TWO OF THE IMPORTANT APPROPRIATION BILLS WERE PUT THROUGH YESTERDAY

POSTAL AND THE DIPLOMATIC

PROVISION FOR SPECIAL MAIL FACILITIES WAS RETAINED AFTER MUCH DEBATE

DAYS WORK IN THE HOUSE

Held a Unanimous Consent Session, in Which a Flood of Private Bills Were Routed Through.

WASHINGTON, Feb. 22.—Two of the great supply bills of the government, the postoffice and the diplomatic and consular appropriation bills were passed by the senate today.

Early in the day, Washington's farewell address, in accordance with a custom of the senate on Washington's birthday, was read, the reader being Senator Bacon, of Georgia.

The reading of the address by Mr. Bacon occupied fifty minutes. It was accorded attention by the senators present.

A resolution of the legislature of Kansas in favor of legislation to prevent unjust discrimination in interstate commerce was presented by Mr. Harris (Kan.) and referred.

Mr. Depew (N. Y.) presented a resolution of the legislature of New York in support of the Seaman's bill.

Consideration of the postoffice appropriation bill was resumed, the question being the motion by Mr. Rawlins to strike out the two paragraphs providing appropriations for fast mail services rendered by the railroads.

Mr. Thurston (Neb.) in support of the appropriation made a factious speech in which he said that the bill was a fortunate position with its irrepressible conflict between the unlawful joint and the illegal hatchet.

Mr. Rawlins' motion to strike out the appropriation proposed was rejected 19 to 45 as follows: Berry, Caffery, Chilton, Dillingham, Fry, Hall, Wadsworth, Jones (Ark.), Kyle, Lodge, Nelson, Pettigrew, Platt (Conn.), Quarles, Teller, Turley and Westcott.

Mr. Butler (N. C.) offered an amendment directing the postmaster general to make an investigation of the question of a postal telegraph system and report his findings to congress, together with the probable cost of establishing the system.

Mr. Depew (N. Y.) offered an amendment, providing that when any publication had been accorded the privilege of second-class mail matter, the privilege should not be withdrawn without a full hearing by the postoffice department.

Mr. Thurston (Neb.) called upon the conference report on the Indian appropriation bill. He said that two matters had been embodied in the report which were not directly at issue between the two branches of congress.

Mr. Nelson (Minn.) made a point of order against the proposition inserted by the conference as to the disposal of the timber on the Minnesota reservations.

NEW YORK CITY'S NEW POLICE CHIEF

MICHAEL C. MURPHY TAKES CHARGE UNDER SINGLE-HEADED COMMISSION LAW.

NEW YORK, Feb. 22.—The police situation, which has been unsettled for at least two years and which has all the time been working to a climax, especially since the recent introduction of the police bill at Albany, reached its climax this afternoon when Col. Michael C. Murphy, of the board of health, was appointed commissioner and chief of police of the city of New York.

Commissioner Murphy at once transferred Capt. Westervelt from the precinct in which the street rail head occurred, the Church street district, to Charles street station.

Commissioner Murphy, in an interview, said: "I have entered upon my duties as commissioner of the police of New York at the best in the position. I will endeavor to enforce the laws as I find them, no matter who tries to interfere with those laws."

TO RETURN TO PEKIN.

LATEST SHANGHAI RUMOR REGARDING CHINESE COURT.

LONDON, Feb. 23.—The Standard has received the following from its correspondent at Shanghai:

ONLY GENUINE CROWE

THE REAL, BONA FIDE PAT SAYS HE HAD NOTHING TO DO WITH IT

MAILED A LETTER TO CUDAHY MUCH-WANTED MAN WOULD BE WILLING TO COME IN AND SURRENDER

BUT HE FEARS LYNCHING Pinkerton Officials and Omaha Police Chief Express the Opinion That the Letter Was Written by Crowe Himself.

OMAHA, Neb., Feb. 22.—Pat Crowe has been heard from under circumstances which indicate that he is soon to make public appearance.

E. A. Cudahy is in receipt of a letter bearing Crowe's signature. The handwriting has been tested by comparison and it is the opinion of the Pinkerton Chief Detective and other authorities that the signature is genuine.

Owing to the fact that the letter is now in the Pinkerton office, Chicago, and that no copy was retained here, Mr. Cudahy is unable to repeat verbally. Mr. Cudahy and Chief Donahue have made its contents known, however. Crowe explains in the letter that he has heard the Omaha police are looking for him and believe him to be one of the kidnapers of Edward Cudahy Jr.

He maintains that he is innocent, and said that he has no knowledge of the affair with the exception of what he has read in the newspapers. He says that he would like to come here with safety, and prove himself innocent, and that he would have done so long ago had he not been afraid that he might suffer the fate of the negro who was lynched at Leavenworth.

Crowe says that Omaha people must have cooled off considerably by this time and expresses the opinion that he will soon be able to come here with safety. He makes an appeal to the chief of police and Mr. Cudahy for protection, and says he will expect them to stand between him and violence. In conclusion he says he is much hurt to think that Mr. Cudahy should have been guilty of the kidnaping and expresses his appreciation of the kindness Mr. Cudahy has shown him in the past.

HANDWRITING COMPARED. "When I received this letter," Mr. Cudahy explained, "it was determined not to take too much for granted, so I sent it to Chicago, as I know Mr. Pinkerton has samples of Crowe's writing and he would be able to identify it without difficulty. A few days later I heard from Mr. Pinkerton. He said he had compared the writing with a sample of Crowe's and that they were the same beyond question. I would not be surprised now if Crowe should show himself almost any time. I believe the letter was written in good faith."

"I don't think it was written in either Omaha or South Omaha. It bears the date line 'South Omaha, Neb., Feb. 15,' but the postmark on the envelope showed that it had been mailed in Omaha. It was probably written some distance from here and sent in a separate envelope to some friend in Omaha or South Omaha, who remailed it. This was done for the obvious purpose of keeping his present whereabouts a secret. He evidently wants to come in voluntarily, but is being held back by the honor of having captured him."

TWO MORE ARRESTS. Kansas City Police Pick Up Alleged Cudahy Suspects. KANSAS CITY, Mo., Feb. 22.—Rhody Redmond, an Omaha longshoreman, whose place in that city is said to have been frequented by James Callahan before the latter was arrested for complicity in the Cudahy kidnaping, was arrested here today. Chief of Police Hayes examined the prisoner and then had a talk with Chief Donahue, of Omaha, over the telephone. Chief Donahue requested that the prisoner be released on his promise to report to Omaha immediately. Alex Ricketts, of Argentine, Kan., a suburb of Kansas City, was arrested with Redmond, but no charge could be placed against him and he, too, was released.

DR. KENNEDY MUST FACE THIRD TRIAL

JURY TRYING HIM FOR MURDER OF DOLLY REYNOLDS FAILED TO AGREE.

NEW YORK, Feb. 22.—The jury in the second trial of Dr. Samuel J. Kennedy, under indictment for the murder of Dolly Reynolds, today disagreed, and the accused in again in the Tombs in the cell formerly occupied by Roland S. Bolleux. The verdict of the jury was awaited with interest.

Mrs. Kennedy arrived early at the criminal court's building, after a sleepless night, and was accompanied by her father and mother. While waiting Mrs. Kennedy had a visit from Gen. E. L. Millneux, who called to express his sympathy.

The jury came in at 2:45. They had been out twenty-three hours and five minutes; and been up practically all night, and they were so tired that several of them were hardly able to walk. After the usual questions from the judge as to whether the jury had agreed upon a verdict the foreman, James Kieber, replied:

"I can speak for myself only. I am unable to speak for the others, as I cannot be persuaded from my position. Justice Fursman discharged the jury with a warning not to disclose to anybody anything that had occurred in the jury room."

Mr. McIntyre then arose and on behalf of the people announced that Dr. Kennedy would have to stand another and a third trial.

After the case had been finished and the jury had been discharged, Dr. Kennedy, with his father and wife, walked up stairs to the parlor and across the corridor from the north to the south. Then Kennedy was taken to the Tombs, his wife and father going out and around the Tombs to the street.

Justice Fursman's warning stopped the usual sources of information as to the ballots taken by the jury, but there is no doubt that the jury stood at the jury box for four or five minutes, and on the last ballot one jurymen went over to Dr. Kennedy's side, and the final vote was seven to five for conviction.

Mr. McIntyre said, after the adjournment of the court, that any motion to admit Dr. Kennedy to bail would be opposed by the district attorney.

IN FLAMES OF WAR.

VENEZUELAN REBELLION REPORTED FAR FROM BEING ENDED.

KINGSTON, Jamaica, Feb. 22.—Advices here today from the island of Trinidad reveal a serious situation in Venezuela. It transpires that Gen. Acosta, the rebel leader, has not been captured, and though his capture has been repeatedly officially and unofficially announced, it is said that he is now being assisted by Gen. Hernandez, Gen. Rolando and supporters of former President Andrade. The extent of the rising is not known to the government. The whole interior of the country is reported to be at the mercy of the rebels, and the ferment is extending to the coast towns. Several steamers, under British charter, flying the British flag, have been destroyed or impressed, and a number of vessels trading with Trinidad have been burned under orders from President Castro. A strong demand is made for the presence of a British war ship.

British Guiana papers express disappointment at the attitude of America.

The steward of the Rio says that he stood beside the captain when the vessel went down, and that he saw the captain's face and saw the captain to the last, but Frederick Lindstrom, the quartermaster officer of the Rio, emphatically declared that Capt.
