POOL ROOMS AFTER TELEGRAPH COMPANY Bookies Bared From Service Would Stop Transmission of Race Results.

NEW YORK, March 8.—There is a possibility that the war being waged between the pool rooms of this city and the telegraph company which serves to its customers returns from the various race tracks, may result in the presentation of a bill to the legislature, which should it become a law, will prohibit the transmission of information relating to racing results by telegraph or telephone in the state of New York. In fact, two bills are now in contemplation.
