CITY NEWS.

Home Lodge, I. O. O. F., give a card party this evening at Central hall, Sixth and Seventh streets. George and Ida Reebie have petitioned the county commissioner to be allowed to adopt Harry Thomas, a seven-year-old child. Charles Fisher was arrested by Patrolman Malquist on a charge of obtaining money under false pretenses from Charles Pappel, a farmer from Iowa. The funeral of Wendelin Weis, who died Wednesday at his residence, 700 St. Peter street, will be held at 2 o'clock tomorrow afternoon. Deceased was eighty-two years of age. Funeral services for Mary Tuna, wife of Thomas Tuna, will be held from the family residence, 411 Jefferson street, tomorrow, at 8:30 a. m., and from St. Stanislaus' church at 9 a. m. Bids will be called for shortly by the board of public works for the paving, with vitrified brick, of Locust street, from Seventh to Tenth streets, and Bradley street, from North to Decatur streets. Fire was caused by the upsetting of a lamp at the home of W. H. Carter, 13 Tilton street, shortly before 9 o'clock last night. The damage amounted to \$100 and is covered by insurance. There was but little change last evening in the condition of Willie Cornell, the boy who is at the city hospital suffering from lockjaw. The physicians say there is a slight chance for his recovery. The Albert Lea Loan and Investment company filed articles of incorporation with the secretary of state yesterday. It has a capital stock of \$25,000. Its incorporators are all residents of Albert Lea. Harry Jones, a twelve-year-old boy wanted to play house and borrowed six chairs and a table from a neighbor's shed yesterday. He neglected to return them to a new hospital proposed for St. Paul, will be held today at which time the plans for the venture will be made public. The company when it is formed will start with St. Luke's hospital as a nucleus. Thomson & Ege, among the occupants of the Tarbox property desired as site for the new county jail, refuse to sign the agreement to vacate until the county

ORGANIZE GRAND LODGE

has accepted the property. They fear that the grant will be involved in litigation. Gov. Van Sant has added another delegate to the number of those recently appointed who will represent the state at the national conference, corrections and charities at Washington in the person of Miss Anna Swanson, of the Red Wing training school. A hearing was accorded property owners yesterday by the board of public works in the matter of the paving of South Washaba street and Eagle street. Few property owners were present, and the two propositions were taken under consideration by the board. A deed was filed with the register of deeds yesterday by which the Horne X Danz plant was transferred to the trust. The document bears \$40 in revenue stamps, which indicate that the property is valued at \$40,000. One hundred dollars is given as the purchase price and other valuable considerations. While no official notice has been given by Dr. Ohage it is pretty well assured that the price for suits and lockers at the public works will be increased this year to 5 cents for the suits and 10 cents for the use of lockers. The necessity of reducing the debt hanging over the institution demands the increase. The new gasoline incandescent lights installed by the city have been so successful that the next contract placed will in all probability call for double the number. When the contract was made 100 were ordered, but only a portion of this number has been placed. The remainder will be installed shortly. A number of mortgage releases were filed yesterday in the office of City Clerk Matt Jensen, their presence being due to the announcement of County Assessor Conley that he would tax all chattel mortgages not satisfied. A number of the loan and installment houses have men at work on their books, and the last part of the week promises to see the office surfeited with dimes, this being the fee for filing a release. Judge Brill now has under advisement the divorce case of Vetelein Belair against Thomas Belair, whom she married Dec. 19, 1888, when she was a widow by the name of Roberts, with a family of children and forty-five years of age. Testimony was to the effect that they quarreled bitterly, and she was driven from the house. They lived at Red Lake Falls. MORE CAN BE RAISED. COUNTY ASSESSOR SEES WAY TO GET FIVE MILLIONS. County Assessor Conley says that the total personal property assessments in Ramsey county should be raised by about \$5,000,000, and that this city is every bit as rich in personal property liable to taxation as Minneapolis. He has just been examining all the data at his command and looking over the assessment rolls of his predecessors, and he says that there has been the cause of the determination arrived at. He says he does not propose to get the additional valuation from the wealthy, but from the poorer class, but from those of the richer class who are not paying a proportionate share of taxes. Speaking of his future plans yesterday afternoon the county assessor said: "The object of this office will be to see that each man pays his just proportion of taxes, and no new taxes will be employed to get at the property which has hitherto escaped. We will merely use great care and diligence, and I shall use my best work for the most difficult work. They will all be polite and courteous and will leave no stone unturned to gain all the information necessary. The assessor is not bound by the sworn return of the taxpayer in making his entries on the assessment book and this should be understood. All chattel mortgages will be included in the assessment. One brewery has been in the neighborhood of \$20,000 on the chattel mortgage book, but that is only an instance. Assessed breweries have generally paid a fair tax."

ORDER IS GROWING RAPIDLY

Has Been in State but Six Months, and Has Membership of About Eighteen Hundred. Nearly fifty representatives of lodges of the Knights of the Royal Arch from all over the state met at Pfeiffer's hall yesterday morning and organized a grand lodge of the order for the state. The lodge, which is new in Minnesota, was organized for the protection of those engaged in the liquor business and those having dealings with the same, has grown rapidly in the past six months and already there is a membership of about 1,800 in the state. There are seven lodges in the state. The order was originally organized at Hot Springs, Ark., about three years ago and since that time has continued to spread over the other states of the Union. The supreme lodge meets at Cincinnati, O., on May 14 next, when the matter of the amount of life insurance to be given will be taken up. The session yesterday was a complete success and the grand lodge officers for the ensuing year were elected. A. J. Schweizer, of St. Paul, was elected grand and valiant commander. The other officers elected were: Grand commander, P. F. Martin, Minneapolis; grand recorder, Charles T. Jessing, St. Paul; grand treasurer, F. G. Bohlig, Minneapolis; grand captain of guards, S. Wilbur, Mankato; grand orator, A. C. Kuhfeldt, Moorhead; grand master of ceremonies, Edward Rohbeck, St. Paul; grand tyler, H. F. Gies, East Grand Forks. The grand lodge is entitled to two delegates to the supreme lodge and these will be elected at the session this morning. A committee on constitution and by-laws will also be appointed by the grand commander. The following committees were appointed at yesterday's session: Committee on Resolutions—Edward Rohbeck, chairman; F. G. Bohlig, Minneapolis; H. P. Gies, East Grand Forks; A. C. Kuhfeldt, Moorhead; W. R. Kelly, Mankato; J. McClelland, Duluth. Reception—Edward Rohbeck, P. F. A. Barbeau and A. Holm. Entertainment—W. L. Perkins, John Hirsch and R. N. Grady. At 10 o'clock this morning a short session will be held at 2 o'clock this afternoon the delegates to the grand lodge will be given a carriage ride around the city. The session will conclude with a banquet at Pfeiffer's hall at 8:30 this evening. The committee on refreshments in charge of the banquet is composed of Frank Huber, A. Kampmann and J. B. Arend. There seems to be a sentiment in favor of holding the next grand lodge at Duluth, as most of the officers are from St. Paul and Minneapolis.

CONTRACT HAS BEEN LET

COMMERCIAL CLUB'S NEW QUARTERS HANDSOMELY FITTED UP. When the Commercial club moves into its new home it will be the proudest possessor of quarters known to none in the country. The Germania Life company has already let the contract for the added stories to Laurer Bros., of this city, and the estimate up to the comfortable sum of \$100,000. At first it was believed that the addition could be put on for much less than this sum, but to carry out the work on the splendid scale which has been planned, and to cost the above mentioned sum, and the company will not stint the architect in any way. The contract for the first story is now ready and the iron work has been ordered and will be on hand by the time the tenth story has been reached. The roof garden will be completed and the fittings to be installed by the club will be new throughout. New billiard tables have been ordered, and the club expects to be housed in its new quarters by Sept. 1.

TAX BOARD IS WAITING

NO ONE APPEARS WITH HINTS AS TO REVISION OF LAWS. No one has yet appeared before the tax commission to offer suggestions as to the revision of statutes. The commission is at its office Tuesdays, Wednesdays and Thursdays to receive such suggestions. Arrangements have been made for a small luncheon of the commission next month, May 8 they will be at Crookston; May 9 at Fergus Falls, and May 10 at St. Cloud, where they will hear all plans and suggestions of the people. By accepting these three cities they will have given the residents of a large section of the state an opportunity of appearing personally before them. No doubt there is more interest in the revision of the laws than has been shown by the action of the people thus far. The reticence that has been displayed on the part of the people in appearing before the commission is not helpful to the important work of the latter. Promptness would be appreciated in these matters by the commission.

ALLEGED BURGLARS HELD.

Pewters and Frank Carlo to Be Tried for Grand Larceny. John Pewters, Frank Carlo and Edward Carmody were given a preliminary hearing on a charge of grand larceny in police court yesterday. It is alleged that they entered the house of J. T. Joyce, 115 West Tenth street, last Saturday, and stole silverware. The stolen property was given to Carmody, who was held by the three men charged with the theft. Pewters and Carlo were held to the grand jury, bail being fixed at \$1,000 in each case. Carmody was granted a continuance until this morning, as his implication was not clearly proved.

CHIEF QUARTERMASTER OF DEPARTMENT OF DAKOTAS LADDED DOWN WITH THEM

HE IS A MILITARY POOH-BAH At Present He is the 'Whole Works' at Army Building, and is Working Like a Trojan. Maj. George E. Pond, chief quartermaster for the department of the Dakotas for the present, enjoys the distinction of possessing more official titles than any other officer in the service of Uncle Sam. These titles, a good many of them did not come in the regular course of promotion, and the gallant major would be glad to hand over six or seven to any deserving officer who showed up. Col. Hunter, acting adjutant general and judge advocate for the department, left last night for New York, and with his departure the more lengthy titles were added to the already long list following Maj. Pond's name. At present the official designation of the major reads: Major, G. E. Pond, chief quartermaster, chief commissary officer, chief ordnance officer, chief engineer, adjutant general, judge advocate, depot quartermaster of the department of the Dakotas, and construction quartermaster for the improvement at Fort Lincoln, N. D., a string which would turn an Indian maharajah green with envy.

This imposing list of titles is, as a general rule, distributed among at least eight officers, and each of them is kept busy attending to the duties allotted him. Just now, however, the duties of the officers who have been assigned to departmental positions here are still in the Philippines, and several of those who are quartered here are away on sick leave. The major is kept hustling from morning to night, with the added duties which have been thrust upon him, and he signs his name more than 500 times daily in attending to the merely ordinary routine duties of his multitudinous positions. He does not expect to be obliged to keep up the pressure for more than a few days, and he is confident that he will be able to do so within a reasonable period, he might feel constrained to call upon the strong box of the government for at least a portion of the proceeds which would be realized by the eight gentlemen among whom the work is ordinarily performed.

ENTERTAINED VISITORS

MANAGERS OF ARTS AND CRAFTS OFFER VALUED PROGRAMME. Visitors to the arts and crafts exhibit were entertained in a variety of ways yesterday afternoon. Several of the managers of the department of domestic science at the state agricultural school, instructed a class of girls in drafting a model for a shirtwaist. A number of girls belonging to the B. first grade of the Webster school gave an object lesson in weaving under the supervision of the teacher. Late in the afternoon the Rev. Dr. H. C. Armstrong, delivered a lecture to the young women of the St. Paul School of Fine Arts on colors and the art of rug weaving. The St. Paul "Knights of the Arts and Crafts" club, under the leadership of Mrs. Richard Burton, wife of Prof. Burton, of the state university, were added to the book display.

WANTS STREET VACATED

U. S. ENGINEERING DEPARTMENT PREPARING TO CONSTRUCT A DAM. Maj. D. W. Lockwood, of the United States engineering department, yesterday filed with the city clerk a petition asking for the vacation of a portion of several streets abutting the Mississippi river, the same being for floodway purposes by reason of the lock and dam that is to be constructed near Minnehaha creek. Maj. Lockwood informed the officials that a similar petition had been forwarded to the city last month, but in some unexplained manner it had failed in its passage through the postoffice. All papers and deeds and everything concerning the northern and western parts of the city between the departments at Washington and the offices in St. Paul the delay is considerable and may hamper the work to the extent that the construction of the lock this year will be delayed. A tracer has now been sent out to intercept the lost document. The streets desired vacated and for which a deed is asked are Summit avenue, Marshall street, St. Clair street, Randolph street, James street, and a portion of a sixty-foot road near the latter thoroughfare. The sections desired are those that abut the river, and in each case represent fractional parts of an acre. The petition will receive consideration at the next meeting of the council.
