PLANS TO MURDER PRESIDENT MCKINLEY WERE MADE A YEAR AGO

SECRET SERVICE UNEARTHED IT

Dokozog's Brother Confesses to Sending the Assassin Money at West Seneca, New York

HERR MOST ARRESTED AGAIN

CLEVELAND, Ohio, Sept. 22.—Investigation made today by Police Inspector Schumuk reveals the startling possibility that a plot to assassinate President McKinley was laid a year or more ago, before he was elected for his second term, and it may have been laid in the peaceful suburbs of Cleveland or in town where the Czolgosz family resided.

A statement made by his brother a month ago led to the investigation that may have an important bearing on the case. The Buffalo department and federal secret service agents have been strong in their belief that there was a plot. One strong element in the belief of the Buffalo and secret service detectives has been the fact that the handkerchief with which the assassin concealed the hand in which he held his weapon was a woman's handkerchief. What is more important is that the handkerchief was tied about the hand in a way that he, it is claimed, would not have been able to tie himself no matter how skillful he might have been. It is now known how much time he might have taken to tie it. The fact that Czolgosz had money impelled the detectives to try to learn whence he got the money. His brother, Waldeck, confessed to having sent it to Leon under the name of Frank Snyder at West Seneca, N. Y. In his search for clues today, Detective Schumuk learned from the neighboring farmers that the Czolgosz boys, Leon and Waldeck, have been readers of Socialist papers for several years. John D. Knox, an aged farmer who lives on the farm of the former Czolgosz farm, said today:

BOYS MADE THREATS.

"The two boys, the one that shot the president, and Waldeck used to come to my house and talk to me about their socialist papers. They brought their papers to me and tried to get me to read them. Once when they were here during the last presidential campaign they got to talking about President McKinley, and one of them said: 'If he is elected he will be shot before he serves out his term,' and then went on: 'I'd serve John D. Rockefeller the same way if I got a chance.' They talked violence all the time and I was glad when they went out of the neighborhood. Almost every night there was a crowd of people at their house. They were over the electric railway so that we could not see them. Sometimes there would be quite a crowd of them."

It is said by other, sisters and brothers are going to Buffalo soon, and the police believe that when they confront Leon he will break down and reveal all that he knows concerning the shooting of the president.

HERR MOST ARRESTED.

Gathered in by Police While Making a Speech.

NEW YORK, Sept. 22.—The police of New York, through the arrest of John Most, the anarchist, as a disorderly person, they suspected that he was going to conduct an anarchist meeting in a saloon at Corona, L. I. They also arrested Christine Trist, who is said to run the saloon, on the charge of violating the liquor law that keeps a disorderly house.

Later developments show that Herr Most was gathered in while haranguing a crowd of 500 people. There was a scuffle for the door when the police appeared, but the officers succeeded in capturing Most as well as several men who, they claim, were prominent in getting up the meeting.

Back of the saloon is a large sized dance hall. This was the meeting place. From outside it could be told that the saloon was doing a rushing business, as the cash register bell was constantly ringing. Occasionally the door would be heard coming in the hall. The fact that it might be an anarchist meeting was guessed at by Capt. Hardy when his force had been called out. It was then too late to dare attempt to wait for more men and he determined to undertake the raid with his small force of five men.

The raiders were all in plain clothing and entered the saloon through the back door. They were inside of the dance hall before their presence was suspected. Most was on the stand at the far end of the hall declaiming loudly. The lecturer did not intend to act immediately but to wait and hear some of the proceedings. They were recognized, however, and the cry of warning was raised. The cry caused many to break for the doors and windows and there was a lively scene. Most descended from the platform where he had been speaking and for a few minutes was lost in the crowd. Capt. Hardy kept his eye on the group of men into which Most had been seen to step. Backed by his men he began working his way through the crowd. When the police were close upon Most some of the group about the leader attempted active resistance and in an instant the police had their sticks drawn. One or two of those about Most were wound with blood flowing from scalp wounds and others gave way so that Capt. Hardy had his hand on Most. All resistance ceased and Most was taken to the police station. The district attorney was summoned and he questioned the prisoners in secret. He declined to say what, if anything, he had learned from them. The police seized a lot of papers and a red flag which was displayed in the room.

SPRING VALLEY, Ill., Sept. 22.—Twenty anarchists, armed with double-barreled shotguns and 1,000 rounds of ammunition, are standing guard over the office of L. Aurore, the notorious anarchist publication which expressed joy at the murder of President McKinley, and satisfaction over the announcement of the assassination of Czolgosz that he was an anarchist.

Men while fully 2,000 citizens of adjoining towns have sent word to the authorities here that they are ready and extremely anxious to start at a moment's notice for this city and assist in exterminating the reds. The temper of the people here is such that the district attorney, the defiant attitude of the anarchist cohort serving to increase the general anger. John Callahan, the editor of L'Aurore, has been in hiding ever since a recent mass meeting gave evidence of a desire to demolish his publication and adorn him with a coat of tar and feathers. TIME FOR GOVERNMENT TO ACT

CHICAGO, Sept. 22.—Chicago today paid its second tribute to the memory of President McKinley. Memorial services were held in all parts of the city during the day and night. At the Coliseum, where the principal exercises were held, so many people applied for admittance that an overflow meeting was arranged at Tattersall's.

In the afternoon the services were for school children, and all the speakers endeavored to impress upon the young people the significance of the assassination of the president and the conditions that actuated the assassination.

Senator Dolliver, of Iowa, was the principal speaker at the evening meeting. He said in part: "DOLLIVER'S GREAT SPEECH. 'There will be opportunity enough to make inquiry into the causes of the enormous destruction of life and property which the president of the United States was the victim. But it cannot be out of the way to say at such times as this, to recognize that in the midst of modern society there are a thousand forces manifestly tending toward the moral degradation, out of which this wicked hand was raised to kill the chief magistrate of the American people. We have in the United States given no attention, and the government of the several states but little, to the direction of the enormous forces of anarchy, in many of our cities, to organizations, inconsiderable in numbers, which boldly profess to be against the law of the government and all law. The crime of Sept. 6, though evidently committed under the influence of the forces of anarchy, easily baffles the courts, because being without the common motives of murder, it leaves no tracks, leaving no evidence. A government like ours should always slow and often awkward in its motions, but it has the duty to find effective remedies for conditions like these, at least, after they become intolerable."

REMEDIES MUST BE JUST.

"But these remedies, in order to be effective, must not evade the sense of justice which is universal, nor the traditions of civil liberty which have been handed down to us from our fathers. The bill of rights, written in the English language, stands for many centuries, and it is not to be tampered with. It is not to be tampered with by blood, too many have shed it.
