

MICHIGAN SENSATION

Son of James A. Ellis, Saginaw, Cured of Bright's Disease by Dodd's Kidney Pills.

Best Physician in City Gave the Lad Up—Said Plainly That He Couldn't Be Cured—But He Is Cured and Dodd's Kidney Pills Cured Him.

SAGINAW, Mich., Feb. 7.—One of the most sensational cases ever reported in this city is that of the nineteen-year-old son of Mr. James A. Ellis, Saginaw, East Side.

Another eminent physician was consulted. He said that he thought he might cure him. If he couldn't he would say so.

Mr. Ellis about this time saw Dodd's Kidney Pills advertised. He determined to put them to the test and see if his son was really beyond human aid.

He procured a box. It was thought that the boy showed an improvement and another box was bought.

The pills were curing him. Another box was taken and the improvement was apparent to all.

Mr. Ellis, senior, himself writes: "I will state that my son is now at work and is taking his twenty-fifth box."

According to the Northwestern Miller, the Standard, Excelsior and St. Anthony mills of the United States Flour Milling company, has been leased to the Northwestern Consolidated Milling company for \$18,000 per year.

The water power since Feb. 1 has only been equal to about 80 per cent of the requirements of the mills. By using more steam, however, the mills are able to run twenty-four hours a day.

One of the reasons why the mills are being operated as strongly as they are at present is in order that the millers may take advantage of the rates and get as much freight as possible in transit before the advance comes.

PROSECUTOR DEMANDS COIN REFUSES TO PROCEED AGAINST HIM, IT IS ALLEGED, UNLESS RELATIVES OF MURDERED MAN PAY HIM \$1,000 AS A CONTINGENT FUND FROM WHICH TO MEET OUTSIDE EXPENSES OF THE TRIAL.

LA CROSSE, Wis., Feb. 7.—What promises to be the most sensational murder ever perpetrated in Western Wisconsin, has just been unearthed at Wilton, a village of a few hundred inhabitants in Monroe county, eighteen miles from Sparta, the county seat, on the Chicago & Northwestern railroad.

Wilton, in a Jefferson county, this state, had gone to Wilton with several hundred dollars, with which he intended to purchase a dairy farm, that he lost the money gambling in a hotelkeeper named Daniel Trump, and that after his money was gone, young Lewellen committed suicide first by shooting himself through the chest and then through the temple.

MR. BICKFORD PROVES AN ENTERTAINING WITNESS IN THE CLARK CONTEST

CONTRADICTS SPEAKER STIFF

Also Disputes the Statements Made by Senator Myers, Representative Sullivan and Dr. Ector—Wanted to Save Representative Woods from the Clutches of the Daily Faction—Withstood All Cross-Examination.

WASHINGTON, Feb. 7.—Walter M. Bickford was practically the only witness before the senate committee on elections today in the Clark investigation. He was one of Senator Clark's special friends in the last Montana senatorial campaign.

Mr. Bickford contradicted much of the testimony of Speaker Stiff, Senator Myers, Representative Sullivan, Dr. Ector, Mr. Cowan and others. He, however, admitted tendering to Dr. Ector \$2,000 with which to lift the indebtedness of Representative Woods, of Ravalli county, saying that he had not intended that Mr. Woods should know of his doing this, and his only purpose was to control the bid, so that the Daily people could not get hold of it, and thus force Woods into voting contrary to his inclinations.

Mr. Bickford also explained the purchase of timber land owned by Representative McLaughlin prior to the meeting of the legislature. He contended that the property was worth more than had been paid for it, and that the timber was necessary in Mr. Clark's business. It was not accepted for Mr. Woods by Dr. Ector he had returned it to Mr. Clark.

CATARRH OF THE KIDNEYS.

(Pe-ru-na never fails to cure it.)

Mr. John Vance, member of Company I, 71st Ohio Infantry, First Brigade, Second Division, Fourth Army Corps, who lives at Hartford City, Ind., in a letter dated June 7th, 1899, says: "My kidney trouble is cured by Pe-ru-na."

Ernst Knobloch, Gallatin, Pa., writes: "Pe-ru-na cured me of kidney trouble. I will recommend your medicine because I can do so truthfully."

Mrs. L. C. Saunders, 207 Haynes street, Atlanta, Ga., writes: "I was troubled with kidney and bladder trouble, and having heard so much of Pe-ru-na, last November I began to take Pe-ru-na, and I cured me of that trouble and now I am taking it as a tonic. I am still improving in health, and I think it strengthens me. I was very much broken down when I began to take Pe-ru-na, and I can do anything I can do for you. I will do so with pleasure."

Mr. John Vance, of Hartford City, Ind., trouble is much better. I have improved so much that everybody wants to know what medicine I am using. I recommend it to everybody and some have commenced to use it. The folks all say that if Dr. Hartman's medicine cures me it must be great. In a later letter he says: "I am still improving in health, people call me well now. I am still using your medicine. People want to know what has done me so much good and I can easily tell them."

Mr. J. Brake, of Petrolia, Ontario, Canada, writes: "Four years ago I had a severe attack of Bright's Disease, which brought me so low the doctor said nothing more could be done for me. I began to take Pe-ru-na and Man-a-lin, and in between Mr. Depew (Rep., N. Y.) and Mr. Pettigrew (Silver Rep., S. D.) was then resumed in the
