MUD HENS WIN ONE

KELLEY FOLLOWERS AND TOLEDO BREAK EVEN IN DOUBLE HEADER

STIMMEL IS WILD SHUT OUT FOR SLETTE

Nine Bases on Balls and Opposite Hits Give Visitors First Game—Saints Pound Lundumb in the Second Part—Pitcher Is Injured and Cogswell Finishes.

Table with columns: Played, Won, Lost, P. C. for various teams like Louisville, Indianapolis, St. Paul, etc.

Games Today. Columbus at St. Paul, Toledo at Minneapolis, Indianapolis at Kansas City, Louisville at Milwaukee.

By starting one hour ahead of time the mean and humble Mud Hens succeeded in forgetting all about the lobster championship and played like real champions.

Southpaw Mock, who is earning extra money subbing as an outfielder while C. Strobel advertises extensively in the Ohio backwoods weeklies for a shortstop to take the place of the barred owls, worked at his regular trade in the beginning end of the bill and showed quite muscular.

Slette Is Strong.

After the rest like Slette had things all his own way. In this part the Saints gave the game man from Hinckley, Minn., the proper grade of assistance.

Lundumb worked for three innings and the Saints piled up nine tallies. Unfortunately, just as the players were warming up to things in the third, C. Ferguson, acting third baseman, almost amputated the Lundumb throwing hand with a line drive, and Reddy Cogswell was called to the rescue.

The Hens started right on the jump in the first part. Meaney rapped one of Stimmels' for two sacks and Burns singled. The two visitors broke in with a double steal. Meaney sliding under Peirce at the plate. Turner drew a base. Kleinow bunted and kicked the bunt. Figgler called him out for trying to play the game with his feet.

In the middle round the Saints pulled up close behind. Kelley bumped out a two-sacker and Peirce repeated the trick. Kelly scored. Marcan's high

ball caught him on the wrist. Coombs finished the game.

It was almost a parade around the bases in the second game. Fourteen bases were lifted, but Grafius would have stopped several of the steals with his arm in condition.

Kleinow is a great little player. He is one of the best backstops in the association. While not demonstrating his arm he can also serve as utility man.

Three Straight For Columbus. Columbus made it three straight from Minneapolis yesterday. The Millers had a chance to lead in the eighth, but poor base running and a double play by Knoll and Hart prevented it.

The Second Game. In the second part the Saints took it out on Ferguson. Meaney singled, Burns hit to Stimmel and Grafius was caught at third. Turner drew a pass and then fanned. Second on a wild pitch. Burns and Turner worked the double steal and Burns got in. Kleinow was handed still another base on bad ones and Gilks singled.

Daugherty followed Huggins' drive with a bunt that Lundumb could not grab in time. Kelley fanned but Hurley singled. Lundumb worked in an error and all this mess made it five to start off with for the Saints.

In the third two passes, three singles, a two-sacker and a few more stolen bases gave the Saints four more. In the fifth Slette hit for a base and another pass put Ferguson behind him.

Slette had the Hens jumping sideways and they did not see a single check. Kleinow rapped one for two sacks, but nothing followed the clout. The second part was called at the end of the seventh. Scores:

Table with columns: AB, R, H, PO, A, E for St. Paul and Toledo.

Earned runs, St. Paul 2; two-base hits, Lundum, Kleinow; three-base hit, Hurley; stolen bases, Shannon, Kelley, Peirce, Meaney; sacrifice hits, Lumley, Mock; stolen bases, Shannon, Kelley, Peirce, Meaney; two-base play, Marcan to Huggins to Kelley; bases on balls, off Stimmel 3, off Mock 1, struck out, off Stimmel 3, by Stimmel, Mock, Turner, Cogswell; wild pitch, Stimmel; left on bases, St. Paul 3, Toledo 2; umpire, Figgler.

Notes of the Game. This afternoon the Saints open the three-game series with Columbus. The Columbus team has full recovered from its slump and is again playing fast ball.

First Chance in Fourth. The Saints got their first chance in the fourth. Shannon rapped one to left and Cogswell misjudged it. It was good for two sacks. Spike lifted third and scored, while Kleinow stopped Huggins at first.

In the middle round the Saints pulled up close behind. Kelley bumped out a two-sacker and Peirce repeated the trick. Kelly scored. Marcan's high

Phil Geler sprained his ankle in practice and was out of the game. The accident was not serious one and the fellow may be able to take his place this afternoon.

The fans who have started the report that Pat Dillard has jumped to Brooklyn are not playing fair with the big outfields. Dillard and Geler received offers from big league agents and could have rubberlegged, but the two refused to play any more for the Saints.

Young Slette, the pitcher secured from the Northern league, showed like a real confidence in the second game. Slette has singled, but as utility man he is making him the idol of the St. Paul fans.

Jerry Hurley worked in the second game. Jerry has been out of the game for some time, and he acted like a man just back from a vacation. He poked out a single and was able to play, but he also used his head. Hurley led off behind the bat helped Slette considerably.

The Toledo team is in bad shape, and meekly so because President Hickey insists that contract jumpers must keep out of American association territory. Hickley's order barring Shortstop Owens leaves the Mud Hens with a bad hole in the field. Kleinow, a catcher, is compelled to work in shortstop and this leaves him with a bad arm, and the base stealing that goes on has him back of the plate much like a bunch league. It is not Grafius' fault it is Hickey's.
