Amateur Athletic Association Crack After Luttbeg's \$25 Forfeit.

Max Luttbeg, the "little giant" wrestler appearing at the Star theater this week, again made good last night on his proposition to throw any wrestler in fifteen minutes or forfeit \$25. Percy Phillips, a 175-pound man, went on the mat with Luttbeg and succeeded in staying but eight minutes. The match was refereed by "Jim" McAuley, the manager and promoter of the match. McAuley is a great favorite with the local followers and the announcement was received with cheers. Capt. White, leader of the salvage corps, will meet Luttbeg Thursday night.

The team will be played with college teams between Minneapolis and New York. Games will be arranged with the Ohio Wesleyan and the team may stop off and play the Ohio university team. A game will be played with the Yale basketball team.

In placing Phil Wolf, the crack bowler of the Mill Springs team, the City Bowling league has started a fight that now threatens to wreck the organization. The Mill Springs team appeared on the Acme alley Monday night for their scheduled game with the Capitol team, and though the Captains served notice that the game would be protested if Wolf played in them, the Mill Springs team persisted in playing the man.

LOADED BALL STILL THE POINT AT ISSUE

East and West May Reach an Agreement Before Cleveland Convention.

NEW YORK, Dec. 15.—In the effort to secure harmony between the Western bowlers active in the American bowling congress and local patrons of the game as represented in the New York Bowling association much interesting discussion is heard. The main point at issue is whether the weight of a bowling ball shall be increased to sixteen and a half pounds by use of lead as permitted by rule 11, of the A. B. C., or whether the ball shall exceed sixteen pounds in weight as covered by rule 10 of the N. Y. B. A.

MILWAUKEE, Wis., Dec. 15.—Gus Koch, of this city, whose name was mentioned some time since as one of the possible purchasers of the Detroit franchise of the American league, said yesterday that unless the Cleveland convention by which an American league franchise will be formed at the head of the organization, he is not disposed to purchase the Detroit club as he has never made an offer for the property, nor has he been in Detroit in the past.

KILLILEA WANTS TO SELL BOSTON CLUB

Owners of American Champions Reported Anxious to Dispose of Franchise.

CINCINNATI, Ohio, Dec. 15.—It was learned here today upon good authority that the Boston American League club has been offered for sale. The fact leaked out during the meeting of the National league at New York last week, but at the time nothing was made known. The Boston American League club is practically owned by Henry Killilea, of Milwaukee, and it is known that he is anxious to get Milwaukee into the American league. If he could dispose of his Boston franchise, it is thought he would buy the Detroit club and move it to Milwaukee. The Boston club has been a well-paying organization, and it is thought that it could easily be disposed of.

KID LEWEE MAY GO WEST

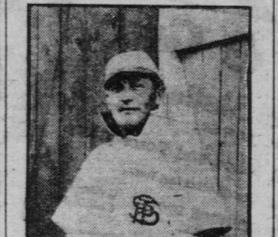

MILWAUKEE, Wis., Dec. 15.—Kid Leewe, shortstop for the American association Kansas City team, whose home is in Milwaukee, said yesterday that he had received an offer from a Pacific coast club, and as he is anxious to play out there, he is seriously considering the proposition. ST. LOUIS TO GET THREE REDS.

Robison About to Close a Deal With Cincinnati Club.

ST. LOUIS, Mo., Dec. 15.—There is every indication that the Robisons will close a deal within twenty-four hours whereby Catcher Bergen, Pitcher Poole and First Baseman Beckley, of the Cincinnati Reds, will be members of the 1904 Cardinals. The swap as planned means the transfer of Bergen and Beckley to Camp Cardinal, the transfer of Barclay and Burke to the Detroit American league club and the sale of Cy Seymour, the Red's eccentric center fielder, to the New York Giants for \$5,000.

BANQUET FOR GRACEVILLE TEAM.

Special to The Globe. GRACEVILLE, Minn., Dec. 14.—An elaborate banquet is to be given the Graceville high school football team in honor of the splendid work they did this fall in winning the championship of Northwestern Minnesota.

Y., in the third round of what was to have been a fifteen-round contest before the Criterion club tonight. Limerick showed little knowledge of boxing and Murroe had no difficulty in landing at will.

Owing to the lack of cell room facilities some of the convicts are sleeping on cots in the corridors of the cell room, awaiting the completion of the new wing, which will be ready early in January. After the present improvements in the prison yard are completed there will be plenty of room for some time to come.

We are the only distillers in this country selling direct to consumers. Like every success, we have imitators who "claim" to be distillers. They are not distillers and have no connection with a distillery. For proof, you need not take our word. Just see government reports. They are simply dealers, and can "doctor" their whiskey as much as they like and call it any age, for unfortunately the government does not control dealers as it does distillers. Now, these dealers are in business for profit, so when they offer eight to twelve-year-old whiskey for the same or less money than we, as distillers, can sell, the inference is plain. Their whiskey is not the age they claim and is adulterated and watered. The cheaper they sell, the more water and adulteration you get. Beware of imitators. If you want honest whiskey, direct from our own distillery to you, with all its original strength, richness and flavor, carrying a UNITED STATES REGISTERED DISTILLER'S GUARANTEE of PURITY and AGE and saving the dealers' enormous profits, then accept our offer, which is backed by a company with a capital of \$500,000.00 paid in full, and the proud reputation of thirty-six years of continuous success. We have over a quarter of a million satisfied customers. Your money back if you're not satisfied.

Direct from our distillery to YOU Saves dealers' profits. Prevents adulteration.

Every quart of whiskey that we sell is made at our own distillery in Troy, Ohio, officially known in United States government records as "Hayner's Registered Distillery No. 2, Tenth District," and our entire product of nearly two million quarts a year, is sold direct to consumers. Therefore, when you buy HAYNER WHISKEY, you are assured of absolute purity and at the same time save the enormous profits of the dealers. Try a bottle and if you are not perfectly satisfied with it after trying it, bring it back and your 80 cents will be promptly refunded. Goods delivered free to any part of the city. Telephone orders promptly attended to.

OUT-OF-TOWN ORDERS, if for four quarts or more, will be shipped in a plain, sealed case, express charges paid by us. Satisfaction guaranteed or money refunded.
