A course of the treatment prescribed by Doan's Kidney Pills, sold by F. M. Parker, the druggist, opposite the postoffice, checked the trouble at first and finally cured. A young man working for me complained of lame and aching back. Ten of Doan's Kidney Pills cured him."

Mr. Alexander Moak, No. 847 Woolbridge St., says: "I was well satisfied with the results obtained from the use of Doan's Kidney Pills. I think the cause of this was my kidneys being sluggish, and it was for that I got Doan's Kidney Pills at F. M. Parker's drug store. They acted directly on the kidneys and gave prompt relief. I can conscientiously say that Doan's Kidney Pills are a reliable remedy."

MARION ST.
Mr. C. C. Jensen, No. 923 Marion street, employed in the Great Northern railroad shops, says: "I will make an affidavit swearing that Doan's Kidney Pills, procured at F. M. Parker's drug store, cured me of backache which annoyed me at intervals for years. The first or second attack I did not mind, but as time went by they grew more severe, laid me up sometimes, and I could scarcely walk or straighten after stooping. Difficulty with the kidney secretions also existed, and when Doan's Kidney Pills cured me I am only too anxious to let the residents of St. Paul know that this remedy can be depended upon to act up to its representations."

VALLEY ST.
Mrs. Bernard Dolan, No. 12 Valley street, says: "I can recommend Doan's Kidney Pills as a medicine for weak or disordered kidneys. I had symptoms of kidney complaint which caused me much distress. I believe many women have these, but do not understand the cause. I procured Doan's Kidney Pills at F. M. Parker's drug store, and they quickly disposed of the last attack. I keep this remedy in the house, and take a dose occasionally, as I find it keeps my kidneys regular and avoids suffering and annoyance. CANADA ST.
Mrs. Augusta Hjortsporg, No. 609 Canada street, says: "I had backache all the summer of 1898, and the pain was awful. When I commenced using Doan's Kidney Pills, which my son got for me at F. M. Parker's drug store, I was so sick I could hardly get around the house, not only from the pain in my back, but I felt badly otherwise. I believe if I had not used Doan's Kidney Pills I could not have held up much longer. They banished the headache, and my poor health disappeared in a short time. I have not had a return of the trouble since, and I hope this remedy will do as much for others as it has for me."

EAST SEVENTH ST.
Mrs. John Durham, 479 East Seventh street, employed at Bulke Bros. meat market, says: "For four to six weeks I was bothered with backache, which pained me when stooping or rising from a sitting position. I saw Doan's Kidney Pills advertised as a positive cure, and, deciding to give them a trial, I got a box at F. M. Parker's drug store. They gave me almost immediate relief, and since taking them I have had no return of the trouble. The treatment also regulated the action of the kidney secretions, rendering them normal. I can recommend Doan's Kidney Pills as a preparation which can be depended upon to cure kidney troubles."

BUSY DAY FOR BOXERS

MCCOY ANXIOUS TO MAKE A MATCH FOR THE FUTURE WITH CHAMPION JEFFRIES

EXPECTS TO DEFEAT SHARKEY

Jeffries Begins Work at the Old Quarters for His Meeting With Corbett—Jack Root at West Baden.

NEW YORK, April 11.—"Kid" McCoy evidently does not anticipate any great difficulty in defeating Tom Sharkey when they meet in the arena of the Coney Island Athletic club June 23. At least the "Kid" is so confident of defeating the sailor he is already making arrangements for several important battles to take place after his go with the marine champion. It is the "Kid's" ambition to fight for the heavyweight championship, and after he has disposed of his present matches he will be ready to take on Jim Jeffries. McCoy believes he can defeat the Californian, and declares he is prepared to accept the champion's offer immediately and sign articles for a fight to take place before September.

JEFFRIES AT WORK.
ALLENHURST, N. J., April 11.—James Jeffries, champion heavyweight pugilist, his brother Jack and Chief Trainer Tommy Ryan, have arrived at the old training quarters in Loch Arbor. Little time was lost in getting down to the business that brings the trio here. The bright Californian began the day bright and early with a brisk trot on the ocean driveway toward Elberon, returning early enough to take a ten-mile spin on his wheel, after which came the midday meal, which Jim purposes shall be re-

lignously adhered to. Ryan is training as hard as Jeffries, as he wants to be in grand condition for his fight with Jack Root, of Chicago, which he expects will be settled within the next two months.

JACK ROOT TONING UP.
WEST BADEN, Ind., April 11.—Jack Root has arrived here for a ten days' stay. He will take a course of the waters and followed active training while here. Ed Holly is with him and will assist him in his work.

Eddie Eald is also here for a week's stay, after which he goes to Louisville. Eald is making preparations to go to Paris and probably will not enter any races in this country until after his return. Tommy Dowd, of the St. Louis Browns, is also here using the waters.

WOES OF PUERTO RICANS

NATIVES HAVE TURNED AGAINST THE AMERICANS, WHO WERE ONCE POPULAR

Those Who Want a Tariff Have Slight Interests to Conserve—Poor of the Island in Actual Want.

Correspondence of the Associated Press.
PONCE, Puerto Rico, April 4.—At no time since the hurricane, Aug. 3 last, has the condition of the poor of Puerto Rico been as bad as it is today. About 25 per cent of the island may be placed in the poor class, which is made up of a mixture of all races. In the other 5 per cent are included the well-to-do educated people, such as merchants, planters and professional men and their families. This better class is able to pass through such times as are now prevailing without actual physical suffering, but their business affairs are at a standstill, and have been for a long time, and this deprives the majority of the laboring class of a means of livelihood. This large body of laboring people furnishes the very cheap and effective labor which is needed for agricultural and other work, but at all times they have been in an underfed and poorly nourished condition. Their hardships have been greatly added to by the scarcity of fruit since the hurricane, and its consequent increase in price.

Salt fish, rice and beans have been imported free of duty since the hurricane, but little of the benefit derived from this has gone to the people, and now, when there is a prospect of 15 per cent of the Dingley tariff bill being placed on these articles, the price has been greatly advanced. Merchants hesitate to import large stocks, because of the prospect of free trade, and the present scarcity is also a cause for the advance in prices. Rice has gone up from 5 and 6 centavos a pound to 9 and 10, beans 8 to 12, and at one time a few days ago to 15 centavos a pound, while salt fish has advanced from 6 centavos to about 10.

AMERICANS UNPOPULAR.

No one who understands the situation here will deny that much of the former good feeling between Puerto Ricans and Americans has been lost. Besides, Americans are fewer in numbers in Puerto Rico today than at any time since shortly after the troops first landed, and those departing have left a long list of detested companies, bankrupt businesses, wrecked schemes and anxious creditors, who in some cases hold choice collections of worthless notes and checks. Not only are Americans leaving the island, but large numbers of Puerto Ricans have gone to Venezuela, Santo Domingo and to Cuba. Three days ago more than 200 natives sailed for Cuba to obtain employment there, and at least 1,000 have sailed from this port alone during the past few months. Much live stock is also being shipped to Cuba. The greatest loss to Puerto Rico in this respect is the large

SIX HOUNDS TO A DRAW

Arthur Taylor and "Kid" Selby, of Minneapolis, boxed six rounds to a draw at the Palm Garden last night. Selby had a little the best of it, apparently, although not enough, Referee Morris Selby thought, to entitle him to the decision.

Congressman Crowley Ill.

WASHINGTON, April 11.—Congressman Crowley, of Illinois, has been seriously ill for several days with rheumatism and pneumonia. His condition tonight, however, is showing a material improvement, and the attending physicians express the opinion that he will recover unless some unexpected complications arise.

Too Ridiculous to Discuss.

PITTSBURGH, April 11.—H. C. Frich returned today from Atlantic City. When asked what truth there was in the reported story of a combination of the Carnegie and Cramp companies, he said it was too ridiculous to talk about, and refused to discuss the subject at all.
