Warner's Safe Cure Co., Rochester, N. Y.

Gentlemen:—

I take great pleasure in acknowledging the benefits which I have received from the use of Warner's Safe Cure. From the continual change of food and water my stomach refused to perform its work, and severe pains across the back showed me that my kidneys were also affected.

My physician prescribed for me, but it did not seem to help me, and I asked him what he thought of my trying Safe Cure, and he said that he knew of several patients who had spoken highly of it, so I tried it.

Before I had finished the second bottle, I felt a remarkable improvement, and being greatly encouraged, I continued its use for about two months, when I considered myself entirely cured.

I am indeed most grateful to you for placing the means before the public of restoring health to the afflicted.

Miss Louise Wolcott was one of the earliest members of "Sorosis" of New York City. She is also Vice-President of Daughters of the American Revolution, and granddaughter of Governor Wolcott, of Connecticut.

"FATHER, I AM TIRED." Message Left Senator Pfeiffer by His Despondent Son. KANSAS CITY, Mo., March 14.—J. Sherman Pfeiffer, son of W. A. Pfeiffer, ex-United States senator from Kansas, was found dead in a rooming house in East Eighth street at 1 o'clock this afternoon. On the bureau was found a box that had contained morphine and a note reading: "Father, I do not like to do what I am doing, but I must."

GOLD DEMOCRATS TO CONFER.

INDIANAPOLIS, Ind., March 14.—In answer to an invitation sent out to gold Democrats of the city and state about 200 assembled tonight at the Hotel Hamilton, which was the party to do in the coming campaign. In explaining the purpose of the meeting James Keach said that his object was to find out from the leading members of the party whether they would support Mr. Bryan as had been adopted.

Winnago City—James Austin, president; councilmen, W. W. Quiggle, Dr. F. L. Durgin, A. B. Nichols; recorder, J. H. Linder, E. M. Rusing, E. H. Benson; justice, W. D. Smith, F. M. Pearce; constable, E. B. Baker. In the township election the crop would be shorter than that of last season and will be fully 20 per cent lighter than the amount figured on by loggers when work began last fall. Many of the men who arrived yesterday stated that roads are no longer in such condition that any hauling can be done and that a few loggers, who are operating on short roads are dragging in their tracks and will continue to do so a week or ten days longer.

St. Patrick's day will be observed here by the presentation of "For Honor's Sake," an Irish melodrama, at the opera house. All members of the cast are amateurs and among them are a number of the leading young ladies and gentlemen of the city.

The action of the state of Minnesota vs. Thernard L. Sporr and Gottlieb Froelich, who are charged with keeping dogs in the annoyance and damage of Mr. Woodward, a Cottage Grove sheep farmer, was on trial in the municipal court yesterday.

Orders for prison twine are still coming in and nearly of the season's twine output has been contracted for by farmers in all parts of the state.

At the first annual election of Comfrey, a new incorporated village on the C. & N. W. railway on the Sanborn and Burlington line, the following were elected: President, F. Berthold; councilmen, F. W. Blackman, Alfred Bradbury, John G. Holm; recorder, Thomas Nelson; treasurer, H. M. Bradbury; assessor, John McPhee; constables, N. N. Woolley, two years, Wenzel Schoedl, one year; justice, Hans Grydahl, two years; F. J. Smith, one year. In the town of Bashaw all of last year's officers were re-elected.
