JOHN E. DEMPSEY HAS SEVERAL COMPATRIOTS ARRESTED FOR CRIMINAL LIBEL

PRINTING TRADES INVOLVED

Allied Printing Crafts and Trades and Labor Assembly Have a Deep Interest in the Proceedings.

John E. Dempsey, a local labor leader for many years, swore out a warrant yesterday for the arrest of Cornelius Guiney, George C. Collins, Thomas Yost and I. A. Able, charging them with criminal libel. The case will come up in the municipal court Monday.

He alleges in his complaint that the defendants made statements to the effect that he was unfit to hold the responsible position of head of the central body of labor; that his character was bad; that he was running a non-union office and employing non-union men, and other charges.

The suit grows out of a bitterness of long standing, dating back nearly a year and a half, at least, and indeed, between some of the printers involved, perhaps a decade.

### LONG BACK THE FOLD

FORMER MID-ROAD LEADER COMES OUT FOR THE FUSION TICKET

ALBERT SCHALLER WILL RUN

Democratic Congressional Nominee in the Third District Will Make the Run This Time.

L. C. Long, of Magnolia, two years ago the mid-road Populist candidate for governor, has come out for the Democratic ticket, state and national. Mr. Long is an old time Democrat, but several years ago he turned party to join the mid-road Populists. His return to the old is considered very significant as in the southwestern part of the state his party has long been recognized. His son, of the Willmar Imitator, has taken the same course. Last week he printed in his paper an address by his father on the subject of the imperialistic policies of the government, which was a scathing arraignment of the administration policy.

This week he expects to take the stump for the ticket. He is a sound speaker. Maj. Bowler chairman of the state central committee of the People's party, is in receipt of a letter from him, announcing his allegiance to the fusion force.

The major states that Long had an excellent record during the rebellion as a soldier and that it hurt his friends to see him leave the party, knowing as they did, that he was an able, strong man, but they are pleased even more than they were hurt at his reconsideration of his decision.

Peer Stromme, who has just given up the editorship of the reform press bureau, to go on the stump for the Democracy in Wisconsin, where he will speak in several languages, is an accomplished linguist and scholar. Mr. Stromme has long been active in Wisconsin politics. Born in that state, at Winchester, of Norwegian parents, in 1856, he was educated at Luther college, Decorah, Io., and Concordia university, St. Louis, where he graduated in 1879.

From 1881 to 1886 he was superintendent of schools in Norman county, this state, and in 1887 went to St. Olaf's college, Northfield, as teacher of mathematics. From 1888 to 1892 he was editor of Nord in Chicago, and in 1893 became the editor and publisher of Fostren in West Superior. He assumed the editorship of the St. Paul Globe academy, in 1894, and from 1894 to 1898 was editor of America, published in Chicago and Madison, Wis.

He has always been a Democrat in politics, and has been a member of the party in every campaign since attaining his majority. He was nominated for secretary of state of Wisconsin in 1888, and was defeated with the rest of the ticket.

For about two years, up to taking charge of the reform press bureau, he was connected with the Minneapolis Times, later as editorial writer.

Mr. Stromme has written novel, in Norwegian, "Hvorledes Halvor Blev Prest" which is quite popular, as well as other sketches in prose and verse.

From the secret service department of the Republican campaign headquarters has issued forth another one of those affectionate appeals which are so characteristic of the party which are being sent out to the editors of the country.

Republican Headquarters, St. Paul, Sept. 8—My Dear Sir: I take the liberty to call your attention to a subject that has been painstakingly considered by the executive committee and which I deem it my duty to bring to your attention. The party should fully understand.

THE FARMER WORKS HARD

For a living. He has to. He must make his while the sun shines, no matter how he feels. The result is overwork. The stomach usually gives the first sign of strain. The organs of digestion and nutrition are deranged. Food does not nourish. Indigestion appears. In such a case Dr. Pierce's Golden Medical Discovery re-establishes the health by a complete cure of the diseased organs of digestion and nutrition. It cleanses the stomach, purifies the blood and removes the causes of disease. It is a temperance medicine, and contains no whiskey nor alcohol.

It was troubled with indigestion for about two years, writes Wm. Bowker, Esq., of Juliette, LaSalle Co., Idaho: "I tried different doctors' remedies but to no avail, until I wrote to Dr. Pierce and he told me what to do. I suffered with a pain in my stomach and I don't have that feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two boxes of Pleasant Peppets cured me."

Sick people can consult Dr. Pierce by letter free. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.

### THE NEW FALL STYLES OF MEN'S HATS.

We've just finished the biggest Straw Hat business we ever had—now for fall and winter.

Why should you come here? Because nowhere else in St. Paul can you get "Victor Jay & Co.'s English" Hats, \$5.00.

Because nowhere else can you get the stylish "Browning" Derby and Soft Hats, \$4.00.

Because nowhere else can you get as good \$3.50 or \$3 Derbys—not as good trimmings—silk and leather bands, etc.

Because nowhere else have you the same variety of Soft Hats to pick from, \$1.50 to \$3.

Bragging? No—telling the truth.

The new shape in Derbys is higher crown, full roll brim. But we have all sorts of crowns and brims—it's our business to fit everybody, whether they can wear the latest thing or not.

And a man with a hat (no matter what style it is) that fits his figure looks a hundred times better than a big fat man who wears a little hat because it's the style.</
