FIRE BRIGGS DEATH

SEVEN MEN ARE BURNED IN A VIRGINIA LUMBER CAMP

FLAMES WERE FEROCIOUS
Thirty-Three Men Escape, Half Naked, by Jumping From Window, and Walk Miles Through Snow.

HAMBLETON, W. Va., Jan. 21.—About 10 o'clock this morning Camp No. 5, of the Outer Creek Division of Lumber Company, several miles from here in the forest, took fire and burned so rapidly that seven of the forty men asleep in the building failed to get out, and were burned to death.

Not more than five minutes from the time when the alarm was given until there was no chance of escape. The camp was 2250 feet and the upper part in all one room, and in this forty men were sleeping. Two very small windows and the narrow stairs afforded the only ways of escape and those who went to the windows, a dozen or more, had to jump twelve or fifteen feet, the others rushing down the steps like sheep, pushing and tumbling and falling over each other.

After they were out some of the men inside could be seen in the flames, but not a cry came from the building. The men were nearly all entirely cremated. There were scarcely any remains of the flesh and bones of all seven brought home tonight in a little box.

The men who escaped lost their clothing and were compelled to travel through eight inches of snow almost naked to another camp a mile away.

WHO WILL PAY AMES?
There is No Fund for Extradition of County Prisoners.

The fact that a requisition was made for Ernest P. Mau, indicted for forgery, and that a man was sent to Chicago to bring him back, has caused some comment. Many persons have asked how it happens that a man indicted for forgery is brought back from another state to stand trial when no effort is made to bring back Mary Allanan, the Wisconsin girl who is indicted for killing her baby.
