

WHERE WERE WE? Last year and the year before that and the year before that and still further back.

We Led! We are accustomed to leading in anything we undertake.

Where Are We? Well, in the matter of bicycles for the season of 1900 we shall take our old place at the pole, and as ever.

We Lead! Former years have taught us your needs, and we have taken pains to be prepared to meet them.

You want a fine wheel? To just suit your need we have selected the

Adlake Racer. It is not simply a track wheel, but is built to give the gentleman rider a wheel to suit him for city riding or country runs. It is neat and speedy and not up just as you want it.

You want an All-Purpose Wheel? Well, look at our

Adlake Roadster. It will be our biggest seller this year, and is a wonder for a wheel. Our great order for these wheels was the talk of the trade all over the country; that's why we can sell it to you at a price that shuts out competition. The Ladies' Roadster is extra nice.

You Want a Cheap Wheel? It isn't always wise to buy cheap bicycles, but we have this year a wheel to fill this demand that will satisfy. It is called the

Alaska. It is a Klondike nugget to the purchaser and a perfect freeze-out to the competitors.

You Want a Boys' or Girls' Wheel? That means you want one of our

Favorites. They are beauties and will please every eye.

Oh, Yes, You Want Sundries? We have come into the sundries especially this year. Our great line of
