BOSTON, Sept. 24.—Boston and New York played a tie game today, the game being called at the end of the seventh mining on account of darkness. Boston tried a new man behind the bat, Connor, of Bridgeport. He did not make a very good impression, making two wild throws and having two passed balls. Attendance, 1,500. Score:

AMATEUR BASEBALL.

It took nine innings to decide the game yesterday between the Plymouth Clothing House team and the Leather Workers. The former won by the score of 16 to 15. The fielding of both teams was very ragged at times owing to the bad condition of the grounds, and largely accounts for the big score. Young Gehring did the twirling for the Clothiers and made twenty-two men fan the wind, while Williamson, of Conde, N. D., pitched the last seven innings for the Leather Workers. The organist of one of the principal Methodist churches in Hartford, Conn., says: "I was troubled with gastritis and nervous dyspepsia for two years. I would go to bed at night feeling perfectly well and wake up next morning with a splitting sick headache. I would be so hot at times that my flesh seemed burning up and flashes of light and darkness would come before my eyes. These spells continued sometimes for a day and a half and while they lasted I was so stupid I hardly knew my own name. I commenced taking Ripans Tabules, and before I had used three dozen of them they made me entirely well. I take a Tabule occasionally now just to keep my stomach in order when it shows any slight indication of a disposition to rebel."
