JUNIORS HAVE OUTING

PIONEERS MAKE JOLLY AT WHITE BEAR LAKE

One Thousand People Attend Annual Picnic and Enjoy Programme of Excellent Sport—All Sorts of Races and Many Kinds of Fun—List of Prize Winners.

About 1,000 people attended the thirtieth annual outing which was given by the Pioneer Juniors at White Bear Lake, Lake Shore, White Bear Lake, yesterday. The pleasure seekers all had a good time, and the outing was without a doubt the banner one in the history of the association.

A special train conveyed the picnic-goers to the pleasant grounds yesterday morning and returned about 11 o'clock last night.

A feature of the excellent programme of sporting events was the baseball game between the upper town and lower town members of the association. The game was an exceptionally well played one, and was won by the upper town nine by a score of 6 to 2. A feature of the game was the pitching of Dr. H. L. Bryant, who pitched for the upper town. In the ninth inning, when the opposing team was at bat, there were three men on bases and no one out, and it looked very much as if the score would be tied. Bryant, however, was equal to the occasion and quickly settled the matter by striking out the next three men that came to bat. The direction of Prof. Weide, and Frank Battley, who umpired the game, showed that he also knew something about the game. After the ball game, the picnicers enjoyed basket lunches, and during the afternoon an excellent musical programme was rendered by the Junior Pioneer band, under the direction of Prof. Weide, after which the programme of sports took place on the lake shore. The evening was given to dancing.

Woman's Fine Throwing

One of the remarkable feats accomplished in the sporting events was the ball-throwing of Mrs. Harrington, who won the ball-throwing contest for Junior's wives. She threw the ball a distance of 117 feet.

The committee on sports consisted of Dr. H. L. Bryant, chairman; Fred Zollman, Stephen J. Pich, James W. Jordan and Will E. Rasmussen. The judges were William Bazile, F. W. Zellman and Louis Betz, and the starters were W. R. Johnson and Frank Robert.

List of Winners

Following is a list of the winners of the events:
 Running race (Juniors)—James Jordan first, Henry Hensel second.
 Married ladies' race (Juniors' wives)—Mrs. Schiller first, Mrs. E. T. Long second.
 Boys' running race, under fifteen years of age—John Hanley.
 Girls' running race—Lenora Spiegel first, Ella Murphy second.
 One-legged race—Dr. Bryant first, W. H. Hensel second.
 Two-legged race—Dr. Bryant, Fred Zollman and Fred Gackstetter first, Dr. Bryant and W. H. Hensel second.
 Four-legged race—Charles Kartak first, W. H. Hensel second.
 Ball-throwing contest—Mrs. Harrington.
 Foot-rolling contest—Mrs. Henry Loeffelholz.
 Pat Juniors' race—H. H. Hensel.
 Girls' race (extra)—Grace Hanley first, Emily Snyder second.
 Potato race—John Hanley.
 Doughnut-eating contest—Mrs. H. Loeffelholz first, Mrs. Good second.
 The Junior having the largest family on the grounds—J. Grindall, who had seven children present.
 The heaviest wife of a Junior on the grounds—Mrs. E. Dahl.
 The tallest Junior on the grounds—Joseph Wagner.
 The shortest Junior on the ground—J. W. Clancy.
 Mrs. A. J. Snyder received the prize for having the youngest baby on the grounds.

SEVENTH AND CEDAR STS.

STREET CAR COMPANY AGAINST HOUSE MOVERS

Refuses to Let Down Wires Without Compensation, and Trouble is Threatened.

Licensed housemovers and the street railway company have clashed, and the differences have reached the stage that a refusal was made to pull the house across the tracks and force the removal of the wires.

The whole trouble is over the refusal of the company to let down any more of its overhead wires to permit the removal of buildings until it is reimbursed for its trouble. Yesterday the company compelled the payment of \$10 from one firm of house movers before a wire would be touched. It was paid under protest, after which the city authorities were appealed to, but as it was a private affair they could not be expected to do more than threaten.

The next time the firm had a house to move to notify the company of the fact, and if there was no response or a refusal was made to pull the house across the tracks and force the removal of the wires.

Because of the numerous railroad improvements being made on the West side, the street railway company has been compelled to lower its wires in order to permit their uninterrupted passage. This was generally done after the midnight hour, when traffic had ceased. Now the company says that the number is becoming so great that the constant lowering of the wires is a tax, and they don't propose to do any more of it unless they are paid for their trouble.

The profession of house mover in St. Paul is a licensed business, and is recognized both by the charter and by ordinance. The city authorities are under the direction of Prof. Weide, under the direction of Prof. Weide, after which the programme of sports took place on the lake shore. The evening was given to dancing.

DICKSON DID NOT REACH SCENE OF THE NUPTIALS

Armed Himself With Brass Knuckles and is Arrested Therewith.

Peter Dickson was in the police court charged with carrying concealed weapons. He was assessed \$500. Dickson was on his way to a wedding in the Margaret district and concluded that he might as well go prepared for any emergency that might take the form of hurling ancient boons and other articles of vertu that had outlived their original usefulness. He accordingly carried a pair of brass knuckles in his hip pocket, but was arrested before he arrived at the nuptials.

SHARP TIN CAN SLICES A YOUNG BOY'S NOSE OFF

Patrick Newell's Dive Into River Attended With Painful Consequences. Patrick Newell, thirteen years old, living at 229 Water street, dived into the river yesterday near his home, and while under the water a tin can, which was floating in the water, struck his nose, cutting it off. The operation had been performed with a scalpel.

PEDDLERS' WAGONS MUST NOT BLOCK DOWN TOWN STREETS

By Orders of Chief of Police Obstructions of This Character Are Moved.

Peddler's wagons, fruit and vegetable stands have been cleared from the streets of the city by the order of Chief of Police O'Connor. The chief gave instructions to the day detail yesterday morning to see that the streets were cleared of all obstructions of this character, with the exception of the down town district presented a different appearance yesterday. The peddler's wagons and stands are causes of frequent street blockades and the chief has all been forced to abandon their business or seek vacant lots where they will be out of the way.

Ready to Do Business.

Articles of incorporation were filed at the office of the secretary of state yesterday as follows:
 Pine City Mercantile company, Pine City, capital stock, \$20,000; incorporators, Frank C. Laird, Minneapolis, and Henry W. Harte and Frank A. Brown, Pine City.
 Laird Manufacturing company, Minneapolis, capital stock, \$10,000; incorporators, Frank C. Laird, Ezra J. Laird and Robert B. Laird, all of Minneapolis.
 Warren Light and Manufacturing company, Minneapolis, capital stock, \$10,000; incorporators, Benjamin Warren Jr. and L. J. Murray, both of Peoria, Ill., and J. B. Christian, of Minneapolis.

Amateur Dramatics Tomorrow.

At Paul Martin's hall, tomorrow evening, the Ideal Dramatic club will present the family play entitled "Not So Bad After All." The members of the association have spent much time in rehearsing, and an enjoyable evening is anticipated.

Elam Bound to Grand Jury.

Albert Elam, the negro bricklayer who shot William Johnson in the hand at the new Great Northern shops last week, was yesterday bound over to await the action of the grand jury on the charge of assault with a dangerous weapon. Elam and Johnson had been quarreling, which culminated in the shooting. Elam shot five times with a revolver, but only hit Johnson once. The latter's injury was slight.

Try the New Great Northern Railway Train for Sioux Falls and Sioux City.

Effective July 27th. It leaves St. Paul 7:30 p. m. Minneapolis 8:05 p. m. daily. Arrives Sioux Falls 8:05 a. m. Sioux City 8:00 a. m. Modern equipment. Palace sleepers and vestibule coaches lighted by acetylene gas. Tickets and full information at City Ticket Office, 332 Robert street, corner Fourth, St. Paul, Minn.

CITY PLANS TO FIGHT WATER BOARD GIVES \$2,000 FOR LEGAL TUGGLE WITH STREET CAR COMPANY.

Another's Discovered at the St. Paul Boom Company's Raft Yesterday Morning.

Yesterday morning the fourth infant to be found in the river during the present month was recovered floating among the logs at the St. Paul Boom Company's raft. It was a female infant a few hours old. It was brought to the morgue, where it was viewed by the coroner. It will be buried by the coroner.

Board to Have Two Electrical Experts of Its Own to Make New Tests—Case Involves Far Reaching Principle and Over Half Million Dollars.

The suit of the St. Paul Board of Water Commissioners against the Twin City Rapid Transit Company for damage to its equipment by reason of electrolysis is to be fought on a scale commensurate with the size and importance of the case.

Yesterday the board in special session ordered the setting aside from its funds of \$2,000, this to be subject to the demands of the city legal department and to be used solely in the employment of experts, the making of tests, the retaining of witnesses and the securing of anything that will aid the board in fastening the charges that it has made.

Case is Important.

The legal department looks upon the case as one of the most important it has ever engaged in, and is aware of the fact that the street car company will have no stone thrown in an effort to destroy the board's claims and charges. Two electrical experts will be engaged by the board, and when the proper time arrives they will be put to work and additional tests made for the presence of the destructive electrolysis. The board has in its possession the report of the engineering department, including the many tests made which are exhaustive, but as the street car company, which will undoubtedly attempt to dispute them, the board will make tests of its own that cannot be disputed.

The suit is for \$500,000 damages, and an enjoining order demanding of the company that it abandon its present system of return currents. Altogether it will be a costly suit in any event, and, if the city wins, decidedly so for the street car company, as it will necessitate the stringing of an additional trolley or the construction of many miles of conduits.

WATER MAIN IS TO BE LAID ON HYDE STREET

Board of Water Commissioners Decides to Supply a Long-Felt Want.

That part of the West side in the vicinity of Hyde street which suffered a disastrous fire several days ago because of inadequate fire protection in the shape of water mains is to be supplied at once.

Yesterday the board of water commissioners, after taking the form of a petition from the citizens of the neighborhood, decided to lay a water main on Hyde street, from Wabasha street to Hyde street, to be graded by the Omaha railroad, ordered a main laid, though not without first sending a request to the council asking that the order come from it and a record made. Otherwise the main could not be laid until the property owners in sufficient numbers had petitioned for it.

While recognizing the fact that this district has not any more water mains than it needs, the water board thinks the statement that the district is not equipped at all is a little overdrawn. Regarding the fact that several hundred feet of hose had to be laid before water could be thrown on the Villaume box factory fire, the members of the board say a main exists on Indiana avenue, in close proximity to the building, and it is tapped by a number of hydrants.

CRUET STAND HELPS TO SETTLE A DISPUTE

Boarding House Ruction Results in Three Fines of \$10 Each in Police Court.

The customary post-prandial discussion of national topics at the Star boarding house, on Payne avenue, brought three of the participants into the police court yesterday morning, where they each deposited \$10. Ephraim Pearson, Oscar Walden and John Carlson had some words. Ephraim lacked the symmetrical precision of statement possessed by the other two and attempted to make up for this lack in this respect by his quick delivery of invective, knives, forks and even a time-honored and venerable cruet-stand was brought into play. Walden and Carlson made a concerted attack on Pearson just as Officer Kelly entered the dining room. The officer encountered a hash platter which demolished his helmet. Walden and Carlson were convicted of disorderly conduct.

SUMMER ADVICE.

By One Who Knows.
 Keep cool in hot weather.
 "How?"
 By eating Grape-Nuts every day.
 "Rats!"
 No, no rats, but a good, sound fact that thousands make daily use of. Grape-Nuts is a predigested food which makes digestion easy.
 It gives the nourishment without the intestinal distress caused by heavy carbonaceous foods.
 You can feel from ten to twenty degrees cooler than your neighbor when you eat proper food that does not over-tax the stomach.
 Grape-Nuts is made from certain parts of the grain and by mechanical process the starches are changed into grape sugar in the same manner as the stomach would do in the first act of digestion.
 The phosphates of the cereals are retained in Grape-Nuts and these and the grape sugar supply the necessary nourishment to body, brain and nerve centers.
 Grape-Nuts is a concentrated food, giving strength, vitality and coolness to the body and energy and clearness to the brain. In place of the heavy, sluggish draggy feeling caused by meat, potatoes, etc.
 It is thoroughly cooked at the factory by food experts and saves you the trouble.
 You get it from the grocer, and by adding cream it is ready to serve.
 No hot stove, no cross cook, no loss of time or exertion as with other food.
 Its crisp taste, with the delicate sweet of the grape sugar, makes it pleasing to the palate of the most critical epicure.
 The recipe book in each package of Grape-Nuts gives many pleasing recipes. Salads, entrees and desserts that can be made.
 Worth a trial, and a package will prove it.

FOUR INFANTS FOUND IN RIVER THIS MONTH

Another's Discovered at the St. Paul Boom Company's Raft Yesterday Morning.

Yesterday morning the fourth infant to be found in the river during the present month was recovered floating among the logs at the St. Paul Boom Company's raft. It was a female infant a few hours old. It was brought to the morgue, where it was viewed by the coroner. It will be buried by the coroner.

Buffalo Bill Show COMES TOMORROW

Great Exhibition is More Complete Than Ever Before—Represents All Nations.

Buffalo Bill's Wild West will be in the city tomorrow. The great feature of the city tomorrow. The great feature of the city tomorrow. The great feature of the city tomorrow.

MURDERED BY FATHER

EDGAR C. BAKER, OF ST. PAUL, KILLED AT HIS OHIO HOME

Was Visiting Parents to Recuperate His Health—Father, While Intoxicated, Stabs Him With Knife—Well Known and Popular in This City—Cousin of Joseph Mounts.

Edgar C. Baker, a grocery clerk employed at Reynolds & Reynolds' grocery store, was stabbed to death Tuesday evening by his father, Edward Baker, at Morrow, Ohio. The young man was on a visit to his old home, seeking to recover his health. His father, who is a farmer, took a load of wood to Morrow Tuesday morning, and when he returned he was intoxicated. He had some words with his son and stabbed him with a penknife. The boy died almost immediately. The father was arrested and taken to the Lebanon jail.

RENTS TO BE RAISED AGAIN IN SEPTEMBER

Increase of From 15 to 25 Per Cent for Flats and Apartments.

The annual increase of rents for flats and apartments is again due, and the occupants will have to pay even now receiving notification of the increase. The increases range all the way from 15 to 25 per cent, and in some instances even more.

FORTUNES FOR SCHOOLS

RICH IRON MINE DISCOVERED ON STATE LANDS

Experts Place Yield At 10,000,000 Tons, Which Means \$2,500,000 More for State Educational Institutions—Other Beds Also Discovered, but Not Yet Examined.

Information has recently reached the state auditor's office to the effect that an iron mine, with 10,000,000 tons of ore in sight, has been discovered on state school lands near Hibbing. This mine is located on section 12, township 27, range 21, St. Louis county, and is just west of the town of Hibbing. The land was recently covered by the state public institution. The state auditor has been notified of the discovery of the mine, and the state auditor's office is now examining the mine.

TROUBLE IN STORE FOR STILLWATER COMPANY

State Factory Inspector Lott Charges Violation of Child Labor Laws.

E. B. Lott, state factory inspector, employed by the state bureau of labor, has charged the Stillwater company with two complaints against the company, superintendent of the Stillwater Boom corporation, charging the corporation with having employed children during school hours. Lott has been ordered to make a report on the matter.

HENRY L. MOSS LAID TO REST BY OLD FRIENDS

Funeral as Simple as Was His Unostentatious Life.

Simple and unostentatious as was his life was the funeral of Henry L. Moss, which was held yesterday afternoon from the House of Hope church. The services began at the home of the deceased, where Dr. Wallace, of Macalester college, recited a short prayer. Rev. Huston Taylor, assisted by Rev. M. D. Edwards of the Dayton Avenue Presbyterian church, conducted the services at the House of Hope church. Members of the State Historical society, Territorial Pioneer association and members of the Ramsey County bar were in attendance. The interment was in Oakland cemetery.

Violated Fish Laws.

At the office of S. F. Fullerton, executive agent of the state game and fish commission, information was received yesterday of the conviction of a man named White at Waterville, charged with violation of the game and fish laws, in having used a seine in fishing. White was fined \$25, with the alternative of thirty days in jail. Another man of the name of White and one of the name of White were arrested at the same time, but this second White escaped from the game warden.

Had Pharmacist in Shop.

J. Marks, who conducts a drug store on Payne avenue, was dismissed in the police court yesterday, on a charge of selling drugs without a pharmacist's license. The court was satisfied that the pharmacist in the store, who attended to the prescriptions, although a pharmacist, was not a pharmacist in the eyes of the law. The case was brought into court by the state department.

Elder Likely to Get It.

President Huber has incorporated in his call for the board of aldermen this evening the election of a member to fill the vacancy now existing on the county and city board of equalization.

Picnic at Turtle Lake.

The overall club held its annual picnic at Turtle Lake yesterday, and enjoyed one of the most successful events in its history. An elaborate programme of sports was pulled off, including a swimming match, a baseball game, a tennis match, a race, a croquet game, sack races and many other games.
