When sick is Lydia E. Pinkham's Vegetable Compound.

No other medicine in the world has done so much good.

No confidence has ever been violated.

No woman's testimonial was ever published by Mrs. Pinkham without special permission.

No woman ever wrote to Mrs. Pinkham for advice without getting help. No man sees these letters. Her advice is free, and her address is Lynn, Mass. She is a woman, you can tell her the truth. No living person is so competent to advise women. None has had such experience.

She has restored a million sufferers to health. You can trust her. Others have.

## THEY WILL BE BETTER OFF

REV. G. N. MADDOO THINKS BOERS WILL BE WELL GOVERNED.

## TEN MONTHS IN SOUTH AFRICA

Reverend Gentleman Sam Cromie's "Boers, Who Looked Like Lunatics—Country Not Tempting to Americans."

## GLOBE'S MINNEAPOLIS OFFICE, 20 WASHINGTON AV. SOUTH.

After nearly ten months spent in Cape Colony and the Free State, Rev. Samuel N. McCadoo, formerly pastor of Simpson M. E. church, is back in Minneapolis, where he will remain indefinitely. Mr. McCadoo journeyed to South Africa partly to benefit his health and partly to represent several publications. Unfortunately his health was such as to prevent his doing any writing, and the climate was not beneficial.

"Cronje's men resembled a gang of lumberjacks just coming out of the woods," said Mr. McCadoo. "Most of them wore old slouch hats which flapped about their ears, and nearly all of them carried little bundles at the end of a stick resting on their shoulders. All were rugged, and it was a most cosmopolitan crowd. Irishmen, Germans, Swedes and burghers mixed readily enough; but there was nothing in their appearance suggesting their heroic defense. Their capture seemed to turn the tide in Cape Colony, where the large percentage of Dutch were either in arms or getting ready for revolution. I was impressed at all times with the pertinacity of the Britishers. From all their plans, as they were developed, it was evident that they had come to stay, and that they were going to make a final fight of it, no matter how much they were annoyed by defeat.

## Will Send at Least \$10,000.

An enthusiastic meeting of the members of the Board of Trade and the general business men of the city was held yesterday morning at the headquarters of the Board of Trade in the Lumber Exchange building to take some action regarding the relief of the town suffering at Gleditsia. It was decided that this city could raise at least \$10,000, and committees were appointed to canvass all lines of business funds.

B. F. Nelson, the chairman of the meeting, called for expressions of opinion as to the best way to secure funds and it was at first suggested that committees be appointed to work under the state committee. Mayor Gray, who is a member of the state committee, thought that it would be better to make the work of raising funds in this city a local business, in order that the efforts of the citizens of this city would not be confused with that of the people of the other parts of the state. It was at length decided to follow Mr. Gray's suggestion.

## Down on Mob Violence.

The conference of African M. E. churches being held at St. Peter's A. M. E. church, heard a report of the committee on mob violence toward negroes throughout the country last evening, and resolutions were adopted condemning such practices.

## The Morning Session of the Conference.

The morning session of the conference was given up this morning. It is understood that the proposed expulsion of a certain minister, who is charged with a serious moral delinquency, was the subject of a vigorous debate during most of the morning. Dr. G. H. Wade, pastor of the First Baptist church, was the speaker in support of the resolution. Dr. Wade was excommunicated some years ago for a similar offense. He has since been quite long enough for disciplinary purposes, and he will have to wait at least another year.

## Dr. Norred Has Resigned.

The city council met last night and accepted the resignation of Dr. Charles H. Norred, the special quarantine officer appointed several months ago by the board of health.

## Stillwater News.

The St. Paul Commercial club enjoyed an excursion to Stillwater yesterday on the steamer Columbia and on the way a part of the afternoon was spent at the prison, where the visitors enjoyed themselves to the fullest extent. The party returned to St. Paul at 5 p. m.

The Minnesota Mercantile company will award a contract next week for a large cold storage warehouse to be erected in the city. The building will be of brick, five stories and a basement, and will be completed this fall if possible. The structure will be built adjoining the mercantile company's wholesale house on Water street.

Col. C. McC. Reeve returned yesterday from Lake City, where he witnessed the various national guard regiments of this state.

There are a number of typhoid fever cases at the city hospital, but all of the patients came here from elsewhere. The city has practically been free from epidemics for some time.

## RAMSEY COUNTY POLITICS

A meeting of the Fifth ward precinct chairman called to meet at 560 West Seventh street last night, was so well attended that it was turned into an open meeting, when addresses were delivered by Philip Martin, Peter Van Hoven and Dr. D. W. Johnson, who are candidates for positions on the Democratic ticket. Another meeting will be held next Monday night to make arrangements for a meeting of the ward on Tuesday afternoon at 2 o'clock. The Van Hovenites and the Martinites will be the opponents in the contest. Van Hoven and Martin will umpire the game.

## ROOSEVELT AT FARGO.

Governor's Special Train Will Reach Bismarck Today.

FARGO, N. D., Sept. 14.—Gov. Roosevelt made a three-minute talk at Willmot from the rear platform of the private car.

"The issue now before us is how we shall handle our affairs and how we shall behave in the face of the world. It is not possible for any legislation or any administration even the wisest to insure peace to every one. What can be done is to make the administration of the laws as fair as possible. There has been some effort to arrange one class against another, but our plan is to give all men up, but in the long run you can benefit our people by adopting conditions that will benefit all. In the first place, to vote so as to secure continuance of the conditions under which we are lifted up the standard of the well-being of our people, and in the next place, not to dishonor the record of the Civil War, but to give to the great men of the world the respect they deserve. We want to establish an empire. They are not an emperor. All we want is simply that our nation shall do its duty in the face of the nations of the world."

## WISE MURDER CASE AGAIN

JAMES HARDY AND EDWARD MILLER WERE ARRESTED YESTERDAY

## LOOKS LIKE HORRIBLE PLOT

Corroborative Testimony From Four Persons Indicate That Hardy and Miller Did the Shooting—Taken to Minneapolis.

ANOKA, Sept. 14.—Another chapter has been added to the horrible Wise murder, near here. James Hardy and Elmer Miller, the two boys at one time suspected of being implicated, were today arrested by Sheriff Merrill and Detective Brown, and charged with the murder. The boys were late in the afternoon removed to the Hennepin county jail, where they will receive their preliminary hearing. Additional evidence was secured in the matter, and Sheriff Merrill stated this evening that he had no longer any doubts as to the guilt of Hardy and Miller. The arrest was made on the farms of their parents near Bethel this morning. They made no objections to accompanying the officers, but protested their innocence. When the boys were arrested the first time, it was for the murder of Mrs. William Wise.

## NEW EVIDENCE.

The most important evidence that has been secured since the last arraignment is that of Alle Preston, the son of a farmer, living near Coon creek. He has admitted to the sheriff that he was the man who met Mattison, who is still in jail at Anoka, and got him to go to Round lake and meet the boys. His confession is in part as follows:

The murder was planned about a month before the murder. The Friday before he made arrangements to meet the boys at Round lake, but when the night arrived he gave Mattison \$5 to go in his place. One of the boys took Mattison in a buggy and the other rode horse-back as they started for Round lake by the Coon creek cut-off. The murder was committed to get \$1,500, which Mrs. Wise would leave, as it was believed. After the excitement, attending the murder, had subsided Hardy and Miller were to marry the Wise girls, and remove to a claim that the other rode horse-back in the northern part of the state.

The same story has been told by Mattison, and in addition the sheriff says he has secured evidence that Martha and Eliza Wise have prepared written statements, and while the girls have been kept apart since arrested, both corroborate that of Preston.

## INVESTIGATING A MYSTERY.

Inquiry Into the Disappearance of Arthur Peterson.

TRACY, Minn., Sept. 14.—(Special.)—The preliminary hearing of the gang of alleged thieves, who were arrested at Tracy, Minn., on suspicion of being connected with the disappearance of Arthur Peterson opened here today. The state represented by Judge F. S. Brown, county attorney, and the defendants by Korms and Johnson, of this city. The trial is progressing slowly owing to the large number of witnesses to be examined. The prisoners are five in number, including two women and a boy of twelve years. Considerable excitement has been aroused over the case and sensational developments are looked for by the friends of Peterson.

J. N. Bede has sold his meat market at Leaning Green and will retire from the business.

Very heavy rains have fallen here during the past week and threatening falls a decided setback. Much flax and probably some other grain will be injured. The wind is blowing hard today, however, and unless more rain follows will soon dry out the grain so threatening may go on.

Health Officer Adams is in hopes that no further alarm will be caused by the spread of the disease seems to be checked. The schools will be opened about Sept. 24, unless some unforeseen circumstance arises.

## MYSTERY ABOUT HIS DEATH.

George F. Chester, of Duluth, Found in West Superior Hotel.

WEST SUPERIOR, Wis., Sept. 14.—(Special.)—The clerk of the Duluth courts, George F. Chester, after being in his room at the West Superior hotel forty hours, was found dead here today. ## THREE BAD MEN DISPOSED OF

Hans Thorpe Will Return in the Spirit to Haunt a Few People Who Didn't Treat Him Right.

MINOT, N. D., Sept. 14.—Hans Thorpe, convicted of murdering his wife, Ida Thorpe, on Dec. 25, 1899, in this city, was hanged here this morning at 6:30. The execution was witnessed by about twenty-five people, including the sheriff and deputies, and was a complete success. The drop fell at exactly 6:30 and life was pronounced extinct at 6:38. At 6:48 the body was cut down and turned over to the undertaker, who will bury it at the county's expense. The condemned man spoke as follows:

"There are people in this world who are nearer to the woman I killed than I am, and in my remarks I am not going to slur them. My position will serve no advantage. I will not slur friend or foe or use any profane language on the scaffold, but I hope if there is some one in the world to clear himself. On the other hand, a man who goes to work and commits a crime, not even knowing his mind at the time, I think, should not be held criminally responsible, so therefore, if I am really responsible for taking my wife's life I will go to hell when I am hanged.

"I do not desire any mercy from God Almighty or the people of the United States and, mark my words, before I go into eternity I hope there won't a spear of grass grow on my grave until certain angels get their just dues for the dirty and inhuman work they have done to me and my wife, and if there is such a thing as a person's ghost coming back I will see it."
