

ROUND TRIP RATE TO CHICAGO TO PUBLIC

Wisconsin Central Will Grant It Only to Persons Going to Eagles' Convention—Reported So Line Will Make \$26 Round Trip Rate to New York.

The Wisconsin Central will not throw its \$8 round-trip rate to Chicago, made as a part of the \$32 rate to New York, open to the public, but will sell tickets to Chicago and New York.

The Wisconsin Central railroad official said yesterday that the rate would be simply to New York for the Eagles and without any intention of scaling Chicago business.

Yesterday, however, it was announced that the Rock Island and Minneapolis & St. Louis would sell round-trip tickets to Chicago for \$8.

The Eagle business, it is said, will go as a unit via the Wisconsin Central, and it is not believed that the rate making the \$8 round-trip ticket to Chicago open to the public will sell enough tickets in the one day to affect the situation or give the brokers a chance to do any business.
