

Test for Yourself the Wonderful Curative Properties of Swamp-Root.

Thousands Have Kidney Trouble and Never Suspect It.

To Prove What Swamp-Root, the World-Famous Kidney, Liver and Bladder Remedy, Will Do for YOU, Every Reader of the Globe May Have a Sample Bottle Sent Free by Mail.

I wrote to Dr. Kilmer & Co., at Binghamton, N. Y., for a free sample bottle of Swamp-Root, and its effect upon me was so noticeable that I bought a supply, and after taking a few bottles of Swamp-Root I had entirely recovered, and in six months I became the man you see me now. I had kidney trouble, aggravated by bladder trouble. Was obliged to pass water often day and night, had back ache, and was run down generally. A few bottles of this remedy did more for me than a dozen physicians could.

I am a firm believer in that wonderful remedy, Dr. Kilmer's Swamp-Root. It's a great medicine when a man is not feeling well; after exposure or loss of sleep and irregular meals. It is also a great medicine to tone up and regulate a man. There is such a pleasant taste to it and it seems to go right to the spot. I use it and recommend it. There is more Swamp-Root used by Kansas City firemen than any other medicine twice over.

I cheerfully give my indorsement to Dr. Kilmer's Swamp-Root, which I sincerely believe, from my own experience, stands at the head of all known curatives for kidney, liver and bladder troubles. My own cure and also my personal observation during years of service in the Toledo Fire Department, have convinced me that Swamp-Root is a medicine of wonderful merit. I have seen many who had been pronounced incurable, speedily restored to health by Swamp-Root.

Hugo Hutt
865 Stillman St., Philadelphia (Pa.) Fire Dept.

Asst. Chief Henderson
Assistant Chief, Kansas City (Kansas) Fire Dept.

Capt. Fraser
No. 1 Engine House, Toledo (Ohio) Fire Department.

EDITORIAL NOTICE—Swamp-Root, the great Kidney, Liver and Bladder Remedy, is so remarkably successful that a special arrangement has been made by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail.

Also a book telling all about kidney and bladder troubles and containing many of the thousands upon thousands of testimonials received from men and women cured by Swamp-Root. In writing, be sure and mention reading this generous offer in the St. Paul Daily Globe when sending your address to Dr. Kilmer & Co., Binghamton, N. Y.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root—Dr. Kilmer's Swamp Root, and the address, Binghamton, N. Y., on every bottle.

City News.

Dr. Hall, Dentist—Moved from Kendrick block to 501-502 Phoenix building.

Acker Post Will Meet—Members of Acker post are requested to meet at their hall promptly at 1:30 on Wednesday.

County Burial Ole Anderson—The body of Ole Anderson, the man who fell from the bluff at Fort Snelling last week, was buried by the county yesterday. The body, after remaining at the morgue several days, had no claimants.

First District Boiler Inspector—Gov. Van Sant yesterday appointed Michael Gallagher boiler inspector for the First senatorial district under the provisions of the Nystrom law. This is the first appointment made under the new law.

They Go to the Workhouse—Alfred Lindstrom and M. Huff pleaded guilty in police court yesterday to taking \$15 from the pocket of Andrew Prosenycki in a Rico street saloon. Huff went to the workhouse for ninety days, and Lindstrom drew sixty.

Patrolman Sprains Ankle—Charles R. Grissim, patrolman of the fire insurance patrol, sprained his ankle yesterday while engaged in working about the engine house on Robert street. While lifting some heavy mats he stepped sideways and the sprain resulted.

Peter Larson Dies—Peter Larson, a retired farmer, formerly of Hallock, Minn., but recently residing in St. Paul at 775 Case street, is dead. He was forty-three years of age, and is survived by a widow and one son. He had been prominent in Masonic circles, and the funeral, which will take place today at the home, will be conducted by Braden Masonic lodge.

Caught in Shafting—H. Johnson, an employe of the Griffin Wheel Works, Stillwater and Phalen avenues, while at work inspecting a machine had a narrow escape from death yesterday morning, when his head was caught in a belt and he was thrown violently to the floor. As a result of the accident the scalp on the left side of his head was torn. The injury caused severe pain, but it is not regarded by the city hospital physicians as serious.

SAVES WIFE THEN GOES TO BRIDEWELL

Colored Man Steals Sandwiches Because His Spouse Threatens Suicide.

To prevent his wife from committing suicide Samuel Anthony, colored, either had to go to work or steal, so he chose the latter, and is now doing time in the workhouse, where he was sent yesterday for ten days by Judge Finchout.

Anthony was charged with the theft of a dozen chicken sandwiches from a Seventh street lunch wagon Saturday night. He ordered the sandwiches and when they were ready he picked them up and ran away without stopping to settle. After a long chase he was captured by a policeman.

In police court yesterday Anthony began to be released, saying that he stole the sandwiches because he was hungry. He showed the court a note which his wife had left for him Saturday night, in which she told him that she was tired of living with a lazy man like him and that if he did not go to work and provide something to eat she would jump in the river and end her troubles. Anthony couldn't think of going to work, so to keep her from jumping into the river he decided to take the sandwiches to her.

CHAMBER INDORSES BETHEL PROJECT

Commercial Body Favors Mr. Morgan's Plan for New Home.

The Chamber of Commerce yesterday went on record in support of the Rev. David Morgan's project for a new home for the Bethel association. Mr. Morgan solicited the aid of the chamber and the following resolutions were adopted:

"Resolved, that this chamber, whose members have long been acquainted with the work of the Bethel association, deem it a fit time to record their profound appreciation of its value to our city.

"We believe that the Rev. David Morgan's long superintendency of the society has been marked with such wisdom, zeal and efficiency as to make the manner in which the work of the association is carried on in St. Paul a model for similar beneficent enterprises everywhere, and that our fellow citizens, both men and women, who are engaged in the management of the organization, on its board of directors and committees, are worthy of the highest praise.

"In this hour of the association's misfortune and of its desire to enlarge its work and place it on a more substantial permanent basis, we commend it to the sympathy and practical good will and assistance of our fellow citizens."

St. Agnes Church to Be Beautified.

The Will of Mrs. Margaret Robn was admitted to probate yesterday. At the time of her death she left a life interest in her estate to her husband, John Robn, and gave \$2,000 to Archbishop Ireland to be used in providing memory windows in some Catholic church to the memory of herself and her husband. Mr. Robn died without designating any special church and the money will go to St. Agnes as provided for by Mrs. Robn.

Board of Control Meets.

J. E. Martin and Judge Gould, of the state board of control, spent yesterday at Red Wing, where they held the regular meeting of the state training school for the purpose of hearing applications for parole and considering such other business as might be presented at that time.

CITY'S PRICE OF LABOR TO RISE

Wages of Skilled and Unskilled Workmen to Be Increased.

The increase in the price of labor, both skilled and unskilled, will cost St. Paul taxpayers an even \$100,000 this year. That is the sum figured out, now, and it may be increased if the demands of labor continue.

The latest of the city departments to recognize the demands for an increase is the park board, which, from now on, will pay from 25 to 50 cents a day more than it did a year ago. It was done yesterday at the meeting of the board on the recommendation of Supt. Nusshauer, who said it was almost impossible to get men at the old scale.

In respect to skilled labor, the engineering department, in some lines, is paying a marked advance over last year, and is even facing a proposition to add all the way from 15 to 20 cents a day to the wages of the street sweepers and the sweeping force generally.

Perhaps the hardest knock is that being suffered by those who pay for local improvements through the medium of special assessments. This class of work is all done by contract. The increase just recognized is eight hours a day's work, where nine was the figure a year ago.

Commissioner Powers again attempted to go over the entire matter, but was stopped by Commissioner Seng.

"If you have anything to say, say it," said Mr. Seng. "I am getting tired of the commission's report. If you have anything to say, say it, let us know what it is."

None of the commissioners were in the best of humor when the Garrow matter had been disposed of and other business taken up. The suggestion that a sergeant-at-arms be employed by the county commissioners was not considered, although it was stated that Louis Liverpool was a candidate for the position.

Auditor Kraemer sent a communication to the board regarding the \$60,000 issue of new jail bonds which have been refused by N. W. Harris & Co., of Chicago, to whom they were sold. It was explained that the amount included about \$24,000 which was not to be used in the construction of the jail proper, and for this reason the bonds were declared invalid. The board adopted a resolution instructing the auditor to advertise for bonds in the sum of \$40,000, and the balance will have to be paid out of the general fund.

The commission also adopted a resolution introduced by Mr. Seng calling for an investigation of the telephone rates charged the county. It has recently been learned that the county is paying \$7 per month for its telephone, while the city is paying but \$3.50.

A number of other small matters were disposed of, after which the board adjourned until Wednesday afternoon.

WILL DEFER BUILDING OF SEWERAGE SYSTEM

Board of Public Works Will Investigate Improvement on West Side.

Because of that part of the improvement that was to be made on private property, the board of public works yesterday postponed the building of the proposed sewerage system for the West side, embracing South Washaba, Edweld, Baker, Morton and Augusta streets and Winslow and Stryker avenues.

A large number of the interested property owners were in attendance, and after several hours of discussion a concerted protest against the improvement, they did not want any of their money spent in laying the sewer across private property. The board will investigate.

The estimated cost of the system is \$1,875,000, and of this amount the city at large will supply \$500,000.

MRS. A. H. WILDER IS TO BE BURIED TODAY

Large Concourse Expected to Accompany Remains to Grave.

The funeral of Mrs. A. H. Wilder will take place this afternoon from the home on Summit avenue. The services will be of a simple character, and Rev. Theodore Selgwick will officiate. The interment will be at Oakland, where

DECLARES TEST OF STEEL IN JAIL A FARCE

County Commissioner Powers Protests in Behalf of Poor Taxpayers Against Allowance of Claim and Commissioner Seng Is Tired of "Grand Stand Work."

County Commissioner Powers, at a meeting of the board yesterday, declared that the recent investigations of the quality of the steel in the new county jail was nothing more than a farce, and demanded that another test be made. The other members on the board took exception to the statements made by Mr. Powers and a lively quarrel ensued, which was followed, during which time some strong allegations were made by both sides to the controversy.

Commissioner Powers has been at outs with the other members of the board since George C. Garrow was employed to make the test of the steel, and yesterday when the Garrow bill came before the board, Mr. Powers took advantage of the opportunity to state his objections. The resolution calling for a test provided for an expenditure of \$25, but on account of the thoroughness in which the test was made, it was agreed to allow \$50 for the work.

When Mr. Powers learned that the amount had been increased he was on his feet in an instant, declaring that such an action was an outrage.

"Why should we pay \$50 for this work?" declared the frate commissioner, "when it could have been done for \$5. The test was a farce from beginning to end. The poor taxpayer should have some protection, but he is not getting it by this kind of work. I move that the bill be referred to the committee on grounds and buildings."

After a warm discussion the commissioners took a vote on the allowance of the claim, but there were only four members present, and with Powers voting against it, the test was decided that it had not been allowed. At this point Commissioner Seng moved for an adjournment until 2 o'clock and the adjournment was taken, but before the commissioners had left the room Mayor Seng, in an appearance and the commissioners were again called to order.

The Garrow-claim was again taken up as soon as the members had taken their seats. Mr. Powers declared that the claim was in the hands of the committee and that the committee was not ready to report.

"Well, I'm a member of that committee, and propose to have something to say whether we are ready to report or not," said Commissioner Wright.

"Is the committee ready to report?" asked Mayor Smith.

Mr. Wright said he was ready, and Mr. Gray, the other member of the committee, stated that he was also ready. Mr. Powers pounded the table and said that the committee was not ready to make its report.

Powers Opposes Report.

"Well, you're not the entire committee, Mr. Powers," said the mayor, and the report was adopted, and Mr. Powers voting in opposition.

Commissioner Powers again attempted to go over the entire matter, but was stopped by Commissioner Seng.

"If you have anything to say, say it," said Mr. Seng. "I am getting tired of the commission's report. If you have anything to say, say it, let us know what it is."

None of the commissioners were in the best of humor when the Garrow matter had been disposed of and other business taken up. The suggestion that a sergeant-at-arms be employed by the county commissioners was not considered, although it was stated that Louis Liverpool was a candidate for the position.

Auditor Kraemer sent a communication to the board regarding the \$60,000 issue of new jail bonds which have been refused by N. W. Harris & Co., of Chicago, to whom they were sold. It was explained that the amount included about \$24,000 which was not to be used in the construction of the jail proper, and for this reason the bonds were declared invalid. The board adopted a resolution instructing the auditor to advertise for bonds in the sum of \$40,000, and the balance will have to be paid out of the general fund.

The commission also adopted a resolution introduced by Mr. Seng calling for an investigation of the telephone rates charged the county. It has recently been learned that the county is paying \$7 per month for its telephone, while the city is paying but \$3.50.

MANSLAUGHTER CASE TO BE TRIED THURSDAY

P. J. O'Keefe Will Be Arraigned for Killing Joseph W. Jacques.

The trial of P. J. O'Keefe, charged with the killing of Joseph W. Jacques, will probably be called in the criminal division of the district court Thursday.

County Attorney Kane said yesterday that both sides were ready for trial, and that it would be the first case called during the present term of court.

It will be one of the most interesting criminal cases tried in many years. In some years, Jacques' death was the result of a fight with O'Keefe Aug. 29 of last year, the grand jury later returning an indictment against O'Keefe, charging him with manslaughter in the first degree.

Both of the men had been employed at the Great Northern shops about the time of the machinists' strike, one being a union and the other a non-union man. They met one morning while Jacques was on his way to work and became involved in a fight. It is not known just how Jacques was injured. However, it is claimed that O'Keefe used a knife on his rival. After the fight Jacques went to his home, and died the same afternoon.

The best legal talent in the city has been engaged to defend O'Keefe, and the case will be hard fought. Judge Lewis will hear the case.

PIONEER MOTHER OF ST. PAUL IS DEAD

Mrs. Bernadine Schweizer Dies After a Lingerin Illness.

Mrs. Bernadine Schweizer, a pioneer resident of St. Paul, died at noon yesterday at her home, 471 St. Anthony avenue. Mrs. Schweizer had been suffering for several weeks from a complication of asthma and other bronchial troubles.

Mrs. Schweizer was sixty-nine years of age, and came to St. Paul in 1852. She was the wife of Balhazar Schweizer, who died here six years ago. Her surviving children are Albert Schweizer, of the board of fire commissioners; Philip Schweizer, former chief of detectives of St. Paul; John Schweizer, Charles Schweizer, Matthew Schweizer and Miss Agatha Schweizer.

The funeral will take place Wednesday morning from St. Agnes' church. The interment will be at Calvary cemetery.

REGARDLESS OF SATURDAY NIGHT'S FIRE CARDUZO FURNITURE HOUSE IS STILL DOING BUSINESS.

See advertisement in today's paper.

FAIR WEATHER WILL FOLLOW THE STORM

Touch of Winter Came Out of the Northwest.

Fair and warmer weather, it is predicted, will follow the snow and drizzle that prevailed yesterday afternoon and evening.

The snowstorm which reached St. Paul yesterday came from the Northwest. In Dakota and in Canada it was raining and snowing, with the thermometer low. A wind from Manitoba, laden with moisture, was responsible for the uncomfortable weather condition that prevailed at St. Paul. A wind from the Southwest is expected to dispel the snow and rain.

TO CURE A COLD IN ONE DAY

Take Laxative Bromo Quinine Tablets. All druggists sell the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

NEW INCORPORATIONS.

Articles of incorporation were filed at the office of the secretary of state yesterday as follows:

Staples Lumber company, Staples, Minn.; capital stock, \$50,000; incorporators, Arthur F. Borchert, Staples; Ferdinand Borchert, Hutchinson; F. H. Borchert, Osakis.

Cold, Headache, Catarrh, relieved in 10 minutes.

—Rev. W. H. Main, pastor of the Baptist Central Church, Buffalo, gives strong testimony for and is a firm believer in Dr. Agnew's Catarrh Powder. He has tried many kinds of remedies without avail. After using Dr. Agnew's Catarrh Powder it was benefited at once," are his words. It is a wonderful remedy. One application relieves headache and cold—15.

BURGLARS CARRY OFF GUNS AND RAZORS

Loot Worth \$500 Is Taken by Men of Darkness.

The detective force is engaged in looking for the thieves who entered Burkhard's sporting goods store, on Robert street, and carried off a large quantity of guns and other goods, estimated to be worth about \$500.

The burglary was committed sometime Sunday, but was not discovered before yesterday morning, when the store was opened. Entry was made in the rear, the thieves prying off the bars before they had time to get away.

As nearly as it was possible to ascertain at the store the goods stolen include eleven rifles, mostly 22-caliber; eight shotguns, mostly 12-gauge; a large number of boxes of cartridges, two boxes of razors and knives, two boxes of playing cards, several shooting jackets and sweaters, a pair of football shoes, and a number of other articles.

The police were unable to discover any signs of tracks in the vicinity of the window, and it is, therefore, supposed that a number of men were engaged in the job, and that they either had a team in waiting near, or carried their loot to a resort at no great distance.

Since the fire of Saturday night the Cardozo Furniture House is making big reductions on their entire stock. See ad in today's paper.
