

Write for my Help And Get Well at my Risk.

Nearly 550,000 sick ones have accepted my help, and got well without risking a penny.

Over 65,000 of them have written me testimonials, without solicitation. I shall be glad to send you all that you will read.

On Jan. 11, 1903, I published in the Chicago papers the names and addresses of one thousand people in that city alone, whom I had cured of chronic diseases in just the past six months. That is a record which has never been approached in the history of medicine.

I can cure you, too. Simply send me this coupon, or write me a postal stating which book you want. I will then mail you an order on your druggist for six bottles Dr. Shoops' Restorative. You may take it a month on trial. If it succeeds, the cost is \$5.50. If it fails, I will pay your druggist myself. And your mere word shall decide it.

That offer itself is the best evidence possible that my Restorative will cure; for if it failed often the offer would ruin me. The remedy that makes that offer possible, strengthens the inside nerves. It brings back the nerve power which alone operates the vital organs. It is the result of my lifetime's work.

A weak organ must have more power. It is useless to doctor the organ itself. It is like a weak engine that needs more steam. And my Restorative forms the only way known to bring back that nerve power, and make the weak organ again do its duty.

My Restorative, kept in the house, will enable you to head off the serious diseases by treating the little troubles promptly. But if a chronic trouble has developed, it is very probable that this remedy forms the only way to a cure.

CUT OUT THIS COUPON.
For we all desire to send for something, but forget. Mark the book desired and mail this with your name and address to:
Dr. Shoops, Box 761 Racine, Wis.
Book 1 on Dyspepsia. Book 4 for Women.
Book 2 on the Heart. Book 5 for Men (sealed).
Book 3 on the Kidneys. Book 6 on Rheumatism.
Mild cases, not chronic, are often cured by one or two bottles. At all druggists.

BIG CONCERN CAPTURES BAKERY

New Jersey Corporation Takes the Victor Company.

The Victor Bread company, Tenth and Minnesota streets, one of the largest concerns in the Northwest devoted to the exclusive manufacture of bread, has been absorbed by the Ward-Corby company, a New Jersey corporation. The transfer was effected yesterday, and the new-comers will be in charge in a week. The company was organized originally to exploit a new process of bread

making and incidentally to curb the rapid advance of the baking trust in the St. Paul field. Hugo Schlenk, the president of the Victor Bread company, and practically the sole owner, denied emphatically that the concern had been taken in by the trust.

"The Ward-Corby company which has taken over our bakery is an independent concern, and is one of the strongest opponents of the National company, which is known as the baking trust," said Mr. Schlenk last night. "It is a consolidation of the Ward-Mackay company, of Pittsburg, the largest bread bakers in the world, and the Corby brothers, of Washington, who own patents on the process which we use in bread making. The company was incorporated under the laws of New Jersey about eight months ago and now controls bakeries in a number of the leading cities of the United States. Both of these concerns have stood out against the baking trust ever since it was created, and have impeded its progress greatly."

The Victor Bread company was organized last fall, and for its use the large two-story building at Tenth and Minnesota streets was erected by D. R. Noyes, the owner of the lot. It was built on what was originally intended to be the foundation of a new Y. M. C. A. building, a project which came to grief because of a lack of funds. The building cost \$20,000, and the baking company installed modern bread-making machinery to the value of \$25,000.

BEATS A WOMAN AND IS BEATEN BY POLICEMAN

"Butch" Cassidy Strikes Miss Victoriana Siegler in View of Large Crowd on East Fifth Street—Man Struggles Desperately With Policemen.

While a crowd of two hundred people watched the spectacle without even a word of protest, "Butch" Cassidy beat Miss Victoriana Siegler last night in front of Spencer Branch restaurant until the young woman fell to the pavement unconscious. For ten minutes after the assault the man walked up and down the sidewalk wholly unconcerned, while others attended his victim. Then, when placed under arrest by Patrolman Lindou, Cassidy showed fight and there was a desperate struggle before he was finally landed in the patrol wagon.

Neither Cassidy nor Miss Siegler would say anything of the cause of the quarrel last night. Miss Siegler is employed as a waitress at the Spencer Branch and for the past two weeks Cassidy has called regularly every night to accompany her home. Last evening he came at the usual time, shortly after 8 o'clock. When Miss Siegler came from her work she was met directly outside the restaurant by the man. She evidently did not wish to accompany him, for when Cassidy took her arm, she pulled away. Cassidy then began to talk in a loud voice and to threaten, but the pretty waitress was heard to reply to all his demands, "No, I won't go. You leave me alone."

Within a few moments a large crowd had gathered. Miss Siegler said something to Cassidy about attracting too much attention, and walked towards the restaurant door. She was followed by the man, who struck her just as she was about to enter the cafe.

Falls in a Faint.

The first blow seemed to stun Miss Siegler. Before she recovered she was again struck in the face. The force of the slap was so great that she fell to the walk in a dead faint. No one in the crowd attempted to restrain Cassidy.

Harry H. Spencer was told of the affair, and rushed to Miss Siegler's assistance. When he reached the street he found the young woman lying on the sidewalk. He carried her into the restaurant, where she was cared for. It was fully twenty minutes before Miss Siegler became conscious. She was then taken to her home.

Shortly after Miss Siegler was taken into the restaurant, Policeman Lindou was told of the assault. He placed Cassidy under arrest, and he and the final Lindou got his man to the call box at Fifth and Robert streets and summoned the patrol wagon. It took the combined efforts of three policemen to get the infuriated man into the patrol wagon. Cassidy was charged at the central station with disorderly conduct. He was released on producing \$25 bail.

URGE THE ABOLITION OF TRADING STAMPS

Saintly City Council, U. C. T., Passes Resolution Favoring Passage of Bill.

Saintly City Council No. 50, U. C. T., at a meeting last night at Elks' hall, discussed the measure before the house of representatives providing for the abolition of trading stamps in the state. This bill, which originates in the senate, has passed that body, and is at present in the house. The following resolution was unanimously adopted: "Whereas, recognizing that trading stamps and kindred gift schemes are being forced upon merchants, and that consumers are being duped, because,

in the end, instead of 'getting something for nothing,' they, in fact, pay dearly for an alleged gift.
"Resolved, That Saintly City Council No. 50, U. C. T., with its nearly one thousand members, expresses its contempt of the trading stamp and other 'get-rich-quick' schemes.
"Resolved, That, as Senate File No. 126, a bill to eliminate the trading stamp evil from Minnesota, has passed the senate, this council, approving that measure as urged by the merchants generally of the state, earnestly desires its passage as presented, by the house of representatives.
"Resolved, That the secretary of this council present these resolutions to the newspapers for publication."
A committee, consisting of Ike Lederer, Fred Mason and Malcolm E. Nichols, in conjunction with the secretary, was appointed to present these resolutions to the judiciary committee of the house of representatives.

KEEFE SEEKS TO SET INDICTMENT ASIDE

Claims Names of Grand Jury Witnesses Were Not Listed.

KEEFE SEEKS TO SET INDICTMENT ASIDE

Judge Bunn, in the criminal division of the district court, yesterday partially heard the arguments on the motion made by Attorney Samuel A. Anderson to have the indictments against Wm. L. Keefe quashed on the ground that they had been illegally returned, and continued the hearing until next Tuesday.

Mr. Keefe was indicted on two counts by the December grand jury, it being charged that he had attempted to bribe jurors in cases in the settlement of which he was interested. When the case was called for trial, Keefe's attorney made a motion to have the indictment quashed on the ground that some of the witnesses who had been called upon to testify against Mr. Keefe before the grand jury had not been listed upon the face of the indictments returned. The law requires that the names of all witnesses before the grand jury be indorsed upon the indictment.

When the case was called for hearing before Judge Bunn yesterday affidavits, made by County Attorney Kane and Charles W. Gordon, one of the grand jurors, were presented to the court for the purpose of showing that the witnesses whose names are alleged to have been omitted from the indictments were called for the purpose of furnishing evidence in other matters under consideration, and not in the cases in which indictments were returned. County Attorney Kane contended that all of the witnesses whose testimony had anything to do with the cases in which the indictments were named on the indictments, and he opposed the quashing of the indictments.

Judge Bunn's rulings were rather in favor of the county attorney, although he allowed the request of Keefe's attorney to subpoena some of the grand jurors, and that proposed parade of the members of the grand jury which found the indictments will be examined as to whether or not the witnesses whose names did not appear on the face of the indictments gave testimony regarding the cases in which bills were found.

ST. PETER'S CHURCH ORGAN TO BE USED

New Instrument Will Be Dedicated at Today's Service.

For the first time the new pipe organ of St. Peter's Episcopal church will be used at the Passion Sunday services. On Eastern evening Bishop Edsall will administer confirmation in this church. For the successful celebration of the organ, the pastor has been preparing a class of young people.

A handsome carved oak altar recently placed in the sanctuary, and consecrated by the bishop upon the occasion of his visit.

To Canadiana, living in the Twin Cities, it will be a pleasure to learn that the Rev. P. Du Moulin, who will deliver the closing lectures of the Episcopal series in the churches of Minneapolis, St. Paul, Tuesday and Wednesday evenings, respectively, is a son of the bishop.

PLASTERERS DEMAND NEW SCALE OF WAGES

Will Strike Wednesday if Masters Do Not Comply.

The first union labor strike of the year in St. Paul will be inaugurated next Wednesday morning when 100 union plasterers will walk out if demands for an eight-hour day, a 10 percent increase in wages are not acceded to by the master plasterers.

The new scale, which in brief is \$4.50 a day, eight hours, including a half working day, time and a half for overtime and double time for Sundays and holidays, was forwarded to the Master Plasterers' association before the strike would be effective on the first day of April.

When the new scale was hinted some time ago the Master Plasterers' association announced that it would grant the demands of the union if the members would sign an agreement not to work for any plasterer who did not belong to the union, and that if that was refused. A special meeting of the union will be held Tuesday and if the scale is not signed by that time the order to strike the following morning will be given.

REAL LION HUNT IN MASSACHUSETTS

Cage Bursts Open With Results Quite Animated in Character.

PITTSFIELD, Mass., March 28.—There was a genuine lion hunt in Pittsfield tonight, during which one lioness, Vic, was killed, and another captured. Both were attached to the Boston animal show, and before their escape Vic attacked one of the attendants, William Crawford, who was driven into a small cage to be lowered from a rear window to the ground, a distance of about sixty feet. While the cage was in mid-air the lion broke, and the cage fell to the ground, bursting open as it struck.

Crawford went into a cage with four lions early in the evening to feed them, and Vic attacked him. He drove her back into a corner with an iron bar. After the evening performance Vic and another lioness, Sappho, were driven into a small cage to be lowered from a rear window to the ground, a distance of about sixty feet. While the cage was in mid-air the lion broke, and the cage fell to the ground, bursting open as it struck.

Just below the window there was a horse and wagon, and Vic made a run for the horse and fastened her jaws in the horse's neck. The attendants of the show collected rifles, revolvers and shotguns, and with several policemen, started to capture the animals. It was impossible to drag Vic away from the horse, so the lioness was shot dead, seven bullets being driven into her body. In the meantime Sappho, being frightened at the firing, started off down North street. There were few persons on the street, and a dozen of the hunters followed, and Sappho was captured in the central automobile station.

SAMUEL THOMPSON, JR., a Prominent Business Man of Germantown, Pa., says:

"It gives me pleasure to tell that Warner's Safe Cure has accomplished for me. I inherited rheumatism, and from childhood I had an affection of the kidneys. When but a boy I became a victim of catarrh of the bladder. I could not describe my awful sufferings. My bowels and stomach were continually out of order, and frequently when I was passing along the street I became sick and dizzy. One day I met a friend who had just returned from the mountains. I saw that he was suffering from the same disease as I was. He told me that he had been cured by Warner's Safe Cure. I took nearly a dozen bottles. After I had first begun to use the cure, I felt marvelous. I commenced to feel better, and was soon on the road to complete recovery. I am now in good health, and free from rheumatism and all my other troubles, and all this is due to Warner's Safe Cure."

Warner's Safe Cure is purely vegetable and contains no narcotic or harmful drugs; it is free from sediment and is pleasant to take. It does not constipate; it is a most valuable and effective tonic; kills the disease germs; it is a stimulant to digestion and awakens the torpid liver.

At the meeting last evening of the general committee in charge of the arrangements for the president's visit, a line of march for the proposed parade and a route for the carriage drive, which will take place after the conclusion of the formalities at the capitol, were agreed upon and citizens along both routes are urged to decorate their places of business or residences.

ROADSIDE GOLF CLUB TO LOSE ITS LINKS

Organization, It is Understood, Will Be Without a Home.

The Roadside Golf Club, it is said, will probably cease to exist as an organization, owing to the fact that its grounds will be devoted to other purposes.

Engineers are already engaged plotting that territory, and in many places preparations are being made for building.
