

IS MAN EVER AS WEAK?

STRICTLY speaking, not at all, hardly ever, except in extreme old age. UNDERNEATH THE ASHES THE FIRE REMAINS ALIVE. So, too, in the human body, the life force is never extinguished.

WEAK, NERVOUS, IRRITABLE, DEPRESSED, DISCOURAGED UNHAPPY MAN is he who has violated nature's laws. For every violation there is a fixed penalty of Sickness, Decay and Death, and you who have violated this sacred law must pay the penalty right here on this earth, in this life and in the life hereafter.

CALL A HALT! THERE IS HELP FOR YOU.

Dr. Cole is the hope of the Hopeless; their star in the night of despair, a star that has already led untold thousands from the quagmires of disease and suffering up into the green fields of health and happiness.

Dr. Cole is true to the profession; devoted to the sick and infirm in treatment. Has called thousands back from the shadows of the tomb.

DR. COLE'S CREO is the treatment to strengthen young men to reinforce will power—to renew the fire of life—to quicken exhausted pollutions—to force rich, warm blood to feebly throbbing organs—to enlarge atrophied parts and to make a discouraged, despondent, hopeless, withered man once more the pride of his associates. It stimulates courage, awakens confidence, augments endurance and increases power. If you have violated the laws of nature and are now a wreck upon the shores of eternal remorse, you need CREO. Take it, my friend. Take it at once. Consultation free. Confidential.
