### FELL DEAD MAKING THE FIRE.

**End Came Suddenly to Fritz Lang Jr., of Lake City.**  
Special to The Globe.  
LAKE CITY, March 5.—Fritz Lang Jr. fell dead this morning about 7 o'clock while making the fire. He arose in apparent good health and went about his duties. Soon his wife heard him fall in the kitchen. She called to him, but no answer came. Death was caused by heart failure.  
Mr. Lang was about forty-five years of age. He had lived almost all his life in this city. A wife and three children survive. The sons of Hermann, of which order he was a member, will have charge of the funeral services.

### Crookston Notes.

**Special to The Globe.**  
CROOKSTON, March 5.—The records of the Crookston office for the past month show that there has been a great increase of business over the month of February. The incoming and outgoing mails during the past week have been the largest in the history of the office. So greatly has the business increased that three carriers cannot attend to the delivery of mail and application has been made for a fourth. A canceling machine has been installed in the office, Fargo being the only other Northwestern city to be granted one.

## A Wig

You don't see very many wigs nowadays. People have been educated how to care for the hair. That's one reason. Another is, Ayer's Hair Vigor makes wigs unnecessary. Nothing is equal for feeding the hair.

"For many years my hair has come out so fast every winter that I had to wear a wig. I tried Ayer's Hair Vigor. It stopped the falling, and made my hair grow so that last winter I did not use my wig at all."

### accident at Blanchard, N. D., Friday night, was formerly a prominent business man here, and was for two terms postmaster of the city.

The trial of W. E. Harper and Henry Thompson for robbery at the Great Northern depot Saturday days ago, was held in the justice court today. Harper was bound over to the grand jury in the sum of \$400. Thompson, who was released Saturday night on bail, has absconded, and failed to appear for trial today.

### Shakespeare Club Banquets.

**Special to The Globe.**  
HOT SPRINGS, S. D., March 5.—The Shakespeare club of this place celebrated its ninth anniversary yesterday with a banquet at the home of Mrs. Jennie E. Bradley, one of its charter members. The afternoon was spent in reading Shakespeare's sonnets, and in the regular work of the club, after which there were piano solos by Miss Verda Keller, and recitations from Shakespeare by Mrs. R. Bickmore. Mrs. John Stanley, president of the club, was toastmaster, and several lines were read by Andrew J. Keller, another charter member, responded to the "Shakespeare Club," but no members of the club was present.

### Roads the Issue.

**Special to The Globe.**  
YANKTON, S. D., March 5.—Central township will hold an election shortly, in which party politics has been buried for the time and new banners raised. The issue of the election is the new "good roads" on the original government survey lines on the other, "good roads" the straight lines. The dispute now existing arises over the fact that newly designated section lines vary from the original government lines as much as fifteen rods in some places, causing serious loss and trouble to those who settled in that neighborhood thirty years ago.

### Land Office Trouble.

**Special to The Globe.**  
HYRON, S. D., March 5.—The Hyron land office is receiving a great deal of attention from the South Dakota congressional delegation, it appearing that the registration could not be agreed upon. Senators Gamble and Kittredge are for Mr. Blake, the present incumbent, but Congressman Burke is hostile. For receiver, there seems but little doubt that the choice will fall upon Harvey J. Rice, of this city. Mr. Westdahl, the present incumbent, it became patent that he was not on the slate for reappointment, wired the president to send a successor at once, as he was ready to go. The general impression is that Blake and Rice will be appointed.

### Blind Pigeons Swindled.

**Special to The Globe.**  
SIOUX FALLS, S. D., March 5.—The United States authorities in this city have been advised that a smooth impostor recently visited Brookings and vicinity, representing himself to be a deputy collector of internal revenue. He is said to have visited the proprietors of several "blind pigs," who were doing business without having first secured government

### licenses, compelling them to pay him sums of money under threats of prosecuting them for violating the internal revenue laws if they did not fork over the cash.

Whether the impostor victimized keepers of "blind pigs" in other parts of the state is not known. Efforts to locate him or ascertain his identity have proved fruitless.

D., March 5.—John Magorian and Frank Collins, farmers and neighbors, of Garfield, quarreled last night over an old feud, and engaged in a desperate fight, in which Magorian was badly injured. Bids for the work of constructing the building will be received up to noon on the 15th inst., at the office of Dr. Collier, of Brookings. The new hospital will be one of the best equipped institutions of its kind in the state.

### Suicide at Madelia.

**Special to The Globe.**  
MADELIA, Minn., March 5.—James Peterson, an old resident of this city, committed suicide last night by taking carbolic acid, dying so naturally that until the coroner's inquest heart disease was supposed to be the cause of death. Financial reverses and ill-health are supposed to have brought on the idea of suicide. He leaves a wife and family.

## PRINCE VIEWS NIAGARA FALLS

Continued From First Page.

Evans and were presented to the prince. All through the morning, as the train ran through a corner of Pennsylvania and out into the state of New York, there were crowds at the stations, anxious to greet the prince and tender assurances of friendship.  
At Buffalo Mayor Knight welcomed the prince, and the local German singing societies sang. It was 2:45 o'clock when the special arrived at Buffalo and fifteen minutes later it was steaming out to Niagara Falls. At Niagara Falls station the prince was met by Mayor Butler and a large reception committee and formally bid adieu to the city.  
When Mayor Butler concluded, Dr. William Snyder spoke in behalf of the Germans of the city. The prince did not make a speech in response, but thanked both of them for their greeting.  
The prince was then driven to the Canadian side of the falls, accompanied by a mounted escort, made up of local militia officers. Midway on the bridge which spans the rapids the prince was met by the man who spoke for the Canadian government and people—Maj. F. S. Maude, military secretary for Lord Minto, governor general of Canada, presented the formal greeting for his chief, and the Hon. R. Harcourt, minister of education for Ontario, delivered the address passed by the legislature of Ontario.

### Cleveland Is Disappointed.

Crowds of people forced their way through the gates at the Union station when the train arrived here. In the absence of Mayor Johnson, acting Mayor Beacom entered Prince Henry's car. Mr. Beacom informed Prince Henry that the people of Cleveland were very much disappointed in not being able to have the prince in his presence here for a longer period. Prince Henry expressed his gratitude for the kind words and said he regretted that a longer stop had not been arranged.

### Prince Departs Amid Cheers.

Prince Henry inquired into many details in his life since he had served upon his ship. The prince then stepped out upon the car platform. Cheer after cheer rang out, followed by calls for a speech. The prince smiled and bowed, but pointed to his throat, and remarked that he was too hoarse to attempt a speech.

### CANADIAN ORATORS GREET HIM.

**Welcomed as Descendant of Beloved Queen Victoria.**  
NIAGARA FALLS, Ont., March 5.—The following is the address presented to Prince Henry by the committee representing the Ontario government:  
"May it please your royal highness, we, the legislative assembly of Ontario in parliament assembled, beg leave to approach your royal highness for the purpose of presenting to you the congratulations of the legislative assembly on the occasion of your visit to this province. We hail with joy the presence on our soil of so distinguished a descendant of our late beloved queen, and we assure your royal highness that in no part of

### He Sleeps While Thousands Surround Train in Ohio.

CLEVELAND, Ohio, March 5.—Prince

## Henry was too tired to appear for any of the receptions informally tendered to him by the cities through which he passed early today in Northwestern Ohio, until his arrival at Cleveland at 9:10. He retired last night quite fatigued after a day that had made many demands upon him, and slept through until late this morning. His train, which left Milwaukee at 10:10 last night, was transferred to the Chicago shortly after midnight to the tracks of the Lake Shore & Michigan Southern, and left at once for Cleveland, Buffalo and Niagara.

### Awakened by Band.

They had telegraphed to the prince, asking for a chance to meet him, but the telegram had miscarried, and the prince was sleeping, unconscious of the reception. The band awakened him, but it was too late then to get up. The bouquets were thrown aboard and later in the morning the trainmen presented them to the prince.  
There was another crowd at Sandusky, but the prince had gotten asleep again, and did not come out. He has stood his ground, trying every thing the country much better than any of his escort, and is well and strong. He was tired last night, but the long, refreshing sleep which he got completely restored him.  
There is apprehension about a possible delay in New York on account of the floods, and if the train cannot be put through on the routes mapped out for it without extended delay, it will be transferred to a southern line.

### Warm Welcome in Rochester.

In greeting the prince at Rochester, Mayor Rodenbeck said:  
"Prince Henry of Prussia: As mayor of the city of Rochester, it is my honor to add our note of welcome to swell the grand harmony of friendship which has greeted the mission of your royal highness. We join with the president of the United States and the citizens of other parts of our land in welcoming you as the ambassador of good will from the German empire and the great empire which has given the world so much of literature, learning, music and art."  
During the presentation speech of Henry C. Brewster, at the Rochester Chamber of Commerce, for becoming acquainted with the natural resources and political institutions of a country to which we will be glad to welcome your fellow citizens, for any reason, might wish to make Canada their future home.

### GERMANY'S FEAR IS OVER.

**Public Nervousness Allayed by Protection of Prince Henry.**  
BERLIN, March 5.—Relief is felt here that the flight of Prince Henry through the United States is now drawing to a close without any untoward incident, for, notwithstanding Emperor William's entire confidence as to the safety of Prince Henry, others in authority have had misgivings that some Polish fanatic in Chicago, wrought up over the conflicts and national feeling in Polish Prussia, might attempt violence.  
The prestige of Prince Henry has been immensely increased in Germany by the impression he has made upon the Americans. His behavior in the United States is looked upon here as natural, dignified and happily adapted to the character of the Americans. After his return home the prince will probably be entrusted with a larger share in public affairs.

### President Fink, of N. & W., Resigns.

**NEW YORK, March 5.**—Henry Fink has resigned the presidency of the Norfolk & Western Railroad company and will be succeeded by F. J. Kimball, chairman of the board of directors. Mr. Fink

## takes the place vacant by Mr. Kimball. Mr. Johnson, at present general manager, has been made vice president.

### KEEPS OUT THE MONGOL.

**CANADA ASSISTS UNITED STATES IN EXCLUSION PROGRAMME.**  
WASHINGTON, March 5.—Representative Kahn, of California, who introduced the Chinese exclusion bill in the house, has received a dispatch from Canada saying the special commission of the Dominion has just submitted its report, and that it takes a position against Chinese immigration similar to that taken by those favorable to rigid exclusion by the United States.  
The Canadian commission recommends a treaty which will permit strict exclusion, and in the meantime a \$50 head tax on Chinese entering Canada. As many Chinese come to the United States by way of Canada, Mr. Kahn regards the action of the Canadian commission as having an important bearing on the exclusion situation in the United States.

### RELIES ON COLONIES

**MILITARY SCHEME PROPOSED BY ENGLAND'S WAR SECRETARY.**  
LONDON, March 5.—The war office scheme mentioned by the war secretary, Mr. Brodrick, in the house of commons yesterday evening, by which he said the colonial forces would soon become available in the event of war, involving general interests of the empire, is said today to contemplate India providing three army corps, South Africa two army corps, Australia two army corps, New Zealand one army corps, and Canada four militia army corps. These, in addition to six British army corps, would constitute a force of 1,000,000 men, the largest of the continental military powers.

### OCEAN MAILS DELAYED

**ACCIDENT SUFFERED BY ETURRIA CAUSES CHANGE OF SCHEDULE.**  
LONDON, March 5.—In consequence of the accident to the Etruria, no Cunard line steamer will leave Liverpool Saturday, March 8, which was the date the Etruria was to have sailed from that port for New York. The mails, which under ordinary circumstances would have been taken by the Etruria, will be sent by the St. Louis, sailing from Southampton March 8, and the Nomadic, leaving Liverpool the same day and Queenstown the 9th.

### Error in Commitment.

**Special to The Globe.**  
WEST ST. PAUL, Wis., March 5.—It has been discovered that an error was made in the commitments of Jackson and Woods, the two negroes who were sentenced to the penitentiary for the murder of Charles White. They were supposed to have been sentenced to twenty-five years for the crime of murder in the second degree. Instead, their commitments read manslaughter in the second degree. The mistake was not discovered until the documents were handed over to the prison authorities. The latter say that unless corrections are made they cannot hold the negroes longer than six or seven years. It is believed that the error is only a clerical one, and that the papers can be sent back to Judge Lincoln of the superior court, and the mistake corrected.
