SCHOOL BOARD TO ELECT SECRETARY

Rumor Has It Director Savard Will Be Chosen to Fill Office.

Among other matters to be disposed of at the meeting of the board of school inspectors today is the election of a secretary.

It has been understood that James Healy, who has served as secretary of the board for the past eight years, would be re-elected, but last evening it was stated by officials connected with the board that Healy had but two votes out of the seven members. The two votes are those of Inspectors Egan and Savard.

Charges of discrimination in the purchase of supplies were made against Secretary Healy, but after an investigation by a committee from the board, he was exonerated.

Since the report of the investigating committee those interested in the making of the charges have been insisting that Healy should not be re-elected and some of the parties have gone so far as to offer to bet that a new secretary would be chosen.

Samuel B. Larperent and George P. Jones, who was a candidate on the Democratic ticket for clerk of the supreme court last fall, are mentioned as candidates for the position.

Those who have been opposing the re-election of Healy, outside the board, gave it out last night that Octave Savard, at present a member of the board, would be elected secretary.

ASK FOR MACADAM ON SUMMIT AVENUE

Order for Resurfacing Will Be Introduced in Council.

Assemblyman Doran is preparing to introduce an order in the council calling for the resurfacing of Summit avenue from Dale street west with material similar to that now used on the park driveways. It is to be macadam and the proposition is to have Fred Nusbaum, superintendent of parks, superintend the job.

Summit avenue, as far as Dale street, is paved with asphalt and some of the property owners west of that street want the asphalt removed and replaced with macadam. It is hard to believe that it will be done. The street is quiet and some of the property owners make the point that they cannot afford the expense.

WILL SETTLE DISPUTE OF LONG STANDING

Assembly Asked to Fix Pay of Members of Board of Abatement.

In order to settle a dispute of long standing the assembly at its meeting Thursday evening, will be asked to approve an ordinance fixing a regular salary for the members of the city board of abatement. Their pay will be made \$3 a day.

The board of abatement is provided for by the charter, but the system of paying the members has never been definitely settled. For nearly twenty years they have been paid on certification by the mayor and the board, but now to fully legalize this method, and remove any possible protest, an ordinance specifying the per diem will be passed.

Wants \$5,100 for Two Toes. Because a part of a printing press fell on his foot and fractured two of his toes so badly that they had to be amputated, Charles P. Kneissel has brought suit against the St. Paul Foundry company for \$5,100. The defendant company was engaged in moving the presses of The Globe last December, and Kneissel was assisting, when the accident occurred. He alleges carelessness on the part of the defendant, and asks for damages.

City's March Receipts Over \$1,000,000—At the close of business yesterday City Treasurer Bremer had \$742,219.82 in his strong box. The receipts for the entire month of March amounted to \$1,044,292.25 and the disbursements \$291,982.72.

Will Remove Old Cedar Blocks—Preparations for the paving of Ramsey street, Crocus place and Ninth street from Smith avenue to Jackson street were begun yesterday. The old cedar blocks are being removed and the three streets will be surfaced with asphalt.

Publishers Get Paid—State Auditor Peterson is sending \$26,000 to newspaper publishers of the state. The proprietors of 570 papers got \$35.50 for publishing the laws passed at the extra session, and 114 get \$125 each for publication of the constitutional amendments last fall.

Worry About Proposed Law—The state game and fish commission held a session at the office of City Lamprey, president of the commission, yesterday. Only routine business was transacted. The members indicated in a deal of castle building, that they were not in favor of the legislature granting the appropriation asked for.

Will Debate on Gas Plant—The Y. M. C. A. debating club met at the Y. M. C. A. last evening. The club will next Tuesday debate the question: "Resolved, That St. Paul should own and operate its own gas plant." The debaters will be: Affirmative, C. H. Barber and H. H. Hembury; negative, L. Levine and Dr. A. McNamara.

PRISONERS MOVED TO THE NEW JAIL

Thirty of Them Are Transferred in Twos and Fours.

The transfer of prisoners from the temporary jail on the top floor of the court house to the new jail building was made at 7 o'clock last night, at which time the thirty prisoners confined in the temporary jail were taken to the new building.

The transfers were made by the deputies of the sheriff's office, and the men were taken away from their homes in twos and fours. The new jail yet lacks much of completion, but the work yet remaining to be done can be completed as well with the jail occupied.

WANTS BLOODHOUNDS TO TRACE LOST WOMAN

Aged Mother of Ernest Fink, of Tony, Wis., Is Missing.

Sheriff Justus yesterday received a telegram from Ernest Fink, at Tony, Wis., asking him to provide bloodhounds for the purpose of locating Mrs. Mary Fink, mother of Ernest Fink, who wandered from her home, four miles south of Tony, last Sunday, since which time she has been lost in the woods.

Searching parties have been organized, but in vain, and as a last resort it was decided to place bloodhounds on the trail. Mrs. Fink's advanced age leads to the belief that she might have lost her way in the heavy timber in the vicinity of Tony. She is seventy-eight years old. Sheriff Justus wired back that there were no bloodhounds available in St. Paul.

Proclamation of the Mayor

On Saturday, the fourth day of April, 1903, Hon. Theodore Roosevelt, President of the United States, will honor our city with his presence. The President's arrival is scheduled for the afternoon, and his sojourn in our city is limited to a few hours. In order to pay due honor to the Chief Executive of the Nation, and to give every citizen an opportunity to see and welcome the President of our Country, now

I, Robert A. Smith, Mayor of St. Paul, do hereby proclaim Saturday, the fourth day of April, 1903, from the hour of noon to the close of the day, to be a municipal holiday, and request that all schools and municipal offices be closed, and recommend that all offices and places of business be closed likewise, and that people lay aside their usual avocations in order to bid the President a welcome worthy of the Capital City of the State of Minnesota.

St. Paul, March 31, 1903.
ROBERT A. SMITH, Mayor.

HABEAS CORPUS TOO SLOW FOR EAGER FATHER

Dr. N. G. Richeson Stues for Custody of His Daughter, and Accompanied by Officer With Writ Goes After Child, But Mother Resists.

Dr. William G. Richeson, of St. Paul, who has been living apart from his wife for some time, yesterday went before Judge Lewis and sued out a writ of habeas corpus for the purpose of securing possession of his five-year-old daughter, Ruth, who, since the separation, has possession of the mother in Minneapolis.

With the writ of habeas corpus in his possession, Deputy Sheriff Reichow, accompanied by Dr. Richeson, went to Minneapolis yesterday for the purpose of securing possession of the child. Mrs. Richeson was living at the home of her sister in Minneapolis and when the party reached there she was not at home.

Deputy Interferes. Unwilling to wait for the law to take its course, Dr. Richeson attempted to take forcible possession of his little daughter. In the absence of the child's mother, the doctor placed the child's

scale, \$4.50 a day, with time and a half for overtime and double time for Sundays and holidays, was handed to the masters last evening by the union and was agreed to by practically all of them. Eight hours is to constitute a working day.

Today was to have seen a walkout if the new scale was not signed last night, but this was averted when the contractors in charge of the work on the new capitol announced their willingness to pay the new figure. A number of the members of Master Plasterers' association then followed and now the scale will be paid by nearly all the contractors employing union labor.

There may be a few who hold out today, but their number will not exceed twenty. The union has a membership of about eighty plasterers.

EDUCATORS TO DECIDE ON PLACE OF MEETING

Minnesota Association Will Select City for Annual Convention.

The executive committee of the Minnesota Educational Association will hold a meeting in St. Paul Saturday at 11 o'clock to determine the place of holding the next state convention.

For a number of years the association has held its annual session in St. Paul. At the last convention in Duluth a resolution was passed to the effect that it was the sense of the body that the 1903 session be held in Minneapolis.

Since then the Minneapolis Commercial club has taken the matter up and a committee from that organization is endeavoring to have the convention held in the Mill City.

A committee consisting of President Smith, of the St. Paul Commercial club, Supt. Smith and Assistant Superintendent Band, of the St. Paul public schools, was appointed yesterday to

wrap on it and would have left with the child had not Deputy Reichow interfered. The father was compelled to wait until the arrival of the mother and when she appeared upon the scene there was a lively time.

The mother was supported by her sisters and mother in her contention that she would not give up possession of the child, but after due persuasion on the part of the deputy sheriff, it was agreed that the mother would accompany the child to St. Paul and remain with it until the question of its custody is settled in court next Friday.

START WORK ON ANNEX TO STORE

George E. Lennon's Clothing House to Be Doubled in Size.

Work has been started on a large addition to the clothing store of George E. Lennon, at Seventh and Wabasha streets. The new structure is to be built on the vacant street adjoining the library building and will be two stories in height. The addition will extend sixty-eight feet on Wabasha street, and back to the end of the store at the middle of the building, a distance of 164 1/2 feet. This will give the store 168 square feet on the ground floor.

The new building is to be erected by Butler Bros., at a cost of \$35,000, and it will be finished and ready for occupancy Aug. 1. When Mr. Lennon has taken possession of the new building he will have the largest exclusive clothing house in the United States.

The addition has been required by the increase of business, the present quarters of the store having been found inadequate to accommodate the extensive stock required to meet the demands.

Mr. Lennon will more than double his stock when the addition is completed. The new building will be enlarged to provide the store with over twice as much space as it now has. All departments, men's and boys' clothing, furnishings, hats and shoes, will be enlarged to twice their present extent. When completed the new store will be able to conveniently hold a stock worth over a quarter of a million dollars.

The addition will be uniform in every respect with the present quarters. The glass windows which distinguish the store will be extended along the front on Wabasha street the whole length of the extension. The interior finish will be the similar to that of the present store, the woodwork being all of handsome curly birch. With the large plate glass windows and a large skylight at the front of the building, the store will be bright and airy.

A commodious basement is to be constructed under the addition. As there is a bed of limestone underneath the ground on which the building is to be erected, a considerable amount of blasting will be necessary in its digging.

The addition to Mr. Lennon's store will be a decided improvement to the city, and will be a great convenience to the citizens of Wabasha street, for it will replace the unsightly sheds that are now upon the ground used as fruit stands.

SMOKE NUISANCE CRUSADE IS RENEWED

Warrants for Three Firemen Issued at Request of Dr. Ohage.

A renewal of the smoke crusade was begun yesterday when Health Commissioner Ohage ordered the issuance of warrants for the arrest of the firemen employed in the Globe and Bradley buildings and the National laundry.

According to the report of the inspectors and the photographs taken, the chimneys of these three buildings have been working at overtime and that to an extent that has brought numerous complaints to the health office.

A number of other chimneys are on the list, but action has not yet been deferred until sufficient time has intervened for the owners to digest the warning notices sent them.

FINDS GIRL WANTED AS WITNESS IN CASE

Louise Bismar, Fourteen Years Old, Subpoenaed at Bozeman, Mont.

Louise Bismar, a fourteen-year-old girl, who has been missing from the home of her uncle, Fred Mannard, at Bozeman, Mont., was yesterday located at Mrs. H. Neff's maternity hospital, 1151 Sherburne avenue. She was at once turned over to John Roberts, the chief of police at Bozeman, who has been in the city for the past few days looking for the girl.

CITY WILL HELP PAY EXPENSES

Asked to Appropriate \$1000 to Defray Cost of President's Reception.

The sum of \$1,000 will be voted by the board of aldermen and the assembly Thursday evening for the proper entertainment of President Roosevelt while in the city next Saturday.

In answer to a request for aid from the Commercial club, Mayor Smith yesterday issued a call for a special meeting of the board of aldermen tomorrow evening. At the same time there will be a meeting of the assembly and the two will appropriate the amount asked.

Part of the money will be used to defray the expenses of the big stand now being erected on the Cedar street side of the state capitol, and the balance for music and the transportation of the troops at Fort Snelling into the city. They will be brought in by street car and returned to the fort the same way.

The two council bodies are somewhat hampered by a resolution of their own making which pleases them to turn down all requests for money from the mayor's contingent fund when one-half of the available \$10,000 has been spent, but in this instance it will be overlooked. If the ordinance is adhered to only \$700 would be available.

SAID NOTHING AGAINST DEAF MUTE PUPILS

Supt. Tate Does Not Regard Them as Suspicious or Revengeful.

Through a misapprehension, Supt. J. N. Tate, of the Minnesota school for the deaf, was made to say in an interview in The Globe, speaking of the pupils at the school:

"They are naturally suspicious, and they are by instinct revengeful." Supt. Tate writes The Globe that he holds no such views and made no such statement.

PERSONAL SERVICE HELD INDISPENSABLE

Judge Orr Decides That Mail Cannot Be Used.

Judge Orr yesterday handed down an opinion in which he held that a summons in a civil suit must necessarily be served personally where the person against whom it has been commenced can be reached.

In the same order he sets aside an action alleged to have been commenced by serving the summons by mail, after an attempt had been made to serve the notice in person. The order was made in the case of W. P. Cunningham against Samuel Ruchelmann, where in the plaintiff sought to bring action to recover \$36.22.

An officer went to the Ruchelmann home, and after his failure to secure service, carried the summons away with him and later mailed it to Ruchelmann. Judge Orr held that such service was illegal and quashed the pretended proceedings.
