

CUBA AND THE PHILIPPINES

United States' Policy in the Two Is Contrasted by Senator Hoar

ARGUMENT MOST LOGICAL

PROFOUND IMPRESSION CREATED ON HIS HEARERS BY THE MASSACHUSETTS STATESMAN

SURRENDER THE PHILIPPINES

Mr. Hoar Arraigns Gen. Funston, Whose Nomination Would Not Have Been Confirmed Had the Senate Known All.

WASHINGTON, D. C., May 22.—A notable contribution to the discussion of the Philippine question was made in the senate today by Mr. Hoar, of Massachusetts. His views on the subject are well understood, but his expression of them today was profoundly interesting and even impressive. When the venerable senator began to speak, every senator at the capitol was in his seat and for the two and a half hours his address consumed he was accorded the most careful attention not only by his colleagues on the floor, but also by the people in the crowded galleries.

Mr. Hoar confined himself closely to his manuscript. He denounced the attitude of the government in the Philippines as one of the most foolish and wicked chapters in American history. He urged that the United States should withdraw from the Philippines and permit the people there to create their own government, as had been done in Cuba. He sharply arraigned Gen. Funston for the methods he pursued in the capture of Aguinaldo, and intimated strongly that had the senate been aware of the facts Funston might not have been confirmed in his recent promotion. He hoped that, as the irrevocable step had not been taken by the United States, better counsels would yet prevail and that this government would leave the Philippines.

The Senator's Argument.

Mr. Hoar said he was compelled to admit that the men who were responsible for one of the most foolish and wicked chapters in history were neither wicked nor foolish. His conscience would not permit him to follow these men and his conscience was the only authority he felt bound to obey in this matter. The United States was fighting to secure a dependency, not a republic; a government of our making and not of the government of the Philippines' making.

Discussing the testimony taken by the Philippine committee, Mr. Hoar said it had contained some pregnant admissions. What vindicates that which has been done so far is the saving the islands from anarchy and the material benefit conferred upon the Philippine people.

What the fathers of the republic said and our century of glorious history were appealed to in vain.

"Their lessons fell upon the ears of men dazzled by military glory and delirious with the lust of conquest." If the present way was followed, the declaration of independence would be repealed and nothing would be left of our doctrine except the principle of brutal selfishness.

"This government has erected a republic in Cuba and a despotism in the Philippines. Six hundred millions of treasure and 10,000 American lives have been sacrificed in that endeavor. In the Philippines the American flag had been made the emblem of sacrifice and the burning of homes and of the horror of the water torture. He believed that our officers in general were humane.

"But in some cases they have carried on your warfare with a mixture of American ingenuity and Castilian cruelty."

Cuba and Philippines Compared.

"What have your ideals cost you?" inquired Mr. Hoar. "For the Philippine islands you have had to repeal the Declaration of Independence. For Cuba you have had to reaffirm and give it a new luster. For the Philippines islands you have had to convert the Monroe doctrine into a doctrine of mere selfishness. For Cuba you have acted on it and vindicated it. In Cuba you have the eternal gratitude of a free people. In the Philippine islands you have the hatred and sullen submission of a subjugated people. From Cuba you have brought home nothing but glory. From the Philippines you have brought nothing of glory."

Referring to the cruelties committed in the Philippines, Mr. Hoar said he believed the American soldiers were as brave and humane as ever lived. They had done simply what always would be done in like conditions. The chief guilt was upon the heads of those who created the conditions. He believed that it would be impossible to pacify the Philippines.

Spontaneous applause swept over the senate and the galleries at the conclusion of the speech. Such a demonstration is very unusual on the floor of the senate. So pronounced was the attention of the officer called the attention of the presiding officer to the nature of the expression of approval or disapproval.

Mr. Teller, of Colorado, delivered a speech in the nature of a history of the legislative proceedings through which the new Cuban republic was created.

METHODIST BISHOP TESTIFIES

Theology, Politics and Metaphysics Are Blended.

WASHINGTON, D. C., May 22.—Bishop Thoburn, of the M. E. church of India and Malasia, was before the senate committee on Philippines today. He said the American occupation of the Philippines should be continued, and that occupation was an act of God. This led to quite a long line of questions by Senator Patterson, in which the bishop was asked whether the occupation of Cuba was an act of God, and when he replied in the affirmative Senator Patterson asked if the withdrawal was also an act of God.

"It is too soon to answer that," he replied. "The United States may have to go back there."

The line of the bishop's testimony is indicated by the following questions by Senator Patterson and Bishop Thoburn's responses:

"Has a Philippine government should be established and you should be asked

TORTURED IN TEXAS

Negro Assailant of a Woman Is Burned to Death by Degrees

SAVAGERY IS DISPLAYED

Bits of the Charred Body Carried Off as Relics—Many Women Among the Witnesses of the Incineration.

LANSING, Tex., May 22.—The negro Dudley Morgan, alleged to have criminally assaulted Mrs. McKay, wife of Section Foreman McKay, was burned at the stake here today. He was captured near Mount Pleasant this morning and taken before Mrs. McKay for identification. His last statement just before the fire was as follows:

"Tell my wife good-bye and tell her how I went. I was guilty of the charge and it all occurred on account of Whaley Hurd. He persuaded me to do it, and said he would do the same. We planned it at the section house before daylight Saturday."

The mob had elected a leader and all the armed men were drawn upon one side of the track and those unarmed on the other and every arrangement perfected before the train arrived.

Sheriff Made Prisoner.

When the sheriff and prisoner stepped from the train they were taken into custody by armed men. The officers were taken away and the negro was marched to his victim's home, where he was identified by Mrs. McKay and several neighbors.
