the morning there were addresses by Dr. Cyrus Brooks, the noted pioneer preacher of Minnesota; Rev. A. L. Tuill, pastor of the church at New Richmond; Miss Kate Cooper and Miss Palmer, who spoke for Asbury hospital, and Dr. J. B. King, who addressed the conference at length on the work of the church extension society of the Philippines.

The afternoon was devoted to the temperance rally, presided over by Dr. C. M. Hartz. This address was made by Dr. W. H. Hill. The evening was given over to the church extension society, at which an address was delivered by Dr. J. B. King, national secretary of the society. Many of the visiting ministers will occupy Minneapolis pulpits this morning. The conference love feast will be followed by an address by Bishop Joyce and the ordination of deacons. In the afternoon elders will be ordained. Dr. King, of New York, will preach in the evening.

CORNERSTONE IN PLACE.

New Building for the College of Physicians and Surgeons.

The corner stone of the new College of Physicians and Surgeons, Seventh avenue south and Fifth street, Minneapolis, was laid with imposing ceremonies yesterday afternoon. President George H. Bridgman, Hamline university, put the stone in place, while Bishop J. W. Joyce and J. T. Wyman, vice president of Hamline university, delivered the principal addresses. Many of the delegates to the Northern Minnesota Methodist conference witnessed the ceremonies.

Dr. J. T. Moore, one of the founders of the institution, gave a brief history of the college and a summary of its growth, and Dr. Leo M. Crafts, the present dean, dwelt upon the present status of the institution and the prospects for its future.

The school has grown so rapidly that the new building was a practical necessity. It is expected to have the south wing completed by Dec. 15, when the present quarters will be vacated. The remainder of the building will be put up as soon as possible, and when the entire structure is ready for occupancy it will be one of the finest colleges in the country. The cost will be \$75,000.

PARADE PLANS MATURING.

Only the National Flag Will Be Displayed on Oct. 12.

Plans are rapidly maturing for the display that will mark the visit of President McKinley to Minneapolis and the home-coming of the Thirteenth regiment. The committee on parade met yesterday morning and decided that only the national flag shall be displayed in the parade. It is expected that there will be 2,500 armed men in line, for the idea of a distinctly military showing has been kept well in mind. The chief marshal will be A. M. Shuey. The following will be under him: Fred W. Wheaton, chief of Staff; Frank Woodward, adjutant; D. M. Gilmore, marshal first division; R. R. Henderson, second; George H. Hutchins, third; C. A. Clausen, fourth. On the general staff there will be twenty-four appointees; on each marshal's staff, four.

The first division of the parade is to be given over to the state militia, the second to United States levies and unattached military organizations, the third to civic societies in uniform and the fourth to the Thirteenth and its escort of G. A. R. veterans. The Thirteenth will be accompanied by a military escort shall be supplied the president and his party when they arrive at the Milwaukee station is a question yet unanswered.

Jewelry Theft Confessed.

Zebulon S. Skinner, a young man employed in the repair department at Eustis Bros' jewelry store, 300-302 avenue and Sixth street, Minneapolis, and James Brady, more familiarly known as "Broker Jim," are held at the Central police station, the former upon a charge of grand larceny, and the latter upon a charge of receiving stolen property. Skinner is charged with having stolen some \$2,000 worth of jewelry, which was disposed of by Brady. Both men have confessed.

Minneapolis Pioneer Gone. William F. Hill, an old resident of Minneapolis, died at his residence, 21 Second street north, after a long illness. Bright's disease was the direct cause of death. Mr. Hill was sixty-five years of age, and married a widow, three sons and

one daughter. The funeral arrangements have not yet been made. Mr. Hill came to Minneapolis from the East about thirty-five years ago, and during the early days was prominent in the affairs of the city.

Heavy Lumber Cut.

With a record of \$91,470 feet of lumber sawed in eleven hours, the employees of the Backus-Brooks Lumber company, of Minneapolis, took a fifteen-minute lay-off yesterday morning, in order to fitly raise the emblem of victory, which was a broom of such dimensions that it shut off a large portion of the view of the saw mill district.

No Brick Injunction.

St. Louis brick will be used in the Minneapolis East side high school in spite of F. W. Bonness, who wanted to enjoin the school board from entering into a contract with Ewing & Thorsens. In denying the petition yesterday, Judge Harrison said that the suit might be entertained, but the entering into of a contract had already been performed and an injunction would be fruitless.

Died at Hospital.

Late Saturday night an unknown man was struck by a Northern Pacific switch engine at Eighteenth avenue north and First street, Minneapolis. He was picked up unconscious and found to have sustained internal injuries. He died at the city hospital yesterday and the body was turned over to Coroner Nelson. There was nothing about the man's clothing by which to identify him. He was a man about fifty-five years of age.

Sudden Death.

Joseph Harrison died suddenly last night at the Columbia hotel, Minneapolis, where he had been rooming since Tuesday. Harrison is said to have a wife and two children, but very little is known of him. He was a man about forty years of age, and a blacksmith by occupation. Coroner Nelson had the body removed to the county morgue. Heart trouble is said to be the cause of death.

Koeler Is Dead.

John B. Koeler, who attempted suicide Sept. 24 by shooting himself in the head with a 22-caliber revolver, inflicting a small scalp wound, and who Saturday afternoon threw himself in front of a Milwaukee switch engine at Fourteenth avenue south and Sixth street, Minneapolis, died at the city hospital last night of his injuries.

MINNEAPOLIS BREVITIES.

Mrs. May Conway died at her residence, 733 Tenth street south, at the age of thirty-nine years. The funeral will take place from the late residence today, interment being at Lakewood.

John M. Glendon has been appointed

guardian for Peter J. Kenner, incompetent. Kenner was once assistant chief of the Minneapolis fire department.

A telegram from Lincoln, Neb., announced the death of Anson D. Ireland, a well-known resident of Minneapolis who resided at 316 Pleasant avenue. He was forty-eight years old and leaves a wife and four children.

Postmaster Lovejoy has gone to Chicago to witness the laying of the corner stone of the new federal building.

SHOOTING OUT LIGHTS.

Favorite Amusement of Old-Time Frontier Desperados.

New Orleans Times-Democrat. "According to Western stories," said a former ranchman, "one of the favorite amusements of the frontier desperados is 'shooting out the lights.' I never saw it done but once, but the incident made sufficient impression on my mind to last me for life. It was at Benton, a
