HICKEY LEAGUE DEMANDS ALL DISPUTED TERRITORY

Van Brunt Organization Proposes an Equal Division and Then Offers to Pay \$20,000 for Kansas City and Milwaukee Franchises—Another Meeting to Be Held Nov. 15.

NEW YORK, Oct. 29.—After another session today the national board of arbitration gave up the task, for the time being, of trying to settle the Western baseball war. The board adjourned to meet in Chicago Nov. 15. Meantime a truce has been declared between the Western league and the American association with regard to taking each other's players.

According to a member of the board, the American league people want the Western league to get out of both Kansas City and Milwaukee, Van Brunt to get a half interest in the Kansas City team. This proposal was rejected by the American association who will listen to the Western leaguers declined to hear a compromise on these terms, but proposed an equal division of disputed territory. When this was refused the Westerners offered the American association \$20,000 for the franchises of the two cities which they offered to sell at the same figure. Nothing came of their offer.

KENNEDY PROMISES TROUBLE.

Sport Promoter Insists Upon Managing New York American Team. NEW YORK, Oct. 29.—If the American league secures grounds in New York city and Jim McHugh is to manage the job as manager, as lively a row as that which the Johnson league has put up against the National organization is likely to ensue. Henry Killilea, of Milwaukee, has an ambition to manage New York's proposed team and is strongly opposed by Kennedy, who wants to know what right a foreigner has to butt into an Eastern New York club which he like himself with money and influence stands ready to do the business.

Napoleon Lajoie, of the Cleveland baseball club, referring to a report that he had or was about to sign a three-year contract with Brush for a compensation of \$25,000, said: "The story is pure rot and without the slightest foundation. My contract with Cleveland does not expire until the end of the season and if I live it will be fulfilled. I am satisfied with the treatment and salary I receive by the Cleveland club and nothing would tempt me to break my contract."

NOW HEDGES CLAIMS PLAYERS.

St. Louis Magnate Says He Signed Mathewson and Bowserman.

CINCINNATI, Oct. 29.—Secretary Hedges, of the St. Louis American league team, declares that Mathewson and Bowserman positively will play for the club next season. "Both men signed with me and accepted advance money two months before the close of the season. I am quite certain they will report to us in the spring. Jack Harper, who goes to the Cincinnati club, is the only man who has not yet reported. He has more money than we can pay him. All our other men, including Hedges, who will play for New York, and Bob Wallace, who turned down an offer of \$7,000 a year ago for three years from Cincinnati, are in line. Harper did not pitch up to his man and me last season, but he is a good man and may be valuable to the Cincinnati club."

NERVOLA CLIPS A SECOND FORM TWO-MILE FIGURES

Onward Silver Makes Gallant Effort, but Can Only Tie Former Mark—Carl Wilkes Wins Emerald Handicap—Chain Shot Beats The Abbott.

MEMPHIS, Tenn., Oct. 29.—Two world's records were reduced and another tied at today's Memphis trotting meeting. The first special event was the attempt to break the mile record. Alert to pace a mile, as a team, against the record of 2:08 1/4, the pair were driven by Geers and when the time, 2:05 3/4, was rung out the crowd gave the stars an ovation. The first quarter was paced in 32 1/2, the half in 1:04 and the three-quarter pole was passed in 1:54.

Onward Silver next appeared to beat his previous two-mile trotting record of 4:28 1/4. Driven by Hudson, the horse made a gallant effort, but he could only tie his former mark. The bay stallion Nervola was sent against 4:25 1/4, the pacing record for stallions at two miles. Dean and second was clipped off the old figures. Prince Alert failed to beat the geldings' pacing record of 2:00 3/4, finishing the mile in 3:09.

Sir Albert S was a hot favorite for the Emerald handicap for 2:09 pacers. He gave way to Carl Wilkes, who won the Emerald handicap for 2:09 pacers. Chain Shot beat the Abbott in the free-for-all trot, while Hugh Wynne annexed the purse in the 2:30 trot.

Ryan Has Good Day.

CHICAGO, Oct. 29.—Elsie L. with 115 pounds on her back, won the lightweight hand-picked speed covering the six furlongs in 1:12 3/5, and won easily by a length from the lightweight two-year-old Jackroll.

T. H. Ryan engineered a successful coup in the big game with his gelding, Flyer, taking more money out of the ring than has been won on any other race in Chicago. Flyer opened at 15 to 1 and was backed down to 6 to 5. In a combination of the money, Flyer would take on the horse and were still backing him at post time. Flyer got away fast and led the race from the start, where he went to the front and galloped home an easy winner over the field. Weather clear and cool; track fast.

Nevermore Wins Feature.

NEW YORK, Oct. 29.—Nevermore, at 7 to 1, won the feature event, Creedmore stakes for two-year-olds, at Aqueduct today. The colt, owned by J. P. McManis, jumped away in front and led her field to the stretch, where Lynne sent Nevermore to the front in a clever fashion. Bonnhert, carrying 128 pounds, won the first race in a driving finish from the two-year-olds. The weather was cold and the track slow.

Wisconsin Shows Fast in Practice and Students Are Happy.

MADISON, Wis., Oct. 29.—The indications tonight are that Wisconsin will have a good chance to win the big game with Michigan that has been held in open practice, which was the first real hard practice that has been held in public since the team has been rounding into championship form. Students and townspeople watched the practice, and they went away feeling more confident as to the outcome of the game against Michigan than at any time during the season.

PARSON DAVIES IS PAINED.

Board's Manager Does Not Like Harris' Absent-Mindedness.

CHICAGO, Oct. 29.—"Parson" Davies, "Kid" Broad's manager, does not like the way Parson Davies has been handling the public that the great little Eastern fighter recognizes only two opponents, Benny Yanger and Young Corbett. The "parson" said last night: "I might have created something of a scene if I would have called Mr. Humphreys at the American Athletic club, made his name about McGovern. I would have told him then and there that I have a fortnight's notice to fight him, and I would have supported a challenge from Broad to McGovern for a fight under any terms that will suit him, Harris or McGovern. Just why Harris has chosen to overlook this forfeit I do not understand. It was not in my good faith, Harris can get a side bet and there is no doubt the pair can get nice purse offerings somewhere. I would like to get some expression of opinion from Harris or McGovern about this matter."

"REFORMS" OF GOV. VAN SANT

Continued From First Page.

Special Counsel Prevails.

Dunn's resolution was opposed by M. D. Munn, counsel-in-chief for the Twin City Rapid Transit company and special counsel employed by the general governor to earn the \$25,000 appropriated by the legislature by keeping the so-called merger suit before the people and out of the courts. The pleadings of Mr. Munn were sufficient for the special tax reformer. He voted against the Dunn resolution which would have lifted part of the tax burden from the producing classes. The farmers and the women owning sewing and knitting machines were not represented at the First ward meeting, but the opening of the Second ward committee drawing fees from the state treasury. The valuation of farm lands throughout the state were raised from 10 to 60 per cent and the sewing and knitting machines were valued at something over \$700,000.

Mr. Rosing's address was preceded by special speeches by John L. Gleske, M. F. Kain, Peter J. Metzford, John C. Hardy, candidate for senator in the Thirty-fifth district. After the party leader left for the Fifth ward short speeches were made by T. D. O'Brien, M. R. Wendelast and John B. Olivier.

The Young Men's Democratic club of the Fifth ward, to the number of 500, and prominent members of the party in the ward, gathered at C. S. Leonard's hall, Alameda and Rose streets, for a meeting. Their standard bearer for governor.

Mr. Rosing when he entered the hall was given a reception which showed the party in the ward. Mr. Rosing was presented by D. W. Lawler, T. R. Kane, Philip Martin and P. J. Metzford.

George P. Jones, candidate for clerk of the supreme court, made his first bow to a St. Paul audience at the meeting and his words will be recalled.

Royally Welcomed in Eighth. It was nearly 11 o'clock when Mr. Rosing reached the Eighth ward meeting, but the 400 enthusiastic Democrats who had gathered to listen to an address by their candidate for governor were not daunted by the lateness of the hour.

Mr. Rosing was given a royal welcome and spoke briefly on the issues of the public expense of his tour of the state. He urged his audience to stand firm by the principles of Democracy and on election day to vote the entire ticket from top to bottom.

Previous to the speech of Mr. Rosing the audience listened to short speeches by T. D. O'Brien, candidate for clerk of the supreme court, F. A. Pike and a number of the candidates on the county ticket.

REPUBLICANS IN TROUBLE.

Candidates Avoid Committee and Every Man Shifts for Himself.

The Ramsey county Republicans are again in a state of internal disaffection. Every Republican in Ramsey county and especially those Republicans on the county and legislative tickets, are avoiding the possibility of an attempt to poll anything like the same vote for Van Sant that he secured two years ago, and so far as the candidates are concerned it is every man for himself and the devil for the hindmost.

There is on the Republican side an absolute absence of co-operation among the candidates and nine out of every ten of the nominees are out of joint with the local committee. They are making a claim of absolute fidelity of an attempt to poll anything like the same vote for Van Sant that he secured two years ago, and so far as the candidates are concerned it is every man for himself and the devil for the hindmost.

The most satisfactory feature of the Democrats' campaign work in Ramsey county and particularly in the city is its thoroughness. The party has performed last spring through the untiring efforts of M. F. Kain is even more complete now and no detail of the work has been left undone. There is no pretense in St. Paul without a complete and energetic organization headed by experienced men.

Coupled with the completeness of the campaign made by the candidates and the enthusiasm of the voters who are unmistakably with the Democrats in matters of the public expense of the campaign rapidly drawing to a close is not a mere hunt for office or promotion of the party in interest of the people are at stake. The question to be decided so far as the local tickets are concerned is purely one of business, directly affecting the pocket-books of the citizens.

It is a question of indorsing or repudiating the policies of the Republican county committee which has placed the stain of enduring shame on the history of the county through the partial construction of the jail, which exceeds the charter limitations in matters of public expense and the extravagance and corruption of public servants. The common council cannot exceed the charter limitations in matters of public expense and the extravagance and corruption of public servants. The common council cannot exceed the charter limitations in matters of public expense and the extravagance and corruption of public servants.

Again it is a question of indorsing or repudiating the maladministration of county officers under Republican rule. A question of the election of Democrats who have proved themselves competent and honest and whose record has been entirely free of reproach to the taxpayers. The people fully realize the difference and are with the Democrats. The Democrats are all pulling in the same direction and the county officers under Republican rule are co-operating with the state committee to pile up a huge majority for the state ticket and a corresponding majority for every candidate on the county ticket.

RECEIVERSHIPS FOR LUMBER COMPANIES

Steps Preliminary to Reorganization and Consolidation of Southern Pine Interests.

NEW YORK, Oct. 29.—Waterman A. Taft, Edward J. Hathorne and Ben. J. Fairchild were appointed in the supreme court today temporary receivers for the Export Lumber company on the application of the forty of the company's directors asking for a voluntary dissolution of the corporation. The petition says that some \$50,000 of liabilities due and about to mature cannot be met. The total liabilities amount to \$2,355,538 and nominal assets \$2,598,920. The company was incorporated in 1873 and has a capital stock of half a million dollars. The property to come into the hands of the receivers in this state will not exceed that amount. The principal stockholders are Charles R. Flint, Alden S. Swan, and John D. Carberry. The company has branches at Boston, Mass., Georgetown, S. C., and in Cuba.

In the United States circuit court today Freeman S. Farr and Edward J. Hathorne were appointed temporary receivers for the Atlantic Coast Lumber company within the Southern district of New York. The same two temporary receivers were appointed previously by the United States district court in the eastern district of Virginia. Mr. Farr was the former president of the company. The appointment of the receivers was due to an action brought against the company by its trustee, the Colonial Trust company, of New York, the lumber company being unable to meet the interest payments due the trust company.

A statement issued today by those interested in the two lumber companies says that the receivers have been appointed in connection with the reorganization and contemplated consolidation of the principal lumber companies within a handling what is known as North Carolina short pine. The statement says that even in the case of liquidation the assets of the two companies will be in excess of all liabilities. Plans are already in process of formation for the reorganization of the company and the consolidation of the Southern Pine Lumber interests.

PARIS FIDDLERS ARE TO CEASE FIDDLING

Musicians of All the Theaters but Two Will Go on a Strike Today.

PARIS, Oct. 29.—The musicians of the Paris theaters, at a meeting today, voted unanimously in favor of a general strike beginning tomorrow at the theaters of the city. The decision is the result of a protracted conflict with the managers of the theaters over wages and extras for rehearsals and matinees. The managers insisted that the artists rehearse free and the musicians should also do so. The strike affects most of the theaters of the city. Only two theaters, the Grand Opera and the Opera Comique, have been forbidden because these houses receive government subsidies. All the other theaters of Paris, however, are included.
