OSTRICH CAPTURES DERBY AT ORLEANS

Fuller Drives the Eastern Colt to a Win in the Stretch.

NEW ORLEANS, La., March 12.—The closing honors of the Crescent Jockey club's meeting fell to the Eastern contingent, when Ostrich landed the prize of the season, the \$6,000 Crescent City Derby.

The Eastern colts' only rival in the betting was Capt. Brown's Auditor, 6 to 5 being laid against the former and 7 to 5 against the latter. There were practically the opening and closing figures. At post time a few books laid 8 to 5 against Auditor, but it was to round the book out. Rainland was next in favor at 6 and from 15 to 1 was offered against the others.

There was a brief delay at the post and when the barrier went up Conkinn took his first and last look at the front. Auditor and Ostrich were last away. Helgerson took Auditor to the front in the first furlong, Ostrich following closely, and from that point on it was a two-horse race.

Auditor opened up a gap which Ostrich only succeeded in closing as they rounded the stretch and headed for the wire. It was a drive all through the stretch and at the end Ostrich, well ridden out, had a scant length the best of it. Auditor beating Conkinn for the lengths for the place. The time was 1:52 1-5, a new record for the track. The stake was worth \$5,635 to the winner. It was a clean run race from beginning to end, all of the boys having been cautioned to avoid crowding or fouling.

Mr. Richards, who witnessed his colt's victory, presented Jockey Fuller \$1,000. He also gave \$500 to be distributed among the stable hands and a substantial amount was presented to the trainer, Frank Lightfoot.

BOULGIN IS READY Cuban Wonder Covers Wrestler Luttbeg's Bet.

St. Paul wrestling fanatics are to see Max Luttbeg, the clever Eastern middleweight, who appeared in St. Paul with a vaudeville company several weeks ago, and Clarence Bouldin, the "Cuban Wonder," who stopped Jim McAuley at Mozart hall last night, in a match for the middleweight championship.

Luttbeg, upon reading a press dispatch telling of Bouldin's defeat of McAuley, immediately started after a match with the champion. The German wired the sporting editor of The Globe to challenge the "Cuban Wonder," and also announced that he had mailed a certified check for \$250 as a side bet for the match.

Bouldin accepted the challenge, and yesterday when Luttbeg's check for \$250 arrived the Cuban and his manager deposited it like sums with the sporting editor of The Globe.

Bouldin objects to Luttbeg's insinuations to the effect that he has been endeavoring to avoid a match and with the money posted insists that Luttbeg must come West at once to meet him. Luttbeg wired the sporting editor of The Globe that he would, if necessary, cancel his Eastern engagements to secure the match, but he would not do so until he was notified last night that Bouldin had posted his side bet and that he must come West at once.

Luttbeg and Bouldin are in the same class and they arranged to have a one-classed match, the fastest ever seen in St. Paul. Luttbeg has been on the trail of the Cuban ever since Bouldin landed the champion-ship. He is confident that he can wrench the title from the boy from the Isle of Cuba. Bouldin in his wonderful showing in the match with McAuley made many friends in St. Paul, and if the match he has the Cuban will be the favorite with the major portion of the local wrestling fanatics in the betting. Luttbeg, however, during his week of exhibitions at the Star theater, the wrestling fans here who he knows will be at the match, and it is up to the German to cancel his contract with the vaudeville company.

NORTHWEST LEAD DEALERS TO ORGANIZE Will Oppose Diverting Immigration from Northwestern States to Canada.

Land dealers of the Northwest will organize the American Immigration Association of the Northwest at the Commercial club in St. Paul Wednesday. The Northwest land men propose to effect an organization similar to that formed by the Canadian and American land men. They do not propose to have the stream of immigration diverted across the northern border if united effort will have any movement.

The meeting was called by J. A. Felthous, of St. Paul, and H. A. Hunter, of Minneapolis, chairman and secretary of a temporary organization formed among the land men of the Twin Cities. Already thirty-eight companies and independent dealers of St. Paul and eleven of Minneapolis have pledged their support to the movement.

Invitations have been sent out to 2,500 land dealers in North and South Dakota, Minnesota, Wisconsin, Iowa and Nebraska, and it is expected that a large number will attend the meeting. The object of the organization will be to secure settlers for the states named, to advertise the Northwest and to manage the details of the land sale. It is proposed to hold the annual meeting in St. Paul to observe strict faith in dealing with settlers.

Students of Carleton College Try to Minimize the Evil.

Special to The Globe. NORTHFIELD, Minn., March 12.—Immediately after chapel this morning the students of Carleton held a mass meeting in Willis hall, from which all the teachers were invited to absent themselves. The meeting was held in response to the "cribbing," which has caused considerable agitation at Carleton lately. Robert Livingstone, of the senior class, presided over the meeting, and several other students spoke of the subject of "cribbing" in examinations. The "honor system" was not adopted, but resolutions tending to abolish the practice of cheating in examinations were drawn up by C. D. Sehl, of the senior class. These resolutions were passed, and it is thought that there will be a great decrease in "cribbing" by students of the college as a result.

Special to The Globe. DULUTH, Minn., March 12.—Walter S. Benson, of Warrad, who was in the city today, asserts that settlers along the Canadian border have suffered during the present winter on account of the unusual cold, and that some of them, unable to replenish their supplies, have been reduced to abject want.

Special to The Globe. DULUTH, Minn., March 12.—The auditor's office is represented in this mission by S. E. Atkins, the land clerk, and Claude Brown, his assistant. It is thought that the total amount will be little short of 100,000 acres.
