

IS MUELLER GUILTY?

School eleven of Minneapolis and the Carleton College eleven. The game should be a spectacular one, as both teams are fast and evenly matched.

THIS IS THE QUESTION 'VARSITY FOOTERS ARE ASKING

A number of Central players are out of condition, and their places will have to be filled by substitutes, with both teams in perfect condition it would be hard to pick the winner.

NO STATEMENT MADE YET

Gloom pervaded University When News Was Heard—Already Figuring on a New Man for Mueller's Position.

The university football team is apparently up against an unenviable proposition. It has been charged that Mueller, the giant right guard, is guilty of professionalism.

It is claimed that sometime last July, at a Woodmen picnic, he entered in a foot race for which a purse of \$5 was offered. It is said that Mueller was cautioned about entering the race, but he said it did not make any difference to him, it was the money he was after.

He won the race, and the First National Bank of La Crosse, Wis., has the canceled check showing that payment was made.

Mueller was seen today in regard to the matter, and he all would say is that the story, as printed, is without foundation.

Dr. H. L. Williams, coach of the team, would say nothing for publication except that it would be well to suspend judgment until all the facts were known.

If the facts, as stated, are correct, it will be a serious loss to the team, as his place will be hard to fill from the material left. There are a lot of heavy men to select from, but none of them have had the necessary experience at this season to go into a bruising game against first-class college teams.

The most available man, in the opinion of many who have watched the players closely, is Thorpe, who has been playing tackle and left halfback. He is a strong, aggressive player, with a good kick, with a little practice, would make good.

It is to be hoped that the charges are not true, but, if they are, Mueller will have to go.

There was an atmosphere of gloom at the university yesterday when the story reached the students. The general feeling was that Mueller was a professional, and that he had been caught in a trap.

It is to be hoped that the charges are not true, but, if they are, Mueller will have to go.

IS CRESCENDO DAY ON PUBLIC SCHOOLS

Prof. Zueblin, in the third lecture of his course, last night, said the greatest problem in the educational world is to know how to do away with the old idea that the door of home closed, upon one life for the child and the door of the school opened upon another entirely distinct from and independent of it.

WORLD'S CHAMPION WILL PERFORM AT MINNEHaha TODAY

Crecescu was given a try out on Minnehaha track yesterday and he demonstrated his ability to do a few things when called upon.

FAST CLIP MADE YESTERDAY

Did a Quarter Unofficially in 29 Seconds, Breaking Track Record—Today's Programme is Good One—Track Is Fast.

Crecescu was given a try out on Minnehaha track yesterday and he demonstrated his ability to do a few things when called upon.

He was slowly jogged around the track several times, and then went a mile at a fairly fast clip. A watch was held on him while making the last quarter of a mile and the remarkable time of 29 seconds was made.

This was done without a running mate, a whip or a word of urging, showing conclusively that he is in excellent condition to go against his record tomorrow.

In this connection it is well to say that the best previous quarter mile ever made by a trotter in this state, is 29 seconds; this was accomplished by Fantasy, in a race on Minnehaha track, during the racing meet in the summer of 1885.

Mr. Ketchum was asked if the rain yesterday afternoon would in any way hurt the track, and make a record-breaking attempt impossible, he said: "A little of second water, and if we don't get too much, it is just what we need; get some stretch at present is in elegant condition and nothing better could be asked for."

While, of course, the main event of the day in Crescecu, still there are several other races on the programme that will appeal to all lovers of a horse race.

Some of the feature horses in the Twin Cities are entered in these events, and a number of out of town parties have entered consistent performers with the expectation of carrying away some of the honors.

The gates of the driving park will be opened at 12 o'clock and the races will probably be given at 1:30. Crescecu will probably be given a try out in the preliminary work out this evening, and if the effort to lower the world's record.

The famous Fourteenth Regiment band will furnish music at the grounds during the entire afternoon.

The programme is as follows: Free-for-all Pace—Mile heats (best three in five)—International Queen, ch. m. W. S. Sage, Minnesota; ch. m. W. S. Sage, b. m. Robert Salter, Minneapolis, Minn.; S. b. m. H. M. Stocking, St. Paul, Minn.

Five-Furlong Pace—Mile heats (best three in five)—Rosie, s. s. A. K. Ware, Northfield, Minn.; S. b. m. John Dowd, St. Paul, Minn.; Barry Grant, b. s. J. W. Hill, Minneapolis, Minn.

Blackbird, b. s. H. P. Watson, Minneapolis, Minn.; Pepper, ch. g. Bindiff, Roschud, b. m. N. X. Romner, Minneapolis, Minn.

Two-Furlong Pace—Mile heats (best three in five)—Handicap, s. s. A. Mieson, St. Paul, Minn.; Victor H, b. s. P. J. Alexander, St. Paul, Minn.; Nellie, b. m. Robert Satter, Minneapolis, Minn.

Mambrino Moak, b. s. W. C. Hobart, Minneapolis, Minn.; Albert R. roan g. J. Gillespie, Minneapolis, Minn.; Lady Valente, b. m. Fred Martin, Minneapolis, Minn.

Winners at Lakeside. CHICAGO, Oct. 29.—Dennan Thompson, winner of the recent special race at Lakeside, was again victorious in the feature race of the card, a purse of \$1,000, which was given a grand all ages, and was won by Dennan Thompson, who had to set a new track record for the distance, 2:31 2-5, to beat the record of 2:32 1-5, set by the late kind of a drive. The winner was given a mastery ride by Coburn, and many thought that he was down to his victory. Frangible, the only other starter, set a furious pace for a mile, when he tired, and Dennan Thompson to fight it out.

Burnie Bunton, in the third race, set a new track record for the distance, 1:58 1-5, by beating the record of 1:59 1-5, set by the late kind of a drive. The winner was given a mastery ride by Coburn, and many thought that he was down to his victory. Frangible, the only other starter, set a furious pace for a mile, when he tired, and Dennan Thompson to fight it out.

Burnie Bunton, in the third race, set a new track record for the distance, 1:58 1-5, by beating the record of 1:59 1-5, set by the late kind of a drive. The winner was given a mastery ride by Coburn, and many thought that he was down to his victory. Frangible, the only other starter, set a furious pace for a mile, when he tired, and Dennan Thompson to fight it out.

ON PUBLIC SCHOOLS

Prof. Zueblin, in the third lecture of his course, last night, said the greatest problem in the educational world is to know how to do away with the old idea that the door of home closed, upon one life for the child and the door of the school opened upon another entirely distinct from and independent of it.

AUTOMOBILE ACCIDENT

J. G. Smith and his mother, Mrs. M. A. H. Smith, narrowly escaped being fatally injured in an automobile accident at Sixth and Robert streets shortly after 10 o'clock last night.

Mr. Smith and his mother were on their way to the union depot in one of Mr. Smith's electric automobiles to meet a friend who was coming from New York, and were going at a fairly fast pace, as the train was due in four minutes.

As the automobile was crossing the street car tracks at Sixth and Robert streets, the front wheels struck the rails violently, and without a moment's warning, the car tipped over and the occupants were hurled into the air.

The automobile stopped suddenly, throwing both Mr. Smith and his mother heading to the pavement. Mrs. Smith was somewhat injured by the fall, but Mr. Smith fared better and was able to get up.

Mrs. Smith was carried into the Ryan hotel and Dr. Ogden was called to attend both the injured persons. On examination it was found that Mrs. Smith was only slightly injured, being bruised over the left eye and considerably shaken up.

Mr. Smith sustained a slight fracture of his shoulder and his left ankle was sprained. It was thought best to stay at the Ryan hotel last night.

Mrs. Smith is fifty-five years old and stood the shock well for an elderly lady. Mr. Smith stated last night that the automobile which broke down had run over 7,000 miles and that it was the first accident he had experienced with it.

Briggs Case Taken Up

Full Bench of Supreme Court Hears Arguments.

The appeal of Fred A. Briggs, of Minneapolis, from the judgment of the district court of Hennepin county, in the famous case of Briggs vs. the State, was argued before the full bench of the supreme court yesterday.

It will be remembered, was accused on a charge of having violated the laws against gambling by inducing different saloonkeepers in Minneapolis to place nickel-in-the-slot machines in their places of business.

He was convicted under two of the twenty-nine indictments found against him, and on each conviction was sentenced to six months in the workhouse and a fine of \$50. Motions for new trial were overruled by the district court.

A. J. Smith, assistant county attorney in charge of the prosecution, and the supreme court yesterday, when the appellant was represented by John H. Steele and W. A. Kerr.

The counsel for the appellant assigned over forty allegations of error as foundation for the motion to overrule the lower court, but three points were brought out with particular prominence.

These were: First, that the laws against gambling had been violated by the defendant; second, that a slot machine is not enumerated in the penal code as a gambling device; and third, that Judge McGee, who tried the case against Briggs, showed by his demeanor throughout that he was influenced by strong prejudice against the defendant.

Briggs is a young man and has lived for many years in Minneapolis. He has a large family and is interested in the law, and is a member of the bar.

DR. TOLMAN'S LECTURE

He Speaks on Economic Problems Tomorrow Evening.

Dr. William H. Tolman, of New York, director of the industrial department of the League for Social Service, will lecture tomorrow evening at Raudenbush hall on the subject of "Economic Problems Tomorrow Evening."

The lecture is to be given under the auspices of the Woman's Civic League, and is to be given at 7:30 o'clock.

Dr. Tolman is a well-known authority on economic problems, and his lecture is expected to be of great interest to the audience.

WANTS TRIANT OFFICERS

LABOR COMMISSIONER SAYS ST. PAUL NEEDS THEM.

Steps are being taken by Labor Commissioner O'Donnell to bring about the appointment of triant officers in St. Paul and some of the other cities of the state, as a means of making the work of his department under the child labor laws more efficient.

Mr. O'Donnell says that his department can secure the discharge of children less than sixteen years of age from factories and other places of business, when they are employed contrary to law, if they can enforce the attendance of those children at school.

The object of the law is that the children shall be required to attend school, and if that is not effected there is but little benefit derived from the work of the labor bureau.

Mr. O'Donnell says there should be at least two paid triant officers in each city, and if that is not effected there is but little benefit derived from the work of the labor bureau.

Mr. O'Donnell says there should
