

VALE WESTERN LEAGUE

PASSING OF FAMOUS BASE BALL ORGANIZATION TO MAKE ROOM FOR ANOTHER IS AMERICAN LEAGUE NOW

New Name Was Adopted at a Meeting of the Western Base Ball League, Held in Chicago Wednesday—(Circuit Will Be Considered Today—Chicago and Cleveland May Be Added to the List.

CHICAGO, Oct. 11.—The Western Base Ball League is now of the past, and in its place is the American Base Ball League, organized at the annual meeting of the Western Base Ball League held today at the Great Northern hotel.

The meeting of the league was long, and when the magnates adjourned they had not completed all they had laid out in their programme and will convene tomorrow at 10 a. m. to complete their work.

President Ban Johnson called a meeting of the board of directors of the league this morning, which considered the awarding of the pennant to the Western league, which went to Indianapolis. The other clubs finished in the following order: Minneapolis, Detroit, Grand Rapids, St. Paul, Milwaukee and Kansas City and Buffalo tied for seventh place.

The board also heard the report of the treasurer, Ban Johnson, and adopted it. The following representatives of the clubs in the Western league were at the meeting this afternoon: President Ban Johnson, Chicago; C. A. Comiskey, St. Paul; M. R. Killilea, Milwaukee; James Franklin, Buffalo; J. H. Manning, Kansas City; C. H. Saultage, Minneapolis; F. C. Goss and Connie Mack, Milwaukee; W. F. C. Golt, Indianapolis; G. A. Vanderbeck, Detroit, and Robert Allen, Indianapolis.

The board of directors appointed for the next year are: J. H. Manning, C. H. Saultage, W. F. G. Golt, G. A. Vanderbeck and President Johnson.

President Johnson was authorized to make the schedule for 1900 and the regular meeting for considering the same will be held March 14 in Chicago. The matter of transportation for the clubs was also referred to President Johnson.

The change in the name of the league was the particular question considered. W. F. C. Golt made the motion that the name be changed from that of the Western Base Ball league to the American Base Ball league, and James Franklin, of Buffalo, seconded it. The vote was unanimous and the president was instructed to change the constitution of the league to meet the present requirements.

President Johnson was instructed to write the national board of arbitration, asking a revision of the national agreement, changing the drafting season to two years and the drafting price to \$1,000 instead of \$500.

Ten per cent of the total receipts of the year were divided among the clubs of the league in the following order: Minneapolis, Kansas City, Indianapolis, Milwaukee, Detroit, Buffalo, Columbus and Grand Rapids tied, and St. Paul. The amount of fines paid during the year is \$345.

The matter of selecting a manager for the league under its reorganization will be taken up tomorrow, as will also the circuit of the league. The question of establishing teams in Chicago and Cleveland will probably come up for discussion.

The game was called in the eighth on account of darkness. Attendance, 1,700. Score: R. H. E. Boston 0 0 0 0 2 0 0 2 6 0

NEW YORK, Oct. 11.—The season closed here today with a game with Brooklyn, the latter winning. The game was called on account of darkness. Score: R. H. E. New York 0 1 0 0 1 0 2 3 3 3
