

CRONIC NASAL CATARRH

LACROSSE MATCH EASILY WON BY THE ST. PAUL TEAM

BY THIRTEEN GOALS TO FOUR

Firemen's Relief Fund Will Net a Considerable Sum—Four Hundred Spectators in the Park.

Between 400 and 500 people shivered in the autumn sun at Lexington park yesterday afternoon while St. Paul put it all over Minneapolis at lacrosse.

The game was played in a worthy cause, and the fund for the wives and families of the firemen who lost their lives at the transfer fire will benefit by a city sum in the neighborhood of \$100.

From the standpoint of lacrosse the game was not as interesting as it might have been, had the teams been more evenly matched.

The St. Paul team fully bore out the prediction concerning it in yesterday's Globe, and demonstrated that it is entitled to a place in very fast company.

John Armstrong, Stuart and Bryan played brilliantly and to the purpose, no grandstand displays marred their good work.

The twelve players who wore St. Paul colors yesterday, will, if they play together next year, be competitors which will develop in a combination play, without which no team is a factor in any league.

The teams were lined up in the late in the afternoon and when Dr. Burdett finally placed the ball it was 2:30, Jones at center, drew the sphere and transferred to Elliott, the latter to Jones and to Bryan.

The pass was just a little too wide, however, and before the Winnipeg player could recover himself, he was checked by McLeod, who had relieved the indefatigable Jones.

The third game of the West Publishing company club played its fourth game Saturday night at the club rooms.

The Highwood and St. Paul's college eleven met yesterday afternoon on the grounds of the latter in a hotly contested afternoon game.

The college won the toss and took the field. The first play was a touch down scored by Kohlhaase, of the college.

The West Employes' Whist Match. The whist team of the West Publishing company club played its fourth game Saturday night at the club rooms.

North and South—Nelson and McNamara 151, Taylor and Siders 152, Brandhorst and Korff 153, Maclean and Corrie 154, Taylor and Siders 155, Hart and McKernan 159.

Baseball at Santiago. SANTIAGO DE CUBA, Nov. 4.—An international game of baseball played here yesterday between Cuban and American, resulted in a victory for the Americans by a score of 8 to 0.

There were risks. The photograph man would have been shot. They had come from Lower Maryland and wife to have their tinypes taken by a traveling operator at the Marlboro fair a week ago.

A good story. A certain young lady in delicate health was advised by her doctor to take a half-teaspoonful of Scott's emulsion of cod-liver oil after dinner—once a day—and found herself almost suddenly growing robust.

Foreign news notes. Glasgow.—The last of the plague sufferer was dismissed from the hospital today.

EAGLES HAD A GOOD TIME

NEARLY FOUR HUNDRED OF THEM WEST TO STILLWATER

NEW EYRIE IS ORGANIZED

Local Contingent Went Out on a Chartered Train and Took the Town by Storm—A Straw Vote.

The good people of Stillwater now know what F. O. E. means, and Lodge No. 94 is not something to be, but something that is, a good, lively Eyrie—more plainly Eagle's Nest.

Early yesterday afternoon 368 jolly Eagles pulled out from St. Paul on a specially chartered Omaha train.

No sooner had the engineer of the train pulled his steel horse out of the depot shed when a great clamor arose for the straw vote that had been previously announced.

It is possible that a contest may be arranged with the Michigan game next Saturday.

Powers made fast mile. Will Powers, the local cyclist, yesterday broke the season's record over what is known as the Monk course of seven miles from Minneapolis to Mr. Monks' house.

He reduced the record over Monk's course by sixty-one seconds.

ST. PAUL'S COLLEGE WON. Deated Highwood College by 20-0 yesterday.
