

TEARS FALL TO MOVE REBELS

RALLY OF THE REPUBLICAN INSURGENTS FIGHTING FOR TARIFF A SURPRISE

SPEAKER'S APPEAL IN VAIN Michigan Congressmen, Upheld by Senators, Will Vote Against Reciprocity, and Minnesota Men Join Them a Unit.

FIFTY VOTES ARE CLAIMED

FROM THE GLOBE BUREAU, Washington, D. C. WASHINGTON, March 21.—Speaker Henderson and leaders of the house of representatives awoke this morning to an unpleasant surprise. A sugar beet rebellion which they supposed they had put down, was again raging. At midnight the insurgents had met and rallied, and dawn brought news that Michigan was still solid for a fight to the "last ditch."

This turned the course of the battle. Minnesota was quick to fall in line, and before noon it was known that fifty votes were assured for any plan of resistance which the steering committee might report. California still held six solid votes, Wisconsin gave seven members—all but Cooper, Taylor and Olsen—other states contributed votes as follows: Washington, 2; Nebraska, 2; Maine, 2; New York, 2; Utah, 1; Iowa, 3; Kansas, 3; West Virginia, 1; Maryland, 2; Ohio, 4; Illinois, 2; Michigan, 12.

A number of states gave promise of other votes, which were counted as possibilities, but not certain. Senators McMillan and Burrows met the Michigan delegation in the house this afternoon and talked over plans of campaign. McMillan complimented the insurgents on the stand they had taken and told them to "beware of cajolery or bulldozing."

Payne, Daize and Speaker Henderson were around begging vainly today, trying to stem hostile currents. Almost with tears they besought the insurgents not to stir up a factional difference in the party, but to fall in line and follow the leaders. Everything is being done to placate the opposition.

It is the plan of the insurgents to amend the bill when it is under consideration in the house, and amendments and speeches will be directed to showing that the sugar trust is back of the demand for Cuban reciprocity.

An attempt is made by the chairman of the committee of the whole to rule out amendments as not germane, the insurgents will appeal from the decision of the chair. If they can command fifty votes, or even less, they will have successfully, to oppose the plans of the house leaders.

Some points the Democrats will vote with them. Richardson stands with the ways and means committee for reduction, and he has tried to bring the Democratic influence with him, but his leadership is very nominal. Rank and file of the minority are taking the ground that they will not vote for legislation which is in their face in the interest of the sugar trust.

It is believed that the sugar trust has bought up the house of representatives, and is a powerful factor in shaping events.

The Republican members of the Michigan delegation held another conference today on the Cuban reciprocity proposition. The two Michigan senators, McMillan and Burrows, attended today's conference.

ROOSEVELT NEEDS ROOM

HOPES TO SECURE OFFICIAL RESIDENCE OUTSIDE WHITE HOUSE.

WASHINGTON, March 21.—President Roosevelt had among his callers today Representative Mercer, of Nebraska, chairman of the committee on public buildings and grounds, and enlarged topics discussed was the enlargement of facilities for transacting the White house business. Hereafter there have been plans for remodeling and enlarging the White house in order to meet present requirements. It appears, however, that President Roosevelt is decidedly opposed to changing in any material way the arrangements of this historic structure, believing that it should be preserved as it is now. He has, however, in circumstances enlarged facilities would have to be provided elsewhere.

At one time there was a suggestion of a presidential residence outside of the White house which would be devoted to official business. But the present tendency is in favor of making the White house a residential establishment for the president, locating the office elsewhere. Senator Fairbanks has proposed that the new department of justice have a branch for the executive business.

CLEVELANDSAYS NAUGHT

HE WILL NOT DEIGN TO ANSWER CRITICISM BY BRYAN.

PRINCETON, N. J., March 21.—Former President Cleveland was today shown a dispatch from Lincoln, Neb., which said that W. J. Bryan, commenting editorially in "The Commoner" upon Mr. Cleveland's recent letter to a Mississippi editor, denounces him as "a traitor, ingrate and political nonentity." "I am not at all troubled about it," was the only comment Mr. Cleveland would make.

The former president was asked what he thought of the prospects of renouncing the Democratic party for the next presidential campaign, and replied: "I don't know much about it, but there seems to be some efforts in that direction. I do not care to express any further opinion on it at present."

FREE TRADERS AT BANQUET.

American League Hears Answers to Tonks by Eminent Speakers.

INDIANAPOLIS, Ind., March 21.—The annual banquet of the American Free Trade league was held here tonight, and was attended by about 100 prominent Democrats and free trade advocates. Evans Woolen, of this city, vice president of the league for this state, acted as toastmaster, and speeches were made during the evening by Gen. Hebard Stevens, of New York, national secretary of the league; John W. Kern, on "Trade Extension"; John R. Wilson on "Equality Before the Law"; Jacob P. Dunn on "The Farmer and the Trust"; and Frank B. Burke on "Reciprocity."

WILD RAGE SAVES TRAINS

DISPATCHER BARELY CORRECTS ERROR AND PREVENTS COLLISION.

SPECIAL TO THE GLOBE. INDIANAPOLIS, Ind., March 21.—A mad race with a switch locomotive after a fast freight train which had been given the right of way and which was drawing closer every moment to another advancing under similar orders, saved a wreck on the Baltimore & Ohio Southwestern railroad last night. The dispatcher at Washington gave both orders, but soon discovered his mistake. Abandoning his instruments he hurried to the railroad yards and demanded a locomotive. One happened to be waiting. Every available pound of steam was crowded on, and ten miles out the engine came up behind one of the two trains. The track was cleared barely in time. The loss of another minute would have been fatal to both trains.

PADEREWSKI REQUIRES USE OF DRAWBRIDGE FOR COMFORT

Compels Trainmen to Resort to Resources in Order That His Sleeping Car May Be Turned to Suit Him.

Special to The Globe.

DAVENPORT, Iowa, March 21.—Paderewski caused great trouble among the yardmen of the Rock Island road here yesterday. He insisted that his private car be turned around for the return trip to Chicago. He could not or would not sleep except with his head toward the locomotive. It was soon found that there was no turntable in this vicinity big enough for his seventy-foot Pullman car. "These menons suggested that the car be turned on a crossing of the government bridge that crosses the Mississippi river here. This draw swings both ways, and is the biggest turntable in America, but was never used for that purpose before. With the car centered over it, the draw was swung around a half a circle and the car made ready for the pianist.

FIGHT REVEALS THIEF

MAN WANTED FOR FAMOUS CHICAGO POSTOFFICE ROBBERY SHOT

BURGLAR TOOLS IN HOUSE Former City Detective Who Wounds Suspect Identifies Him, and a Jekyll-Hyde Existence is Later Uncovered.

CHICAGO, March 21.—What at first appeared to have been an ordinary shooting affair in the apartments occupied by Dan Kipley, former city detective, and Lillian Arlington, known to the police as "Diamond Lily," in flat 11 of the Ludgate, 183 Wabash avenue, may prove to have developed a clue in connection with the recent robbery at the Chicago postoffice.

Joseph Hopkins, alias Clark, alias Loomis, was yesterday shot under the right arm shortly after 9 a. m. by Kipley, and it is feared by the police that his wounds will prove fatal. Hopkins is said to have a record as a bank burglar and a safe cracker. Shortly after he had been taken to St. Luke's hospital Lieut. Cronin, of the Twenty-second street police station, noticed his resemblance to the photograph of a man wanted in connection with the postoffice robbery.

"The lieutenant hurried to the hospital after Kipley, and he says, positively, that the man in the photograph is the same as the man in the photograph. Hopkins is locked up at the Twenty-second street police station, and the outcome of Hopkins' injuries, while the woman was taken to the Harrison street annex, where she will be held as a witness to the crime, and possibly as an accessory to the crime.

Kipley claims self-defense in the shooting. St. Luke's hospital Hopkins' condition was said to be critical. Following the shooting it developed that Hopkins had been leading a Jekyll-Hyde existence. He was identified by the police as a bank robber and burglar of national notoriety, but in Palos Park, where he had a cosy little home in a secluded spot sheltered by trees, it was found that he had a reputation as a dispenser of charities, a giver to the church and a man of standing in society. His wife's standing also was of the best, but when she was brought into the police station policeman claim to have recognized her as a woman they had known as "Blonde Marie."

Kipley while in his cell told a friend that Hopkins was a man for whom the police had been searching in connection with the postoffice robbery. What the connection was he did not make plain, but it is pointed out that Hopkins is an electrician, and that the holes drilled in the bottom of the safes in the postoffice were by tool receiving power from some electrical device.

The search of the Hopkins house brought to light a kit of burglar tools, but nothing was discovered showing that Hopkins had anything to do with the postoffice robbery.

FIFE FREED BY JURY

RICHARDSON MURDER MYSTERY CLOSED CHAPTER OF COURT.

SAVANNAH, Mo., March 21.—When court opened this morning the jury in the case of Stewart Fife, charged with the murder of Frank Richardson at the home of the victim, Christmas eve, 1900, returned a verdict of acquittal. The jurors were unanimous.

When the verdict was announced there was a dramatic scene in the court room. Mrs. Fife, mother of the accused, sprang forward and embraced her son, shouting for joy. Mrs. Fife has suffered from hysteria at intervals ever since her son was arrested. Mrs. Richardson, widow of the murdered man, was also in the court room and gave vent to her emotion.

This is the second trial in the Richardson murder, Mrs. Richardson having been acquitted a few weeks ago, and still the mystery of Frank Richardson's sensational murder is unsolved. No other indictments are pending and the incident is now probably closed so far as the courts are concerned.

Stewart Fife is a member of an aristocratic and wealthy family of St. Joseph. A few months after the murder Fife disappeared and after a long absence he was arrested at North Yakima, Wash.

GUARD GIVEN THE PRESIDENT

SENATE FINALLY PASSES BILL FOR PROTECTION OF THE CHIEF EXECUTIVE

SUBSTITUTES ARE VOTED DOWN New Law Seeks to Add Some Security to Each Official in Line for the Highest Office of the Land.

DUTY OF SECRETARY OF WAR

WASHINGTON, March 21.—Two important measures were passed by the senate today, the bill for the repeal of the war revenue taxes and that for the protection of the president. The revenue bill was passed without division and after only one short speech. Mr. Tillman embraced the opportunity afforded by the bill's consideration to protest against the repeal of the duty of 10 cents a pound upon tea.

The bill for the protection of the president was under discussion during the greater part of the session. Mr. Patterson, of Colorado, made an extended speech in opposition to it, and Mr. Fairbanks supported it. All amendments to the measure were rejected, and it was passed by a vote of 52 to 15.

The bill provides that any person within the United States who shall willfully and maliciously kill the president or any officer on whom the duties of president may devolve, or any sovereign of a foreign country, or shall attempt to kill any of the persons named, shall suffer death; that any person who shall aid, abet, advise or counsel the killing of any of the persons named, or shall conspire to accomplish their death, shall be imprisoned not exceeding twenty years; that any person who shall intentionally kill or advise or counsel another to kill the president or any official on whom the duties of president may devolve, shall be imprisoned not exceeding ten years; that any person who shall willfully aid in the escape of any person guilty of any of the offenses mentioned shall be deemed an accomplice and shall be punished as a principal.

The secretary of war is directed to detail from the regular army a guard of officers and men to protect the president "without any unnecessary display," and the secretary is authorized to make regulations as to the dress, arms and equipment of such guard.

In the conclusion of Mr. Tillman's speech the war revenue repeal bill was passed without division or further comment.

When consideration was resumed of the bill for the protection of the president, amendments were offered by Senators Morgan, McLaughlin (Miss.), Mallory (Pa.), Teller and McCumber (I. D.), and each was rejected.

The substitutes offered by Senators Cullerton, Bacon and Patterson were rejected. The bill was then passed—52 to 15—as follows: Yeas—Aldrich, Allison, Bard, Beveridge, Burnham, Burrows, Burton, Clark (Mont.), Clark (Wyo.), Cockrell, Cullum, Deboe, Depew, Dillingham, Dryden, Dicks, Elkins, Fairbanks, Foraker, Foster (Iowa), Foster (Wash.), Frye, Gallinger, Gamble, Gibson, Hanna, Hansbrough, Harris, Hawley, Heitfield, Hoar, Kearns.

NAVY AWES THE CENSOR

UNITED STATES WILL NOT ALLOW ISTHMIAN CABLES BLOCKED.

WASHINGTON, March 21.—The state each day departments have been informed of the purpose of the government of Colombia to censor all dispatches passing over the cables between diplomatic and consular officers on the isthmus and the United States.

Our government being under obligation to protect isthmiian transit, undoubtedly would hold that the free use of the cables and telegraphs is necessary to the exercise of that power and would not permit any interference with it. With a war vessel on either side of the isthmus there is little doubt of the physical ability of our government to protect its cable communication.

SWINDLERS TAKEN IN

MINNEAPOLIS MAN SEEKS REVENGE FOR LOSS OF \$150.

SPECIAL TO THE GLOBE. NEW YORK, March 21.—George Brown, of Minneapolis, who was swindled out of \$150 at 4 East Tenth street, in this city Feb. 17, has a chance at last of "getting square" with the game. It was the old three-card Monte game which Brown encountered, and as he expressed it, he was "fleece'd of his mone." This morning the detectives who have been working on the case brought to the bar three men—Charles Laighton, of No. 67 West One Hundred and Twenty-fourth street; George Mossis, of No. 351 West One Hundred and Tenth street, and Joseph Martin, Brown, whom the police say, is a traveling salesman of a big Minneapolis house, will press the charges.

SUIT IS NOT FOUGHT

RAILROAD ATTORNEYS AGREE TO LET GOVERNMENT CASE GO BY DEFAULT

WASHINGTON, March 21.—Attorneys for the various railroads that it is sought to enjoin from secretly cutting rates held a conference this afternoon, and, it is said, agreed to make no fight against the action of the government. This step was decided to be advisable on the ground that a contest would be a practical admission that the transportation interests desired the injunction dissolved in order that secret manipulation might be carried on.

The only feeling among the railroad lawyers over the alleged failure to treat all lines alike. Several of what are called the "most chronic rate cutters" have not been proceeded against. The feeling on this point, however, is not sufficient to impel the government to big companies to attempt to fight over the seeming discrimination.

MILES' TENURE NEAR AN END

PRESIDENT MAKES PLAIN OVER STATEMENTS TO THE SENATE

HAS A CHANCE TO MODIFY Testimony as Officially Printed May Not Be as Delivered, but the General is Nevertheless Sure of Short Shift.

CASE DISCUSSED WITH ROOT

WASHINGTON, March 21.—Secretary Root was in consultation for some time with President Roosevelt at the White house tonight regarding the statement of Gen. Miles before the military affairs committee of the senate. Senator Spooner also was present.

Secretary Root declined to talk for publication concerning the matter, saying that he had not read the testimony given by Gen. Miles before the committee. It is understood that Gen. Miles has been furnished the stenographic report of his testimony for revision.

It is well understood that a great deal of what the general said will not appear in the record. Members of the committee say the report published yesterday afternoon was correct in substance in every particular. At the same time these senators do not agree that Gen. Miles can be punished for his utterances before the committee, whether they appear in the record or not. Of course, the committee could take no action to prevent the retirement of Gen. Miles. That under the law is purely an executive act, and needs no confirmation or approval of the senate.

The statements were discussed by the president today with a number of callers, and there is little doubt that these statements will ultimately lead to Gen. Miles' retirement by the president.

In discussing the matter today with his callers, among whom were Senators and representatives, the president took the position that the lieutenant general of the army should entertain toward his superiors the same respect that he would expect and demand from his subordinates.

At the cabinet meeting today the publications relating to the statements made by Gen. Miles before the senate committee yesterday were brought up, but consideration of them was postponed until all the facts in the matter became known. Whatever intentions the president had with respect to the treatment to be accorded Gen. Miles, his future action will be somewhat influenced by the fact that Gen. Miles' statement before the senate committee has been represented to him as being privileged.

The president proposes to read the testimony given at the hearing and to consult with different members of the committee on military affairs before finally announcing what he proposes to do. It is significant that long after the cabinet meeting adjourned Secretary Root and the attorney general was closeted with the president. The president is known to have stated that he was tired of the friction in the army, and whether it is decided that Gen. Miles' statement was privileged or not, he will at no distant day take action looking to his retirement.

LIBERALS' VIEWS DIFFER

"GLADSTONE LEAGUE" WILL OPPOSE THE "ROSEBERY LEAGUE."

SPECIAL TO THE GLOBE. LONDON, March 21.—War on the policy of Lord Rosebery's so-called Liberal league is the object of an organization effected this afternoon under the name of the Gladstone league. The new body is the old Liberal league against aggression and militarism rechristened. The membership embraces all the foremost men of the ultra radical section of the opposition and many of the leading representatives of the central body of Liberals.

Its sponsors say the league will press aggressively and stubbornly for measures of conciliation in South Africa, holding that the government's policy of unconditional surrender and perpetual banishment for the Boer leaders contains the seeds of endless warfare and comprehensive ruin from the Zambesi river to the cape.

J. P. MORGAN MUST TESTIFY.

NEW-YORK, March 21.—There was no hearing today in the suit of Peter Power to prevent the operation of the Northern Pacific by the Northern Securities company. Jacob H. Schiff, of Kuhn, Loeb & Co., and Charles S. Steele, of J. P. Morgan & Co., were to have testified today, but they were unable to attend and an adjournment until Monday was agreed to. George Alfred Lamb, of counsel for Power, said a subpoena would be issued calling on J. Pierpont Morgan to appear and give testimony.

WEDDED AFTER THE WAR

INTERESTING COINCIDENCES IN ROMANCES OF THREE SOLDIERS.

SPECIAL TO THE GLOBE. LA CROSSE, Wis., March 21.—The wedding of William A. Hauser and Miss Bertha Kaus, of this city, yesterday, recalls interesting incidents of the Civil and Spanish wars. The ceremony was conducted in the home of the groom's father, Theodore Hauser, on his thirty-second wedding anniversary.

The father, a member of the Third Wisconsin volunteers in the Civil war, did not return with his regiment, but appeared after being given up for dead for two years. He had been in a Kentucky hospital, oblivious of even his name, from injuries.

His two sons, William A. and William J., were with Company M, Third Wisconsin, Spanish war volunteers. When the company returned both were missing, supposedly dead. William A. Hauser was found six months later in Helen Gould's New York hospital, convalescing. A month later his brother was found in a Philadelphia hospital, and the brother was best man at the wedding.

CHARGED WITH MANSLAUGHTER

FRED BRYAN ACCUSED OF CAUSING DEATH OF HARRY MORGAN

DEAD MAN KNOCKED SENSELESS. Alleged that Proprietor of City Hotel Struck Barkeeper a Savage Blow on the Face.

Fred Bryan, proprietor of the City hotel, was arrested last night on the charge of assaulting his bar tender, Harry Morgan, and as the latter died at 2:30 this morning, the charge was changed to that of manslaughter.

Bryan, it is said, has been drinking for some time, and last night at 7:30, in the course of an altercation with Morgan, he is said to have dealt him a severe blow on the head with his fist.

Morgan was a comparatively feeble man and he fell to the floor bleeding and unconscious. The city hospital ambulance was summoned and the injured man taken there. He died at 2:30 this morning without regaining consciousness.

Bryan has lived in St. Paul about two years, coming from Winnipeg. He conducted the X. T. U. S. saloon on Seventh for a time and last summer bought out the City hotel, 44 St. Peter street.

He is a lacrosse player of some note and is known as a man of violent temper and frequently got into trouble on the Canadian side owing to his pugnacious disposition. He says he simply pushed Morgan out of the saloon, and that he fell to the pavement, stunning himself thereby.

Morgan was forty years of age and had been a barkeeper for years in the different local saloons.

GIRL THE PRIZE ORATOR

VICTORIOUS IN CONTEST FOR NORMAL HONORS IN WEST SUPERIOR.

SPECIAL TO THE GLOBE. WEST SUPERIOR, Wis., March 21.—Miss Charlotte Ray, representative of the Oshkosh Normal, was victorious tonight in the oratorical contest in this city. Her subject was "A plea for Shylock." Ambrose Grace, of Milwaukee, won second place, and Frank L. Fawcett, of Plattville, third. A speaker was one of the most successful which the seven normals of the state have ever held. The opera house, in which it was held, was crowded to the doors, the contest between all of the speakers proved a close one, and it was almost an hour after the contest closed before the judges were able to render their decision.

MAKE FUN OF PRINCE

GERMAN NEWSPAPERS MINIMIZE VALUE OF HIS VISIT.

BERLIN, March 21.—Striking indeed is the way in which the gossip of Prince Henry's trip has been allowed to drop on this side of the water. While the papers give much space to all kinds of dull subjects, the prince's arrival is little more than casually noted.

Many of the papers have nothing to say at all. The cartoonist is hard at work, and almost each day some new caricature comes out minimizing the value of Prince Henry's visit or making fun of it.

FEARS RIOT IN JAMAICA

GOVERNMENT MAKING NUMEROUS ARRESTS, EXPECTING ULT.

KINGSTON, Jamaica, March 21.—Letters received here today from Port Au Prince, Hayti, say that the whole country is disturbed, owing to the bad political situation. The government, it is added, is making numerous arrests in several quarters, principally Jacmel, where it is feared a revolutionary outbreak is imminent.
