

Drunkards Easily Cured

Miss Edith Williams Wants Every Lady Reader of This Paper to Know How She Saved Her Father.

Used an Odorless and Tasteless Remedy in His Food Quickly Curing Him Without His Knowledge.

Trial Package of the Remedy Mailed Free to Show How Easy It Is to Cure Drunkards.

Nothing could be more dramatic or devoted than the manner in which Miss Edith Williams, Box 38, Waverlyville, O., cured her drunken father after years of misery, wretchedness and almost unbearable suffering.

MISS EDITH WILLIAMS. "Yes, father is a reformed man," she said, "and our friends think it a miracle that I cured him without his knowledge or consent. I had read how Mrs. Kate Lynch, of 22 Ellis st., San Francisco, Cal., had cured her husband by using a remedy secretly in his coffee and food and I wrote Dr. Haines for a trial. When it came I put some in father's coffee and food and watched him closely, but he couldn't tell the difference, so I kept it up."

"One morning father got up and said he was hungry. This was a good sign, as he rarely ate much breakfast. He went away and when he came home at noon perfectly sober I was almost frantic with joy, as I hadn't seen him sober for half a day before in over fourteen years. After dinner he sat down in the big easy chair and said, 'Edith, I don't know what has come over me, but I hate the sight and smell of liquor and am going to stop drinking forever.' This was too much for me and I told him then what I had done. Well, he both had a good cry, and now we are the happiest home and the kindest father you can imagine. I am so glad you will publish this experience for it will reach many others and let them know about that wonderful Golden Scepter."

Dr. Haines, the discoverer, will send a sample of this grand remedy free to all who will write for it. The remedy is mailed free to show how it is used in tea, coffee or food, and that it will cure the drunk habit quickly and permanently. Send your name and address to Dr. J. W. Haines, 284 Glenn building, Cincinnati, Ohio, and he will mail a free sample of the remedy to you, securely sealed in a plain wrapper, also a letter explaining the remedy and testimonials from hundreds who have been cured, and everything needed to aid you in curing your father. You can get a life of degradation and ultimate poverty and disgrace. Send for a trial package today. It will be mailed to you free of charge.

PARIS EXPOSITION.

Ill Feeling Over Uncertainty as to Closing Date.

PARIS, Oct. 27.—The exposition exhibitors are experiencing unpleasantness in not knowing whether the exposition will close on the date originally set, Monday, Nov. 5, or whether the announcement made Wednesday, that it would be prolonged till Nov. 11, is actually. The exhibitors and public are further worried by the insurance displayed at the local offices of the exposition, where a representative of the Associated Press was told today that the prolongation was not a happy thing, but that it was necessary. In the meantime the exhibitors are in a quandary, not knowing how to proceed with contracts and other details of getting exhibits ready for the grounds. Many say they intend to commence dismantling Nov. 6, which is a day after the original date set for closing. They will be unable to remove the goods from the grounds, however, for the authorities have given instructions not to allow the taking of boxes or material from inside the grounds. The situation is causing some feeling, and it is certain confusion and disarranged exhibits will be presented to view should the prolongation occur.

Severe Storm at Preston.

REWARD OF MERIT.

A New Catarrh Cure Secures National Popularity in Less Than One Year.

Throughout a great nation of eighty million it is a decided struggle to secure even a recognition for a new article to say nothing of achieving popular favor, and yet, within one year Stuart's Catarrh Tablets, the new catarrh cure, has met with such success that today it can be found in every drug store throughout the United States and Canada. To be sure, a large amount of advertising was necessary in the first instance to bring the remedy to the attention of the public but every one familiar with the subject knows that advertising alone never made any article permanently successful. It must have additional absolute, undeniable merit, and this the new catarrh cure certainly possesses in a marked degree.

Physicians, who formerly depended upon inhalers, sprays and local washes or ointments now use Stuart's Catarrh Tablets because, as one of the most prominent stated, these tablets contain in pleasant, convenient form all the really efficient catarrh remedies, such as red gum, Guaiac, Eucalyptol, and Sanguinaria.

They contain no cocaine nor opiate, and are given to little children with entire safety and benefit. Dr. J. J. Reltiger, of Covington, Ky., says: "I suffered from catarrh of my head and throat every fall, with stoppage of the nose and irritation in the throat affecting my voice and often extending to the stomach, causing catarrh of the stomach. I bought a fifty cent package of Stuart's Catarrh Tablets at my drug store and carried them in my pocket and used them faithfully, and the way in which they cleared my head and throat was certainly remarkable. I had no catarrh last winter and spring and consider myself entirely free from any catarrh trouble."

Mrs. Jerome Ellison, of Wheeling, W. Va., writes: "I suffered from catarrh nearly my whole life and last winter my two children also suffered from catarrh of the nose and throat so much they were out of school a large portion of the winter. My brother who was cured of catarrh of the nose and throat by using Stuart's Catarrh Tablets urged me to try them so much that I did so and am truly thankful for what they have done for myself and my children. I always keep a box of the tablets in the house and at the first appearance of a cold or sore throat we nip it in the bud and catarrh is no longer a household affliction with us."

Full sized packages of Stuart's Catarrh Tablets are sold for fifty cents at all druggists.

IT IS A KNOTTY CASE.

Ownership of a Chamber of Commerce Membership Contested.

C. B. Tracey and D. M. Robbins are the principals in an action now before the district court, which involves title to a membership in the Minneapolis Chamber of Commerce. Mr. Tracey has begun an action in the court to compel the Chamber of Commerce to issue the certificate to him. Mr. Robbins has in the meantime intervened, basing his title to the membership on the ground that he purchased it at a judgment execution sale, the execution having been levied on the property of A. J. Minkler.

Minkler subsequently filed a petition of bankruptcy, and this fact complicates the matter. The case will be tried next week.

ORDERED TO STAND ASIDE

THIRD CONGRESSIONAL DISTRICT SUIT ON USE OF THE WORD "POPULIST"

SCHALLER CITED IN COURT

Claim Is Set Up That There Is No "Populist" Party—Case Will Be Tried at Fairbault Tuesday.

RED WING, Minn., Oct. 27.—(Special.)—John R. Lowe, the Mid-Road Populist candidate for congressman in this district, has, through his attorneys, ordered County Auditor Lien to remove the word "Populist" which now appears after the name of Albert J. Schaller, Democratic nominee for congressman, from the official ballot. Lowe claims that there are "Peoples" and "Mid-Road Populist" parties duly organized within the state, but there exists no "Populist" party. In the counties of Goodhue, Dakota and Rice the word Populist appears after Schaller's name, while in the other seven counties in the district the word "Peoples" appears after his name. Schaller has been cited to appear at Fairbault next Tuesday to show cause, if any, why he should be permitted to use the word "Populist" on the ballots in the three counties mentioned. Auditor Lien will consult with Judge Whitton and will abide by his decision. The majority of ballots have already been printed, and if any change must be made new ballots will necessarily have to be printed, which means an extra expense for the counties mentioned.

The Republicans held meetings at the opera house last night. The speakers were Capt. Van Sant, James A. Powers and H. F. Coehens. Large audiences were in attendance.

Stillwater News.

Members of the Democratic county committee were pleased yesterday after the Republican demonstration had been held here the preceding evening. They contrast the attendance at the opera house with that of the audience accorded Gov. Lind when he spoke here. Although the parade and dress circle were filled Friday night, over occupied seats in the balcony and gallery and on the night Gov. Lind spoke here the opera house was crowded. They claim that Gov. Lind's strength is increasing daily and that his plurality in this county will be fully as large if not larger than it was two years ago.

A barn belonging to Mrs. John Karst, on the South hill, was gutted by fire Friday night. The building was not very valuable and the loss is nominal.

LA CROSSE, Wis., Oct. 27.—A severe electrical storm visited La Crosse and the surrounding territory this morning. A heavy fall of rain occurred here.
