Several Enthusiastic Ward Meetings Were Held Last Evening in the City.

TUESDAY, OCT. 16.

First ward Swedish Democrats meet at Payne avenue and Cook street. Speakers, Dr. Alex. J. Stone, Frederick L. McGhee, Thomas R. Kane, Fifth ward Democrats at headquarters, 540 West Seventh street. Speakers, Senator John H. Ives, J. C. Michael, James R. Hickey and Henry G. Tardy.

THURSDAY, OCT. 18.

Ninth ward Democrats meet at Twelfth City hall, Rice street and University avenue. Speakers, Thomas R. Kane, L. J. Dobner, Stan J. Donnelly, Thomas J. McDermott and Aid. Ed. L. Murphy.

FRIDAY, OCT. 19.

Democratic meeting at North St. Paul, Enterprise hall. Speakers, Dr. Alex. J. Stone, William Peckstein, Thomas R. Kane and Louis Betz.

Today is the first registration day and the election judges will have the election books open all over the city from 6 o'clock in the morning until 9 in the evening, to give voters a chance to register their names and qualifications.

The last day for filing certificates of nomination for county offices is tomorrow, the nominees paying a fee of \$10 and filing their papers with the county auditor.

Today is the first day of registration. Boards of election will sit at the usual places from 6 o'clock in the morning until 9 in the evening.

The First Ward Swedish Democratic club will hold a big meeting at Payne avenue and Cook street, this evening.

The West Side Bryan and Lind Hebrew Democratic club will hold a grand rally tonight at their club rooms, 104 State street, 8 p. m. sharp. Good speakers will be in attendance. This club was not included in the list published yesterday morning. A. T. Jensen is president.

Frank A. Gies, who is the Democratic nominee for abstract clerk this year, is one of the most widely remarked men in St. Paul, having been born in this city in 1858, the year that Minnesota was admitted to statehood. He is thus entitled to membership in the ranks of both the Territorial Pioneers and the Junior Pioneers. He is at present employed in the office of the auditor of the Northern Pacific Northern railroad system, is an experienced accountant, is familiar with the technical details of the abstract office as few other men are, but is particularly noted there for eight years during former Democratic administrations, four years of which time he was chief deputy. Prior to that time he was chief clerk of the abstract office, and in that position he was employed in the German-American bank, even before it became a national bank. This is the record of the man the Democrats nominate for the office of abstract clerk. He is an efficient administrator of an office which is highly important to the property of this city. Mr. Gies is a resident of the Sixth ward.

Fainting Spells

Are peculiar to women. Men rarely faint. Many women are liable to what they term "fainting spells," and this liability is always most marked at the monthly period. This ailment is sufficient to connect the "fainting spell" with a deranged or diseased condition of the womanly organs.

The use of Doctor Pierce's Favorite Prescription cures irregularity, neuralgia, inflammation and ulceration, and stops the drains which weaken the body. It builds up the nervous system, increases the vital powers, and so removes the common causes of faintness in women. There is no alcohol in "Favorite Prescription," neither does it contain opium, cocaine, nor any other narcotic. "It gives me much pleasure," writes Miss Ella Sampson, of St. Paul, Minn., "to thank Dr. Pierce for the great good he has done for me by his 'Favorite Prescription' and 'Golden Medical Discovery.' I had suffered for three years or more at monthly periods. It seemed as though I would die with pain in my back and stomach. I could not stand on my feet without fainting; one of my friends insisted upon my trying Dr. Pierce's Favorite Prescription. With but little faith I tried it, and before I had taken half a bottle I felt better, had better appetite and slept better. Now I have taken two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery,' and am happy to say I am entirely cured, and all done in two months' time, when all other medicines had failed to do any good."

BLINDS DOING GOOD WORK

SO REPORTS LEWIS G. STEVENSON, SON OF THE VICE-PRESIDENTIAL NOMINEE

RALLY DAY TO BE FEATURED

There Will Be Big Meetings of Democrats All Over the Country on October 27.

Lewis G. Stevenson, son of the vice presidential candidate, spent yesterday in St. Paul. Mr. Stevenson has a share in the management of the National Association of Democratic Clubs, and his mission here was in the interest of this organization, of which the clubs of Minnesota form a part.

W. R. Hearst, under whose personal direction this national organization, embracing all the clubs of the entire country, was formed, has arranged for a grand rally, to be held in every town and country of the nation on October 27, if possible, Oct. 27, and Mr. Stevenson is making extensive visitations in various parts of the country in anticipation of these meetings.

"This is a complete innovation in the matter of effective campaigning," says Mr. Stevenson, "and will, it is believed, prove of inestimable value." The plan is to have prominent speakers address the gatherings at the respective places. Several speakers at each place. In New York city, Mr. Bryan, Bourke Cockran and David B. Hill will speak; at Chicago, Adlai E. Stevenson, Senator Blackburn of Kentucky, and Mayor Jones, of Toledo, O., who has recently joined the forces of Democracy, are to address the people, and an ex-governor of Pennsylvania, at San Francisco. The speakers for this city and other Minnesota towns have not been fully decided upon. The state central committee, to whose charge the matter of the rally is committed, will determine upon them later.

Mr. Stevenson stated that he believed the club organization among the Democrats this year would exceed anything of the kind in history, and the great bulk of this remarkable work is due to the untiring efforts and industry of Mr. Hearst. "That means," he said, "that these enterprises, and if the ticket is successful in the fall to him will be due a great deal of the credit." Mr. Stevenson said that he was very highly of the efficiency of the organization as he found it in this state. He was also greatly impressed with the outlook for Democratic success in Minnesota. He stated that the most important thing in the matter of the rally is the faithful state central committee and officials that can Minnesota. He made a thorough inspection of the work being done in the city, and was particularly pleased with the work of Chairman Rosing during the day.

Mr. Stevenson speaks with considerable encouragement to the Democrats in Illinois, and he says, has been tested by a practical means by the organization of the Democratic club in that state. He says that Mr. Stevenson, there is every reason to believe that the head of the ticket will carry the state by a liberal majority. He thinks that the Democrats in the city of Chicago will settle the contention.

Mr. Stevenson has recently made visits to West Virginia and Kentucky, and finds the situation in both those states hopeful for the Democracy. He says the organizations are especially strong in these states, and also in the entire Middle West.

Eighth ward Democrats held a rousing meeting last evening at St. Bernard's hall, Rose and Alameda streets.

The air was chilly and the wind heavy but this in no way detracted from the attendance or the enthusiasm displayed. Edward Peterson, the Democratic candidate for register deeds, and Louis Betz, who heads the principal speakers of the evening, Mr. Peterson spoke at length, his theme being imperialism and militarism. He contended that these two evils were the most dangerous to national politics, but were local as well. His speech was a telling effort and drew much applause. In a brief review of the local Democratic candidates, he pointed out the qualifications of the party, and asked for their solid support of Eighth ward voters.

Louis Betz spoke briefly, but he was so eloquent in his remarks that he said that if every ward in the city displayed as much enthusiasm as the Eighth, not a man on the Republican ticket would be elected. He predicted victory, but advised his hearers not to be over-confident, but to go to the polls and vote their sentiments.

Clemens Dehald, who presided, spoke in German, appealing to those present to see that the ticket was voted from top to bottom.

Among other who made short talks, were James Rochford and George Lelands. Next week a German voters' club will be organized at St. Bernard's hall.

The Second ward Democratic headquarters, on East Third street, was the scene of an enthusiastic meeting last night. The speakers of the evening, Mr. Peterson addressed the gathering, and the meeting was a very happy one.

Dr. A. J. Stone, candidate for congress in the First ward, presided at the meeting. He gave his principal audience a strong array of reasons why they should give their moral support to the Democratic ticket, from the head to the tail. He pointed out the Democratic ticket in the national campaign, and handled the state matters with good results. Among other statements he made, he said that the war in the Philippines had already cost the government of the United States more money than all the imports and exports with that country could furnish in the next ten years, and that nothing of the lives of American soldiers that have been lost in the bloody encounter.

Among the other speakers was T. R. Kane, nominee for county attorney, who spoke eloquently. Mr. Kane stated that Dr. Stone for congress was strong in the city of St. Paul to elect him. He made an earnest plea for the voters' support in behalf of Dr. Stone. John B. Irvine, nominee for county surveyor; Louis Betz, who heads the office of county auditor; William J. Preston, candidate for county commissioner, and Edward Peterson, nominee for register of deeds, gave rousing speeches, and did also Frank Ford, nominee for judge of probate, and Conrad Miller. All the speeches were to the point and heartily received.

The Franco-American Registration club will meet this evening at French hall, Cedar and Tenth streets. This meeting is to be held in the interests of the Democratic members of the club. Next week the Republican branch will have charge. President Des Lauriers will preside with equal dignity at both meetings. Several good speakers are expected to be on hand this evening.

C. H. Effertz, whom the Populists put on their ticket as candidate for the legislature from the Fifth ward, declines the honor. Mr. Effertz says he is a Democrat.

It Is Hoped the Democratic Judges Will Not Inquire as to Their Qualifications Too Closely.

Gov. Lind and Senator M. J. Daly, fusion candidate for congress, will speak together at a Democratic rally in Glenwood this evening, and the Democrats in that county are looking forward to the biggest meeting they have had during the campaign.

A parade of 500, largely small boys, followed Congressman Morris and Fletcher and Thomas H. Shevlin to a mass meeting for the Republican ticket at Anoka last night. There was no manifestation of enthusiasm, and the addresses were devoted to a defense of Morrison and various legislation which has come up during his service, the Porto Rican tariff bill, however, being conspicuous by the delicate way in which it was entirely ignored.

Mrs. Etta Holmes, president of the Minneapolis Women's Bryan club, was at Democratic headquarters this morning, making arrangements for establishing a similar club in St. Paul. Mrs. Holmes will call a meeting of St. Paul women for the purpose of organizing in a few days.

The First ward Democratic city and county organization held a business meeting at the ward headquarters, Bedford and Decatur streets, last night. After the business which pertained to registration today was finished, speeches were made by the following gentlemen: J. O. Federber, candidate for the legislature from the First and Second wards; J. E. Ahern, E. Kingsburg, E. N. Helms and T. A. Cleveland, of Oregon. The meeting was well attended and all present expressed willingness to work hard and longer than ever during the remaining weeks of the campaign.

The executive committee of the Democratic city and county organization will meet at 2 o'clock this afternoon. A good attendance is desired, as there is some very important business to come up for consideration.

ITINERARY OF HANNA. Route of the Ohio Senator Through This State Laid Out.

WINONA, Minn., Oct. 15.—The itinerary for the trip of Senators Hanna and Frye through Minnesota, from Winona to Watertown, S. D., has been arranged. They will pass through Mankato on a special train at 5 a. m., the early hour precluding any speech here. The first stop for an address will be made at Owatonna at 8:45 a. m. The time of reaching other stations where there will be stops for speeches will be as follows: Waseca, 9:30 a. m.; Mankato, 10:45 a. m.; Tracy, 2:30 p. m.; Marshall, 3:30 p. m. A stop of fifteen minutes will be made at each of these places for addresses, at the time of the stop at Mankato lengthened to three-quarters of an hour. Leaving Marshall at 3:45 p. m., the train will reach Watertown at 6 p. m., and an evening address will be made at that point. The North-Western road announces special excursion rates to the different points at which speeches will be made, and wherever necessary special trains will be run. The country coach will be run from Rochester to Owatonna, leaving Rochester at 7 a. m., a little in advance of the Hanna special.

HANNA AS A SPELLBINDER. Six Addresses in Wisconsin by McKinley's Manager.

MADISON, Wis., Oct. 15.—Senator Hanna began his speechmaking tour of addresses in Wisconsin, two of them of some length. The principal addresses of the day were made at Wausau, where the special train carrying Senators Hanna and Frye and other Republican leaders, was held for over an hour, and at Madison. At each of these places Senator Hanna made two addresses, and speeches were also made at Racine Junction and Racine. Senator Hanna was everywhere greeted by immense crowds, his reception at Madison being particularly enthusiastic. In his speeches today Senator Hanna laid particular stress on the trust question and the position of the Democratic party in regard to the tariff.

"There are no more trusts in this country," said he, "except those which are protected by a patent issued by the government. Senator Hanna also said that the Standard Oil trust, the Sugar trust and other great combines had been killed so far as they were trusts, by the Sherman law.

Will Speak in Minnesota. CHICAGO, Oct. 15.—Gov. Shaw, of Iowa, will speak at the Republican national headquarters today. Gov. Shaw left this afternoon for Michigan, where he will make two speeches, Detroit and Coldwater. From Michigan he will go to Wisconsin for two days and the into Minnesota for three days.

CONTINUED FROM FIRST PAGE.

Many of the old time Republicans have grown tired of Heatwole and his political machine methods and will either vote for his opponent or refrain from voting entirely. Albert Schaller, who spoke here two weeks ago, made a good impression with our people and will carry the county by a handsome majority. The national ticket is stronger in McLeod county than it was four years ago, while the Lind has deservedly grown in public esteem and popularity during the past two years and will receive a greatly increased vote over that of two years ago.

—R. H. MURPHY, Chairman Democratic County Committee.

Will Do Handsomely for Lind and His Ticket. FULDA, Minn., Oct. 15.—The campaign in this county is being prosecuted by the opposition to the Republican party with vigor and in such a manner that insures the success of the entire ticket, national, state and county, at the polls next November.

On the 11th inst. Senator Nelson spoke in Brydahl in behalf of the Republicans, but especially in behalf of his own election to the United States senate again, and the principal reason given why he should be elected was that he was a Republican, and that he was a Republican.

The outlook for a clean sweep and the election of every nominee on the Democratic and People's ticket, with the possible exception of the two congressmen, is by a majority from 150 to 500 votes; the election of Gov. Lind by a majority of 250 to 600, and Mr. Bryan will carry the county by a majority of 200 to 500.

Mr. J. M. Bowler for the opposition to the Republicans, spoke at Iowa, this county, on 11th inst., at Fulda, 12th, and Currie on 13th inst. He had his best meetings at each place. —M. J. MORRISON, Chairman Democratic and People's Party Executive Committee.

Will Swell the Democratic Majorities of All Candidates. LITTLE FALLS, Minn., Oct. 13.—Wm. J. Bryan, John Lind and Henry Truesen will carry Morrison county. Mr. Lind by a very large majority. Mr. Bryan and Truesen by substantial pluralities. Four years ago, through the marking of both Palmer and Bryan electors, enough votes were thrown out to prevent McKinley's election by a narrow margin. This year there can be no confusion of that kind. Lind carried the county by 577 in 1898, and while he may have lost some, we know that he will carry a number of voters who were against him two years ago, but will support him this year. The same is true in regard to the national ticket. Indications point to a number of voters who were against him two years ago, but will support him this year. His vote will be away ahead of that of four years ago. Yours, —J. M. LAMBERT, Chairman Democratic County Committee.

Lind Will Carry the County by Larger Vote Than Before. ST. PETER, Oct. 13.—Prospects in Nicollet county are very bright for the Democratic party. We have an exceptional strong county ticket. The candidates are working hard. Gov. Lind will carry the county by as large if not larger majority than he did two years ago. He will certainly carry a number of voters who were against him two years ago, but will support him this year. The same is true in regard to the national ticket. Indications point to a number of voters who were against him two years ago, but will support him this year. His vote will be away ahead of that of four years ago. Yours, —J. M. LAMBERT, Chairman Democratic County Committee.

Gov. Lind's Popularity Has Not Waned in the Least. HINCKLEY, Minn., Oct. 15.—The political situation in Pine county is clearing up somewhat and with better prospects for the Democratic ticket. Bryan will certainly gain the vote of the majority of the county. John Lind's popularity has not waned since the last election, and he will go out of the county with a larger majority than he had ever before. The vote on a congressman will be close with the advantage slightly in favor of Morris, who is strong in the north end of the county. We will certainly carry the balance of the state ticket will receive the regular Democratic vote, with the exception of R. C. Saunders, candidate for attorney general, whose candidacy will be strongly endorsed by the county. Notwithstanding efforts to do so, party lines will not be closely drawn on county officers. The Germans are supporting Lind and Truesen almost to a man.

Be Duplicated. ST. PAUL, Oct. 13.—The county campaign has only just begun, and it is hardly possible to forecast with accuracy the result on the local ticket. I have no doubt but what the Democrats will have the pleasure of seeing a number of their candidates elected to the county offices this fall. Some of them are as good as elected now, and with the right kind of work we should elect every man on the ticket. We will certainly secure more seats in the legislature than two years ago. Ramsey county will, I believe, do better for the head of the ticket than it did two years ago when Bryan, Lind and Truesen carried the county. Lind's administration has been such that the people living here in St. Paul, with their knowledge of his acts, will approve with a hearty majority. Four years ago the county was carried for McKinley by 5,500 plurality. Conditions have so changed that McKinley will lose Ramsey county. We will certainly have men into voting against their convictions this fall. They are going to be allowed to vote as their consciences dictate. There are a number of voters who were against him two years ago, but will support him this year. His vote will be away ahead of that of four years ago. Yours, —J. M. LAMBERT, Chairman Democratic County Committee.

Gov. Lind's Vote Expected to Show an Increase. PERGUS FALLS, Minn., Oct. 13.—Otter Tail county promises to show a gain for the People's party and Democratic ticket this year. There have been 668 "second papers" issued since the last election, which means that that number of voters disfranchised in 1898 can vote this year. About a quarter of these are Republicans. The new vote by immigration is largely Republican, but will not offset the anti-Republican gain by naturalizations. The vote on a congressman will be close, about equal that of 1898. Gov. Lind's majority in the county will probably show an increase over 1898, as men of all parties agree he is the best governor the state has ever had. In 1898 Lommen, for congress, carried the county by 489. In 1898 Ringdal carried it by forty-seven. This is Daly's home county, and he is immensely popular here. He will probably have 800 plurality over Eddy. There are now two state representatives of each party. There is every prospect that the fusionists will carry more this year. The county ticket fight is a hot one. At present the Republicans have a majority of the offices. They are likely to lose the superintendent of schools, the county clerk, and possibly the county attorney this year, while the fusionists will certainly elect the sheriff, an office held by an independent for eight years past.

A County That Gave Ensis a Majority Now for Lind. PIPESTONE, Minn., Oct. 13.—Pipestone county politics have been exceedingly quiet, but are warming up rapidly. Two years ago the county gave Ensis a majority of 28 over McKinley. The Republican county ticket was elected, owing to a division in the reform forces, which does not exist this year. The German vote which was almost wholly McKinley's four years ago, as well as the Scandinavian vote, is now just as solidly Bryan's. The Boer war and McKinley's refusal to sympathize has done much to undermine the administration of the county.

Outlook Is Very Good for Lind to Start With. OWATONNA, Minn., Oct. 12.—Our candidates for county ticket just started to work, consequently can't say what the prospects are. The outlook is very good especially for Lind and Brown and our legislative candidate, —M. J. Virtue. Yours truly, —W. J. CAUSEWITZ, Chairman County Central Committee.

From That Stronghold. ST. CLOUD, Minn., Oct. 12.—The campaign in Stearns county opens Monday with a speaking tour of the entire county. Hon. Henry Truesen, candidate for congress, and Hon. David T. Colburn, candidate for judge of probate, will deliver nineteen speeches each, during the week and all the local candidates will accompany them on the trip. The party has not been so harmoniously

Democrats Will Do as Well as Two Years Ago. BENSON, Minn., Oct. 12.—Judging from the conditions as they exist in this county at the present time, I would say that Bryan will carry the county by a small majority. Lind, should certainly carry the county by at least as large a plurality as he received two years ago, his vote then exceeding that of Ensis by about 600. In the congressional contest the fight will be close, I believe the county will be divided almost equally by Daly and Eddy. Up to this time the Republicans have given the political situation more attention than they have their opponents, but now on the Democrats and their co-laborers expect to put in some vigorous work. —J. LUIS THORSON, Chairman Democratic County Committee.

Gov. Lind's Strength Increased in That Stronghold. GLENWOOD, Minn., Oct. 12.—No definite statement can be made at this time as to the political outlook in this county, other than to say that this is a Republican stronghold. The same interest is not being taken in the national ticket as is usual at this date. Gov. Lind has many friends here, and his vote will show an increase over 1898. In county matters, owing to the unusually "spotted" ticket nominated by the Republicans, more interest is being taken. Several independent Republicans are running, some of whom have been endorsed by People's party, and a fast fight is being waged. Just what figure these county fights and mixups are to cut in the congressional contest, I cannot say, but it would seem impossible that they should not result advantageously to the fusionists all along the line. —JOHN R. IRWIN, Chairman County Committee.

Gov. Lind's Popularity Has Not Waned in the Least. HINCKLEY, Minn., Oct. 15.—The political situation in Pine county is clearing up somewhat and with better prospects for the Democratic ticket. Bryan will certainly gain the vote of the majority of the county. John Lind's popularity has not waned since the last election, and he will go out of the county with a larger majority than he had ever before. The vote on a congressman will be close with the advantage slightly in favor of Morris, who is strong in the north end of the county. We will certainly carry the balance of the state ticket will receive the regular Democratic vote, with the exception of R. C. Saunders, candidate for attorney general, whose candidacy will be strongly endorsed by the county. Notwithstanding efforts to do so, party lines will not be closely drawn on county officers. The Germans are supporting Lind and Truesen almost to a man.

Gov. Lind Will Again Carry This County. STILLWATER, Oct. 12.—So far the campaign in Washington county has been very quiet. Both parties are now getting down to work and we expect a lively campaign from now on. From present indications McKinley's plurality of four years ago will be reduced fully 50 per cent.

Another County That Will Show Democratic Pluralities. BRECKENRIDGE, Minn., Oct. 13.—The political outlook in Wilkin county is very favorable for the success of the Democratic ticket. In national politics the county will undoubtedly carry the party ticket. The county will carry with a majority greater than that of two years ago.

Republicans Will Get Hard Jobs, Especially Taxpayers. WINONA, Oct. 12.—In response to your request for a statement of political conditions in Winona county, I would report that they are very favorable for the national, state and congressional tickets. I am receiving many reports from committee men throughout the county to the effect that many former Republicans are leaning strongly to Bryan, Lind and Brown, and more especially to the latter two.

Five to Ten Per Cent Gain Promised Democratic Ticket. LIVERNE, Minn., Oct. 12.—This is one of the strongest Republican counties in the Second congressional district. The Republicans have been in possession of all the county offices ever since it was organized; therefore, we are obliged to meet and contend with them. Our success means individual gains for themselves. Notwithstanding the odds against us, we have, by putting forth every effort, secured a number of seats in the county offices this fall. Some of them are as good as elected now, and with the right kind of work we should elect every man on the ticket. We will certainly secure more seats in the legislature than two years ago. Ramsey county will, I believe, do better for the head of the ticket than it did two years ago when Bryan, Lind and Truesen carried the county. Lind's administration has been such that the people living here in St. Paul, with their knowledge of his acts, will approve with a hearty majority. Four years ago the county was carried for McKinley by 5,500 plurality. Conditions have so changed that McKinley will lose Ramsey county. We will certainly have men into voting against their convictions this fall. They are going to be allowed to vote as their consciences dictate. There are a number of voters who were against him two years ago, but will support him this year. His vote will be away ahead of that of four years ago. Yours, —J. M. LAMBERT, Chairman Democratic County Committee.

Increased Democratic Vote Assured All Along the Line. SHAKOPEE, Oct. 13.—At this time the outlook for the Democrats in this county is very favorable. The Democratic party being strong in this county it naturally produces factions within the party, which resulted in a loss and injury to the state and congressional tickets. This year, however, all this is changed. The Democratic county convention was the largest and most harmonious ever held, nominated a strong ticket. The fusionist vote is a thing of the past. In 1898 Bryan carried a majority of 590; this year he will go out of this county with a majority of not less than 1,000. In 1898 Lind, out of less than 2,000, had a majority of 400. This year will be increased this year, and Lind's administration will be indorsed with 1,100 to 1,150 majority. In 1898 Hinds had a majority of 400. This year he will have 1,100 majority. Henry C. Koerner, candidate for state treasurer, will lead the ticket, and his native county will start him out with a majority.

Hopes to Do Better by Lind Than in 1896. ST. JAMES, Oct. 13.—The Democratic meeting at the opera house in this city, Oct. 12, was large and appreciative. A pleasant feature was the presence of Gen. Moses E. Clapp, who sat upon the stage and heard the eloquent T. D. O'Brien deliver an oration that greatly interested the audience. Unless all signs fall, he made many votes for the Democratic ticket. It is estimated that McKinley's majority will be reduced 250 to 300 in this county from 1896 vote. Lind about the same as 1898. We hope to do better. —J. J. THORNTON, Chairman County Committee.

Outlook Is Very Good for Lind to Start With. OWATONNA, Minn., Oct. 12.—Our candidates for county ticket just started to work, consequently can't say what the prospects are. The outlook is very good especially for Lind and Brown and our legislative candidate, —M. J. Virtue. Yours truly, —W. J. CAUSEWITZ, Chairman County Central Committee.

From That Stronghold. ST. CLOUD, Minn., Oct. 12.—The campaign in Stearns county opens Monday with a speaking tour of the entire county. Hon. Henry Truesen, candidate for congress, and Hon. David T. Colburn, candidate for judge of probate, will deliver nineteen speeches each, during the week and all the local candidates will accompany them on the trip. The party has not been so harmoniously

Gov. Lind's Popularity Has Not Waned in the Least. HINCKLEY, Minn., Oct. 15.—The political situation in Pine county is clearing up somewhat and with better prospects for the Democratic ticket. Bryan will certainly gain the vote of the majority of the county. John Lind's popularity has not waned since the last election, and he will go out of the county with a larger majority than he had ever before. The vote on a congressman will be close with the advantage slightly in favor of Morris, who is strong in the north end of the county. We will certainly carry the balance of the state ticket will receive the regular Democratic vote, with the exception of R. C. Saunders, candidate for attorney general, whose candidacy will be strongly endorsed by the county. Notwithstanding efforts to do so, party lines will not be closely drawn on county officers. The Germans are supporting Lind and Truesen almost to a man.

Gov. Lind Will Again Carry This County. STILLWATER, Oct. 12.—So far the campaign in Washington county has been very quiet. Both parties are now getting down to work and we expect a lively campaign from now on. From present indications McKinley's plurality of four years ago will be reduced fully 50 per cent.

Another County That Will Show Democratic Pluralities. BRECKENRIDGE, Minn., Oct. 13.—The political outlook in Wilkin county is very favorable for the success of the Democratic ticket. In national politics the county will undoubtedly carry the party ticket. The county will carry with a majority greater than that of two years ago.

Republicans Will Get Hard Jobs, Especially Taxpayers. WINONA, Oct. 12.—In response to your request for a statement of political conditions in Winona county, I would report that they are very favorable for the national, state and congressional tickets. I am receiving many reports from committee men throughout the county to the effect that many former Republicans are leaning strongly to Bryan, Lind and Brown, and more especially to the latter two.
