CAUCUS TONIGHT WILL NAME CLERK

Reddington Considered Sure Winner in Spite of Talk of Dark Horse.

"George T. Reddington, of the Fifth ward, will be the next city clerk, and his election will probably take place next week."

This was the information given out at the city hall yesterday, and it was further announced that the preliminaries would be settled at a caucus of the Democratic members of the two council bodies to be held this evening. The caucus will be held in the mayor's office.

Nicholas Wehr is at present the only block in Reddington's path. Two members, Ald. Huber and Bantz, and at least one other, it is said, are holding out for him, but they are expected to capitulate this evening, when they see that they are up against it. One other member, Assemblyman Van Slyke says he is pledged, and refuses to divulge who his candidate is until the caucus is held. This really makes four votes that Reddington has not yet clinched, but he was doing some lively hustling yesterday, and one of them, in any event, should be in his pocket by this time.

There was some talk of a dark horse yesterday, but where he is to come from is not known. Frank Baer, of the city treasurer's office, and Joseph Jensen are possibilities, but they have not been in the running.

"This talk of a split in the Democratic ranks on the city clerk question is all nonsense," said a member of the board of aldermen yesterday. "It is being circulated by the Republicans, who think if they can create a split, they will get through flying. Wehr and the other candidates have their friends, the same as Reddington, and naturally are trying to land. When it is shown that one of them have no show, he will be quickly dropped and a winning candidate will be named."

Notice of the caucus this evening was sent to all members of the Democratic majority and it is expected that nearly all will attend.

ULTIMATUM GIVEN BOARD OF REGENTS

Auditor Says Expense Accounts Must Be Indorsed by Board of Control.

According to the ultimatum issued by State Auditor Iverson to the board of regents of the state university the bills of that board heretofore approved by the state board of control before one cent will be paid by the treasurer or indorsed by the auditor.

Mr. Iverson addressed his communication to Hon. J. T. Wyman, who is chairman of the executive committee of the state board of regents. The letter reads as follows:

"My understanding is that under the terms of that law (creating the board of control) expense lists of the state university should be approved by the state board of control before I am authorized to issue state auditor's warrant in payment. I must, therefore, ask that in future the expense lists be approved by the state board of control when presented here for payment."

—S. G. Iverson,
"State Auditor."

EQUINES OF QUALITY WILL ENTERTAIN IN ST. PAUL

Horse Show Will Be the Most Brilliant Event of the Kind Ever Attempted in Northwest—Promoters Plan a Permanent Exhibit to Be the "Mardi Gras of the North."

The annual exhibition of the St. Paul Horse Show association this year will be the most brilliant event of the kind ever attempted in the Northwest. The show will take place at Lexington bay park June 23, 24, 25 and 26, and will embrace three matinees and four evening entertainments. The entire ball park June 23, 24, 25 and 26, and tent, being built expressly for the purpose, which will take in the amphitheater and will be brilliantly illuminated with thousands of electric lights. A double row of boxes will be constructed, in front of which will be a

Delivers in the Central Park District and Knows Everybody.

promenade arranged in such a manner that spectators may visit among themselves, the social functions of the show being a feature of the entertainment. A diagram of the boxes will be found at the Metropolitan opera house after June 1.

It is the intention of the St. Paul Horse Show association to lay the foundation for a permanent annual exhibition. In future years, visitors to our city in the month of June will find plenty of lively diversion at the horse show. This is to become the Mardi Gras of the North, and will prove an incentive to place visitors from other cities in touch with the social surroundings of St. Paul. No expense or pains will be spared to make the opening event the most elaborate and auspicious society affair ever witnessed in any city in the West.

There will be a display of not less than a half a million dollars' worth of the finest horses and equines which it would be possible to assemble under any other conditions, and which will be worth traveling miles to witness. Prominent visitors from the centers of other metropolitan cities will gather here for a week's pastime and pleasure.

Manager Mills is in touch with all the leading exhibitors of the country, and he has received personal letters of assurance that they will be in evidence at the St. Paul horse show. A. E. Ashbrook's stable will again be entered, which this year consists of twenty-six new horses and four car loads of entirely new vehicles. Mr. August Bush, of St. Louis, has made application for prize list, and Mr. John S. Stratton, of St. Louis, whose famous manager Dr. R. Mills, Room "A," Commercial building.

There are some fifty classes scheduled, the aggregate amount of prize money amounting to about \$5,000, not including plate and special prizes. Several of the prizes run as high as \$400 and should attract entries from all parts of the country.

JUNIORS WILL PRESENT "AN AMERICAN CITIZEN"

Class of '04 Arrange for Amateur Dramatics.

"An American Citizen" will be presented by the junior class of Central high school, the class of '04, under the direction of Miss Helen H. Austin, Saturday evening, May 16, at the Central High School assembly hall. The cast includes not only the best of talent in the class, but also in the school. The play is presented in four acts, and for this performance new scenery has been especially constructed. In addition, there were several new and novel and charming flower dance in connection with the fete at Nice is introduced.

Typewriter Girls Graduate.

The second annual exercises of the Globe Business college occurred in their rooms Friday evening. A large and enthusiastic audience was in attendance. There were seventy-six graduates in the class. Hon. Francis H. Clarke gave the oration of the evening, the Orpheus Male quartette rendered the music, and Dr. Longley delivered the class address.

GRAND OPERA HOUSE IS SLIGHTLY SCORCHED

Fire Department Prevents Destruction of the Building.

Fire in the attic of the Grand Opera house yesterday morning might have destroyed the entire building but for the prompt action of the fire department. The blaze, which is supposed to have been started by the crossing of two electric wires, had gained great headway before it was discovered.

About 8 o'clock Janitor Crawley discovered the flames bursting from a window near the roof. He immediately summoned the fire department, which responded quickly. After half an hour's work the fire was extinguished. The damage to the building will not exceed \$400. Two occupants of the building suffered considerably from the fire. A. L. Snyder lost \$300 worth of personal effects, and W. H. Baker, dancing master, also had a loss. The loss is nearly all covered by insurance.

Chief Jackson sent in three alarms and called out eight engine companies in order to effectively cope with a fire that at first seemed to threaten the entire building.

COUNTY TEACHERS TAKE VACATION

Last Monthly Meeting of the Summer Season Is Held.

The last of the regular monthly meetings of the Ramsey County Teachers' association was held at the city hall yesterday afternoon.

A. S. DILLE
Makes a Route on W. Seventh Street, Where He Is a Familiar Figure.

ers' association was held in the council chamber at the city hall yesterday afternoon, about twenty-five county teachers being in attendance. The meetings have been held each month, but it was decided to hold no more until next fall.

Attorney C. N. Acker, of St. Paul, addressed the teachers on the subject of meteorology, and many new thoughts were contained in his address.

Miss Sadie Neish was selected as president of the association for the coming year, and Miss Catherine Donnelly secretary.

PEOPLE'S CHURCH ASKS DR. SMITH TO REMAIN

Pastor Will Be Given a Reception Prior to Trip to Europe.

On next Thursday evening the members of the People's church congregation will tender a reception to the pastor, Rev. Dr. S. G. Smith, who departs in the near future on his annual European tour. A musical programme will be presented and appropriate addresses will be delivered. At this meeting will also be read a resolution which asks Dr. Smith not to consider the call recently given him by a London, Eng., church. Refreshments will be served.

MAKING ROOM FOR NEW HAY MARKET

Old Building on Jackson Street Site Disposed of by Market Committee.

The joint committee on markets yesterday afternoon disposed of the frame buildings covering the unimproved portion of the Jackson street market site to Andrew Skon for \$150. The ground is to be cleaned up at once.

The committee, of which Ald. Dahlquist is chairman, still has on its hands the old cook barn, but it will not be disturbed until next June, when the lease of the occupant expires. The tenant asked \$5,000 to vacate.

Since the Northern Pacific Railway company began on its new terminals in Old Town, farmers dealing in hay no longer have a place to display their goods, and it is necessary that provision be made for them immediately in the new Jackson street market.

HILL STREET POWER STATION IS TO BE CLOSED

Street Car Company Hopes to Overcome Electrolysis by Establishing Small Power Houses, but the Water Board Remains Skeptical and Will Hold for Double Trolley.

The water board has been advised that the street car company will shortly abandon the Hill street power station and divide the machinery installed there among a number of small power stations to be located at convenient points throughout the city.

This is one of the schemes by which the company hopes to minimize the damage from electrolysis, it having been found that water in current is distributed from more than one central station the loss of current is considerably less.

Heavy Loss Is Found.

Tests made by experts show that the loss of current in the Hill street station is nearly 60 per cent. The natural law is that the current must return to the point from which it emanated and it is in the return where the loss exists.

It is this loss that resulted in the heavy suit brought against the street car company by the water board, the members finding by tests that the return current was playing havoc with the water mains.

The street car officials refuse to say anything regarding the abandonment of the Hill street station. They are now engaged in trying to convince the water board that they can prevent electrolysis without the use of second trolley wire and are not inclined to talk. Supt. Burdick said last night that he knew nothing about it.

Will Make Further Inquiry.

The water board experts report on the street car company's scheme of a return for its currents is now in the hands of Commissioner Dwyer. It was expected that it would be passed upon at a meeting of the board to be held Monday, but he says not. It will be held pending further inquiry.

The street car company, I am told, will abandon the Hill street station, but it will not have any bearing on our suit against the company," said Mr. Dwyer yesterday. "No report on the settlement which the company is making to effect with the board will be made for a while yet."

ROSE TOWN WAR GETS INTO COURTS

Judge Kelly Called Upon to Decide Legality of Deputy Assessor's Work.

The courts have been called upon to decide as to the legality of the appointment of Judge Kelly, of the district court, as deputy assessor of the town of Rose.

Yesterday the town board of Rose, through Attorney General Douglas, applied to Judge Kelly, of the district court, for a writ of quo warranto, requiring Lianen to come into court and show by what authority he was holding the office of deputy assessor. The writ was granted on May 16 as the day on which the writ is returnable.

The trouble over Lianen's appointment dates back to the time when County Commissioner Powers was turned down by Assessor Conley, who refused to select the man supported by Powers. Commissioner Powers fought the appointment of Lianen, and when the latter was named by Assessor Conley, the board, said to have been influenced by Powers, refused to confirm the appointment. Mr. Conley contended that he had, as assessor, the power to appoint whom he pleased, and named Lianen, regardless of the fact that the town board refused to recognize the appointment. Mr. Lianen, admitted by the town board to be in the possession of the work, has almost completed his work, but the legality of his appointments is questioned, and Commissioner Powers endeavoring to have Kelly replaced by a man of his own selection.

Carpets and rugs cleaned. Laid. Rugs woven from old carpet. Schroeder & Dickinson, 15 East Sixth street.

HISTORICAL SOCIETY CONTINUES GROWTH

Now Has Membership of 320—Over 2,500 New Volumes Added.

The biennial report of the state historical society has just been issued and shows the society to have a membership of 320. During 1902 the society received 2,591 new volumes, making a total of 73,326 in all. About 1,300 portraits are in the possession of the organization at the present time.

It would appear, according to the report, that the society is in need of a greater appropriation to be used for the increase of the library by purchase.

The Globe's Popular Voting Contest has been a success. The subscription and get votes for a friend.

BATHS WILL NOT OPEN UNTIL ABOUT JUNE 1

Dr. Ohage Says Obstructive Tactics of Council Will Cause Delay.

Because of the late obstructive tactics in the council, when the Harriet Island pay bill was introduced, the baths were held up, patrons of the baths will have about two weeks cut off their use of that resort this year.

This is the statement that Health Commissioner Ohage made yesterday. He says he had intended to open the baths about the middle of May, but because of the delay in providing for his help the time will be nearer June 1. This will also shorten the earning capacity of the institution.

GEDNEY COMPANY FINDS NEW SITE

New Structure Will Be Double the Capacity of the Old.

The M. A. Gedney Pickling company, whose West side levee lease has been absorbed by the St. Paul Roofing and Siding company, has purchased ground at Starkey and Plato streets and will cover it with a one-story building.

The building will be twice the size of their former quarters, and will permit the handling of considerable more business.

Test for Yourself the Wonderful Curative Properties of Swamp-Root.

Thousands Have Kidney Trouble and Never Suspect It.

To Prove What Swamp-Root, the World-Famous Kidney, Liver and Bladder Remedy, Will Do for YOU, Every Reader of the Globe May Have a Sample Bottle Sent Free by Mail.

I wrote to Dr. Kilmer & Co., at Binghamton, N. Y., for a free sample bottle of Swamp-Root, and its effect upon me was so noticeable that I bought a supply, and after taking a few bottles of Swamp-Root I had entirely recovered, and in six months I became the man you see me now. I had kidney trouble, aggravated by bladder trouble. Was obliged to pass water often day and night, had back ache, and was run down generally. A few bottles of this remedy did more for me than a dozen physicians could.

Hugo Hutt
2223 Vine St.
Philadelphia (Pa.) Fire Dept.

I am a firm believer in that wonderful remedy, Dr. Kilmer's Swamp-Root. It's a great medicine when a man is not feeling well; after exposure or loss of sleep and irregular meals. It is also a great medicine to tone up and regulate a man. There is such a pleasant taste to it and it seems to go right to the spot. I use it and recommend it. There is more Swamp-Root used by Kansas City firemen than any other medicine twice over.

Yours truly,
Alex. Henderson
Assistant Chief,
Kansas City (Kansas) Fire Dept.

I cheerfully give my indorsement to Dr. Kilmer's Swamp-Root, which I sincerely believe, from my own experience, stands at the head of all known curatives for kidney, liver and bladder troubles.

My own cure and also my personal observation during years of service in the Toledo Fire Department, have convinced me that Swamp-Root is a medicine of wonderful merit. I have seen many who had been pronounced incurable, speedily restored to health by Swamp-Root.

Yours Respectfully,
J. W. Fraser
No. 1 Engine House,
Toledo (Ohio) Fire Department.

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue, much suffering with fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; makes your head ache and back ache, causes indigestion, stomach and liver trouble; you get a sallow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors themselves, because they recognize in it the greatest and most successful remedy that science has ever been able to compound.

EDITORIAL NOTICE—Swamp-Root, the great Kidney, Liver and Bladder remedy, is so remarkably successful that a special arrangement has been made by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail. Also a book telling all about kidney and bladder troubles and containing many of the thousands upon thousands of testimonials received from men and women cured by Swamp-Root. In writing, be sure and mention reading this generous offer in The St. Paul Sunday Globe when sending your address to Dr. Kilmer & Co., Binghamton, N. Y.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent one-dollar size bottles at the drug stores everywhere. Don't mistake, but remember the name, Swamp-Root—Dr. Kilmer's Swamp-Root—and the address, Binghamton, N. Y., on every bottle.

SONS WILL DRAW CLOSER TO G. A. R.

Project Will Be Important Question at Annual Convention at St. Paul.

The Sons of Veterans of St. Paul have begun to make preparations for the twentieth annual encampment, which will be held in St. Paul, at Central Annex hall, Sixth and Washington, June 24 and 25. At a meeting last night a committee, composed of E. L. De Lestry, W. E. Blanchard, John Davern, Frank Devors and W. Highland, was appointed to make arrangements for the entertainment of the visitors from all parts of the state.

According to present plans there will be a campfire and a military ball, in addition to the regular business sessions. The division council will hold a meeting on June 23. The deliberations will be presided over by Col. C. E. Casler.

A movement is on foot among the Sons of Veterans to form a closer relationship between their organization and that of the G. A. R., and this project will be considered at the coming encampment.

KNIGHTS OF THE GRIP HAVE CONVENTION

New Officers of Protective Association Elected and Delegates Chosen.

The state convention of the Minnesota division of the "Travelers' Protective Association of America" was held at the Merchants' hotel yesterday afternoon. The reports of the president and secretary, and the chairman of the several committees, showed the Minnesota division to be in a flourishing condition, and to have a large increase in membership.

The following officers were elected for the ensuing year: President, A. W. Lindeke; first vice president, J. K. Sharood; second vice president, T. G. Weger; third vice president, C. E. Burch; secretary and treasurer, D. R. Hevener; state physician, J. A. Quinn.

The following delegates to attend the national convention at St. Paul, Minn., were elected: A. W. Lindeke, C. O. Krieger, D. R. Hevener, L. W. Wolterstorff, alternates, T. W. Gray and G. Greer, J. J. Hajeck, L. Hedman.

NORTHERN COUNTIES SEEK FOR DRAINAGE

Many Petitions Received by the Commission for Funds for Ditches.

The state drainage commission yesterday considered about one dozen petitions from Northern Minnesota counties asking for the creation of state ditches. There is about \$10,000 at the disposal of the commission for the carrying on of this work within the next two years.

Sent Home to His Family.

The state pardon board yesterday pardoned James H. Sullivan, serving a sixty-day sentence in the Minneapolis workhouse for obtaining money under false pretenses. The pardon was the issuance of the pardon was the destitute state of Sullivan's family.

Mark Antony.

Mark Antony or any other man who wears Duncan & Barry clothes, and you'll notice that he has the appearance of a man of mark, because we make remarkably good clothing—the sort that's right up to the man in style, quality and workmanship. Drop in, show us how ready you are to become one of the right kind of tailors. Duncan & Barry, the Moderate-Priced Tailors, 87 East Fourth street.

NEW INCORPORATIONS.

The Northwestern Star Oil company will be revived in Minneapolis, with Louis Fockler and V. B. Benham, of St. Paul, as its incorporators. Capital stock, \$50,000.

The McLeod Iron company, of Duluth, has been incorporated, with a capital stock of \$500,000, and the Moorhead Building and Loan association filed papers with the secretary of state, with a stock of \$600,000.

King's Aunt Injured.

MADRID, May 9.—The Infanta Isabella, King Alfonso's aunt, fell from her horse today and was kicked in the mouth. Her lip was badly cut, but she was not dangerously injured.

Your Teeth!

If your teeth need attention at the hands of a dentist you are making a great mistake, if for any reason you are at present neglecting them.

Although a capable dentist assisted by the modern appliances nowadays at his command is enabled to restore apparently worthless teeth to years of comfortable usefulness, rest and ease, it is perfectly true that it is difficult to distinguish the substance of the teeth, surrounding natural teeth it is, consider the natural condition of view, in every way to your advantage to visit the dentist, and have an examination made of your teeth before an aching tooth forces you to do so, one result of which is that much less work will be required.

In addition to the use of gold and silver for filling Dr. Cornwell makes a specialty of restoring teeth to their natural appearance by the use of porcelain; this work can usually be inserted without the least discomfort to the patient, will preserve the teeth for many years without further decay, and present a view of enameled surface precisely similar in appearance to the enamel of the teeth.

If you have lost one or more of your natural teeth they may be replaced by work that is as good as the original teeth without a plate being required. Are you wearing an ill-fitting plate? If so consult Dr. Cornwell. All plate work under his direction is attended to by a professional assistant, doing nothing else in dental work the year round.

Persons from a distance contemplating a visit to the office are requested to send notification in advance.

No \$3.00 plates, or 50c fillings, such work can usually be inserted in the mouth and teeth. Charges reasonable.

Examination free. Dr. Cornwell's offices are 40-41 Chamber of Commerce Building, Corner Robert and Sixth
