For the Cure of... Kidney Disease

Bring to mind Warner's Safe Cure whether mentioned or not.

We often read "Watch your kidneys," etc., and it naturally calls to mind the only world-wide famous specific that has stood the test for twenty years—Warner's Safe Cure—although the advertisement may be paid to mention another remedy. The public knows there is but one Kidney Remedy and all these advertisements for others but call Warner's Safe Cure to mind

FOR OLSON AND SHEVLIN

MINNEAPOLIS PRIMARIES FAVOR THEM FOR DELEGATES TO PHILADELPHIA CONVENTION

DALY'S BOOM FOR CONGRESS

His Friends Are Not Content to Count Him Out of the Running Yet.

Minneapolis primaries for the election of 22 delegates to the county convention tomorrow were held last evening. Thirteen out of the 129 precincts in the city had been heard from last evening, the returns indicating a general sentiment in favor of S. E. Olson and Thomas H. Shevlin for delegates from the Fifth district to the Philadelphia national convention. Among the delegates who will represent the different wards in the city are Robert Jamison from the Second; P. B. Wright, and W. P. Roberts from the Fourth; Dr. E. B. Zier and H. E. Eryberger, from the Fifth; John B. Swift, from the Sixth; James A. Peterson, from the Seventh; James H. Tripp and C. A. Smith, from the Eighth, and Erick Rhode from the Ninth.

and the delegates so chosen will meet at 10 o'clock, at least, in the primaries, at 10 o'clock, and select seventy-five delegates to the state convention at Minneapolis on May 15. The state meeting will consist of four delegates and four alternates to the Philadelphia national convention. The delegates to the state convention will be chosen on pink ballots, and they will not meet till Saturday morning at 10 o'clock, at the same place, and they will then select two sets of seventy-five delegates to represent Ramsey county in the morning will nominate a candidate for congress, and that in the afternoon will send two delegates and two alternates to Philadelphia. Each of the county conventions will consist of 25 delegates.

The Fourth and Fifth district excitement will hardly be out of the way before the Sixth and Seventh take a turn at it. Morris has carried several counties, apparently, at least, in the primaries, and what is to become of J. Adam Bede remains to be seen. In the Seventh district Eddy seems to have the best of it, although K. G. Valentine of the state drainage board, who would like the plum, still claims that he will carry two counties, and present solid delegations thereof.

The Tawney-Anderson contest for the Republican nomination in the First district has been absorbing all interest there, and Tawney's lieutenants seem to have been making pretty good use of his fence. If Anderson's showing in Winona county is to be taken as a measure of his strength.

The Fourth ward Republican politicians are very much in evidence last night at the Windsor hotel, where they were fixing up a congressional slate for Fred Stevens and a national slate for President McKinley.

It is practically settled that Swan Ponton is the man to be elected.

SENATOR M. J. DALY,

The board of examiners of the United States civil service will have a busy time of it this month, and there are many positions to fill, and opportunity will be given Minneapolis aspirants to secure some of the plum positions. A postponed examination for clerks in the general land office will be held June 10, and the examination for third class electric draftsmen. The examinations of applicants for cadetships in the revenue cutter service will take place May 15, 16 and 17. A manual training instructor for the Indian training school at Fort Shaw will be selected by the board of examiners will be held June 19-21.

J. Scott Browning, of the firm of Browning, King & Co., arriving in Minneapolis yesterday, Mr. Browning came to this city to see the wool market. He says that the wool market is very quiet, and that the price of wool is high. He believes that the price of wool will fall in the autumn.

HOTEL CLERK IS MISSING

CHARLES F. MORTON BELIEVED TO HAVE KILLED HIMSELF.

ST. LOUIS, May 7.—It developed that Charles F. Morton, night clerk of the Southern hotel, and well known to hotel men throughout the United States, had disappeared from his usual haunts and left letters expressing his intention to commit suicide. Friends of Mr. Morton claim that he is the only man who can defeat Eddy in the primary. He is a fine orator, one of the best stump speakers in the district, and exceedingly popular. He held the office of county attorney for four terms and declined the nomination in 1888 in order to run for state senator, to which office he was elected by a handsome majority.

SHE WAS IN MINNESOTA.

The actress was quarantined in a hotel, and while the train crew was vaccinated. The other members of the company have secreted themselves.

CHICAGO STRIKERS JUBILANT.

Northwestern Elevated Makes an Important Concession.

CHICAGO, May 7.—Officials of the Northwestern Elevated Railroad company dealt a serious blow to the Building Contractors' council and made a concession of great importance to union labor today. The council had announced that the 123 union workmen who went on a strike a few weeks ago would be taken back to work tomorrow, under an agreement conceding every point to the unions. Among labor organizations this victory is regarded as presaging the ultimate defeat of the contractors all along the line, and an early termination of the labor war prevailing in Chicago.

COAL

Does not warm except through combustion. Food does not nourish except through digestion. You may as well hug a coal pile to get warm as expect to get nourishment out of food which you cannot digest. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and organs of digestion and nutrition. It enables the body to assimilate food and so put on sound flesh and develop strong muscles.

MADE NAME MR. DONNELLY

MINNESOTA MAN HAS A GOOD CHANCE FOR A PRESIDENTIAL NOMINATION

IS MODEST IN HIS VIEWS

Willing to Talk of His Party, but Not Himself—Mrs. Kelli Advocates Universal Suffrage Vigorously.

CINCINNATI, May 7.—Two presidential candidates are tonight talking of by the leading Populists gathered in Cincinnati tonight for the national convention of the middle-of-the-roads. They are Ignatius Donnelly, of Minnesota, and Warton Barker, of Pennsylvania. Ignatius Donnelly arrived early this evening and went quietly to the Dennison hotel, where he was soon surrounded by a group of admirers. It became known that a definite movement was on to place Mr. Donnelly before the convention as a presidential nominee, instead of giving him second position on the ticket, headed by Warton Barker, of Pennsylvania. Mr. Donnelly had only this to say: "You know that I never have been accustomed to pushing myself. I am in favor of the greatest good for the greatest number of people. Whatever the convention sees fit to do in the matter will be perfectly satisfactory to me. I believe that we should stick to our motto—Middle-of-the-Road."

These side issues have wrecked the chance of many bright politicians. For instance, the silver question, which without doubt is of vital interest to every person in this world, has been cleverly sidetracked, and Mr. Bryan has been shut out of the issues of the late war with Spain. I believe this convention will reaffirm the Omaha declaration of principles with, perhaps, a few added planks on the comparatively new questions."

Mrs. Luna E. Kelli, of Hartwell, Mo., the editor of The Prairie Home, is here as a delegate to the Reform Party national convention, as well as delegate to the national convention. Her husband is a farmer, and is also a delegate. He carries their babe most of the time, while Mrs. Kelli participates actively in the lobby discussions. She is among those favoring a universal suffrage plank. The women who are present are pressing such a resolution with all their might.

FIGHT ON BARKER.

Gen. Wharton Barker, the most prominent candidate for president, is scheduled to arrive early tomorrow from Philadelphia. His son, Redman Barker, arrived tonight and is busy denying the reports that the Barker would not be nominated. Gen. Barker was not nominated. About one-fourth of the 25 delegates are instructed for Barker. Then it is claimed by some that Barker and Donnelly have been nominated on the "initiative and referendum plan." They were named at the convention here two years ago, as far as the "initiative" is concerned, but it is stated that "the referendum" returns were incomplete and unreliable.

There is opposition to Barker in the West, and it is said that the reports about holding water started in Western states to hurt Barker. Eugene V. Debs will not promise to accept. Among the other names mentioned to head the ticket are: Jerome Kirley, of Texas; ex-Congressman Howland, of Alabama, and Col. Frank Burkett, of Mississippi.

Among the lobby orators tonight was W. Morgan, better known as "Tobe Spilkins, of Bonnyfork." Members of the reception committee met delegates at the depot, but they have no more anywhere. The national executive committee had an executive session today.

KANSAS CITY ALL 'RIGHT.

National Democratic Committee Again Approves Work.

KANSAS CITY, Mo., May 7.—For the second time since convention hall was destroyed by fire, on April 14, the sub-committee of the national Democratic committee met here today and put its stamp of approval upon the hall and general arrangements being made by Kansas Cityans for the July gathering. The committee, including G. Johnson, Kansas; Judge Adair Wilson, Colorado; C. A. Walsh, Iowa; D. J. Campau, Michigan, and W. J. Stone, Missouri, arrived in the city this morning. Col. John J. Martin, of St. Louis, sergeant-at-arms, and H. Wager, of New York, and his assistant were also present.

The committee first viewed the hall site, at which an army of laborers were working like beavers, and later were in consultation with the local directors and F. E. Hill, the building architect, who submitted plans of the new structure. The members of the committee were agreeably surprised at the remarkable advance made in re-constructing the building.

"The 'splendid' Mr. Johnson, who is here to make a magnificent speech, and there seems to be no doubt that the hall will be ready for the convention."

AN EXCITING OPENING.

Warm Time Ahead for Illinois Republican Convention.

PEORIA, Ill., May 7.—The state convention pending to have an exciting opening tomorrow. It is the plan of the state central committee, which is controlled by the Tanner-Hancey faction, to name the temporary chairman of the convention, and John J. Brown, of Vandalia, has been selected by the committee for the chairmanship.

This evening there was a conference of all the delegates opposed to the Tanner-Hancey faction. They were the supporters of Senator Cullom and of Reeves, Carter and Yates, candidates for the nomination for governor. It was decided at this conference to oppose the plan of the state central committee and Charles G. Dawes was selected as the opposition candidate for temporary chairman. Ex-Gov. Joseph W. Filer was decided upon for permanent chairman.

AGREED UPON MR. BRYAN.

Populists at Peter Cooper Dinner in Omaha.

OMAHA, Neb., May 7.—About four hundred persons sat down the banquet board of the Peter Cooper dinner at the Coliseum this evening. Half of this number, perhaps, was made up of delegates to the state convention at Sioux Falls. It was given out on excellent authority that the delegates had agreed to nominate Mr. Bryan Wednesday, and to leave second place open to make the subject of a conference. A conference committee is to be named to meet a like committee at Kansas City.
