

GAINS FOR MEN

DUQUESNE MILLS NOW THE CENTER OF THE STRIKERS' ACTIVITY. SIXTY PERSUADED TO QUIT Unless They Return to Work a Number of Other Plants Must Suspend Operations.

PAYMENT OF BENEFITS BEGINS

PITTSBURG, Pa., Sept. 1.—The principal interest in strike matters today was centered in the Duquesne plant, where it was expected the strikers would make a decided move toward closing down the entire works. The report from there tonight says the situation is critical. The two boss melters and all first helpers went to work as usual this morning and all twelve furnaces were charged. Only one second helper went in and all ladle men stayed out. The strikers made a thorough house to house canvass of open hearth men all day. At 10 o'clock, time for helpers and ladle men to go on, pickets were on duty on the streets and turned back three ladle men. The night turn is badly crippled, but men were brought from the mill's furnace department to help out and the mill is running full.

NO NEWS FROM NEW YORK.

President Simon Burns, whose reputed interview with the Star in New York over the long distance telephone is generally believed, said today from New York that he had no news of any non-committal regarding his plans for bringing about peace, but he is hopeful, and evidently believes that some solution of the present strike is in the hands of the Amalgamated association will ultimately be found.

CANNOT FIND FRANCIS

ALLEGED MURDERER IS NOT YET APPREHENDED. Posses Hot on the Man Hunt but Have No Clue—Three Alleged Accessories Are Held.

KANSAS CITY, Mo., Sept. 1.—Bosses Francis, the alleged murderer of Miss Mary Henderson, at Columbus, Mo., last Tuesday, has not yet been apprehended and many people believe that he is no longer in the vicinity of Johnson county. There is no conclusive evidence that the man whom the posse was after last night near Strasburg and Pleasant Hill was Francis. The only persons who saw him were some section hands and today they saw a man running from the railroad in the woods, but they could not tell whether he was a negro or white man.

NEW MEN KIDNAPED.

The strikers stole a march on the manager of the Star 7th plant at about midnight tonight, and took from him nine of a party of twelve non-unionists being taken to the mill. The men arrived over the Pennsylvania railroad from Philadelphia at about 11:30 p. m., and were met by a large force of policemen, who had orders to see that they were safely landed in an omnibus to be driven to the mill at Twelfth street. The policemen in the union station performed their duty successfully, but after the vehicle left the station it was surrounded by a crowd of 200 strikers. Stones and the epithets were hurled at the new comers and in spite of the efforts of the driver of the omnibus to speed his team, the strikers reached the mill at about 12:30 a. m. The men, completely overpowered the union policemen stationed here, and literally carried off nine of the men and lodged them in a hotel on Liberty avenue, the other three being pulled into the mill yard by the company people. The trip from the station to the mill was a most exciting one, as the omnibus got fairly started on its journey, stones, cinders and dirt were hurled at it. A large

PUT IN BUSY DAY

VICE PRESIDENT ROOSEVELT FOUND PLENTY TO DO IN CHICAGO

WENT TO CHURCH IN MORNING

Delivered Two Lay Addresses, Had Luncheon With Several Politicians and Visited Hull House

THEN LEFT FOR TWIN CITIES

CHICAGO, Sept. 1.—Two lay sermons, a luncheon with several Illinois politicians and a visit to Hull house were the events that occupied Vice President Roosevelt in Chicago today. He left tonight for St. Paul, where he will deliver an oration at the state fair tomorrow. After breakfasting at the Chicago club with Paul Morton, of the Santa Fe road, the vice president was driven to the Trinity Dutch Reformed church, on Marshall field avenue. This is the church Mr. Roosevelt usually attends when in Chicago, and he is known personally to many members of the congregation. After the sermon the pastor invited him to the platform, and the vice president, as has been his custom when visiting this church, made a short informal address, telling the worshippers that true happiness could only be found by trusting in God and being faithful to the country.

"I shall not attempt to preach doctrine," he said. "This is to be simply a lay sermon. For my text I have taken a passage that always has impressed me forcibly. It is 'Ye doers of the Word, not hearers only.' One of the most abhorrent traits of character a man can possess, in my estimation, is hypocrisy. I have seen men who have met men who go through the motions of religious observance, but who do not live up to the teaching. 'Love thy neighbor' is the great commandment of the world for us to do. Of course, we must do it to doers. That is, we must go to church and study the Bible, but our duty does not end there. We should give a helping hand to others by spreading the word of Christ. It is well enough to tell a man what he ought to do, but this must be supplemented by some practical demonstration of application. In your business and work if you let Christ's love shine through, you will be a blessing to the world. The man who carries Christ's love into his work stands a better chance of making a success of life than one who does not. Every man should do his duty to his neighbor, but in doing so he should not forget the rights of his neighbor. He should be sure that he is not stepping on the square in the path. If there is any moving to be done let the other fellow do it. This applies to nations as well as to individuals. We have all seen this type of man who is spoken of as his neighbor's worst enemy. I have no patience with him. Often he is a worse enemy to others. A manly man and that is what we all ought to be. We must have strength and power and perseverance. It is the trials of life that test the stuff of a man. If a woman is made of, and the one who is strong, fearless and courageous to do right is the ideal. On this question of duty to our neighbors let me say that no one ought to submit to be imposed upon, but before you do so you should consider the rights of others before standing up for your own. The only true way to help a man is to help him help himself. It is our stumbling many times during a lifetime, and the duty of man to his neighbor is to help him help himself. You can help a man successfully, but you can't carry him successfully. You will have to help him respect, take away his sturdy self-reliance, and no good you can do will make much of it."

When he had finished he stepped down from the platform and mingled with the congregation for half an hour, after which he drove to the First Methodist church, where he delivered a sermon. A number of politicians and members of the legislature were present. Congressman William Lorimer, were waiting for the vice president when he left his hotel, and the party took luncheon together. The affair was private, it is not known whether politics was discussed or not. When the party dispersed Col. Roosevelt walked over to the Hull house and had a private talk with Miss Jane Adams until 11 o'clock, when he left at 8:30 o'clock for Minnesota.

OUR TRADE WITH CUBA

STATISTICS SHOW THAT RADICAL CHANGES ARE GOING ON. Import Business Increases Eleven Per Cent, While Exports Decrease Six Per Cent From Figures of 1900.

WASHINGTON, Sept. 1.—Some figures relating to the export and import trade of Cuba for the first seven months of this year, as compared with a similar period last year, just published by the division of insular affairs, war department, indicate that radical changes are going on in that trade and that the United States and other North American countries are the sufferers in this turn of trade. Thus, it is shown that the exports from Cuba for the period mentioned this year, valued at \$38,053,530, as against \$43,455,655 for the same period last year, while the imports for the same period were worth \$26,997,817, as against \$19,955,492 for the corresponding period in 1900. The imports of the United States diminished 6.4 per cent, and that of other North American countries 15.6 per cent, while Cuba shipped to the United States during the same period 11.1 per cent more goods than during the preceding year, and to the other North American countries 148.3 per cent more.
