So far no new candidates have announced themselves for register of deeds, Charles McDonald, of the Sixth ward, it is said, has drawn out of the race.

John W. Clancy will be given a chance to try his luck against Gallick for court commissioner.

Collapse.

Caused by over-work? No, caused by undernourishment. Work rarely causes collapse. It is worry—the outcome of a low condition of the nervous system and inadequate nutrition which generally causes collapse.

"I was cured of a very bad case of indigestion, associated with torpid liver, by the use of Dr. Pierce's Golden Medical Discovery," writes Mr. G. B. Bird, of Pyraside, Putnam Co., W. Va. "Before I began the use of 'Golden Medical Discovery' I had no appetite, could not sleep, nor work but very little, bowels constipated and life was a misery to me. After taking four bottles I felt so well that I went to work, but soon got worse, so I used it about eight weeks longer, when I was permanently cured."

SECOND WARD.

- Second—Winn Powers, E. B. Maxwell. Third—C. J. Hunt, John P. Dinneen. Fourth—Pat Mooney, Frank J. Hunt.

THIRD WARD.

There will be a meeting of the Second ward Democrats at 85 East Seventh street tomorrow evening to discuss candidates and to select delegates to the county convention.

FOURTH WARD.

Dr. Charles L. Dohm, candidate for the Democratic nomination for coroner, is one of the prominent younger members of the local medical profession. He was born and reared in St. Paul, and since beginning the practice of medicine has made rapid strides toward the ranks of his chosen profession.

FIFTH WARD.

The situation in the fight for the nomination of sheriff is about the same. The friends of Peter Van Hoven claim that he is in the lead and that he will come into the convention with the Fifth, Sixth and Seventh wards backing him, with a scattering vote from each of the others.

SIXTH WARD.

There is almost as much interest being taken in the fight between the several candidates for the nomination for county treasurer as there is in the fight for the nomination of sheriff, and since friends of Winn Powers are talking for him the rest of the candidates are beginning to hustle, as it looks very doubtful as to who will land the nomination. Even in the Eighth ward, which P. J. Metzger expects to have hold for him, there are a few probable delegates who would like to get John S. Grode to come out for it, but in case he will not take it, they will support Winn Powers.

SEVENTH WARD.

All of the candidates who are looking for the county treasurer nomination would like to see Winn Powers nominated for some office, but they think it ought to be for some other than treasurer, and some would support him even though it would be for sheriff.

EIGHTH WARD.

The friends of M. F. Kain are working hard to land him and expect to go into the convention with a good delegation.
