Spring Millinery

To those who did not attend our spring opening we wish to announce our departure from "cheap" millinery—that we are showing the medium and best only—that we have designers of the highest class. We will appreciate a comparison of style and values, knowing well what your verdict will be. We make every effort to give you the best at very small cost. Our Hats at \$5.00 to \$12.00, for dress or street wear, positively cannot be had elsewhere for anywhere near so little money. The styles are exclusive.
