HEARST'S FRIENDS WIN OUT IN IOWA

They Will Listen to No Compromise and the Convention Is Turbulent.

DES MOINES, Iowa, May 4.—W. R. Hearst swept the field in the Iowa state Democratic convention held here today. He had a majority of over 150 in the convention, and Hearst resolutions were adopted.

Spurn Compromise. The Hearst people would listen to no compromise and Wade and Sullivan do not appear in the delegation. It is headed by J. M. Parsons, of Rock Rapids, the other delegates at large being Gen. J. E. Weaver, of Colfax; Judge N. M. Carr, of Manchester; and S. B. Wadsworth, of Council Bluffs.

GALLICK HAS A FUND

Seeks Safe Investment of \$10.65 Belonging to Ward.

WANTED—GOOD SAFE INVESTMENT for cash estate of young man who is confined in the asylum. Investment must be safe, and one that will yield good returns. Apply to Judge Gallick, Ramsey County Court House.

Judge Henry Gallick, Ramsey county's thrifty court commissioner, is a guardian, and as such is looking around for an opportunity to invest the funds entrusted to his care. The essential requirements demanded by the judge are that the investment be a safe one and one that will yield sure returns.

It was found, after a careful research, that Mr. Segal, at the time his thinking apparatus was put out of commission, was possessed of a credit with his employer to the extent of \$24.65, being wages due him for labor. This was the extent of the young man's estate, but out of this must be paid a board bill of \$14, leaving a balance of \$10.65 to be cared for by the guardian.

Cattle Growers West of the Missouri River Complete Their Organization.

DENVER, Col., May 4.—The committee composed of delegates of the cattle growers of the states west of the Missouri river today completed the organization of the Cattle Growers' International association. The following among other directors were elected, the second name of each state being that of the alternates:

South Dakota, Frank M. Stewart; Montana, J. M. Boardman and J. M. Holt; Nebraska, W. G. Comstock and H. G. Henkinson; Wyoming, Alva Bowler; Idaho, R. F. Buller and J. Hagen-dorf.

F. J. Turner, of Texas, and J. M. Roberts, of Denver, respectively president and secretary of the association, are ex-officio members of the board. An assessment based on the amount of stock held by the members was ordered. This will furnish a fund of \$100,000, it is expected. H. H. Robinson, of Denver, was elected treasurer. Committees will be appointed by the board of managers and will begin a vigorous canvass of the railway stock yards and packers of the country. A corps of assistants will be employed to gather data of the methods employed by the meat trust. The evidence will be laid before the interstate commerce commission and a committee will later call upon Attorney General Knox to proceed against the meat combine.

DELAYED BY DEATH

Harriman-Northern Securities Case Goes Over Again.

TRENTON, N. J., May 4.—Because of the death of United States Judge Kirkpatrick yesterday the United States district court has been adjourned until next Monday. This means that the Harriman-Northern Securities case, which was to have been heard in Newark on Friday, will go over. It is probable that it will be heard here on Monday next, although this is not settled. Counsel had a conference in New York today and agreed to continue the status quo of the case until a hearing could be arranged.

OMAHA, Neb., May 4.—Rev. Father Geary, pastor of Holy Catholic church, died today as the result of injuries inflicted on him by highwaymen Monday night. The assault occurred in front of the church by two men, one of whom killed Rev. Geary to his aid, saying he was in distress. Before the highwaymen could search the priest's pockets Father Fitzpatrick frightened them away.

Chicago May Cease Building. CHICAGO, May 4.—Fifty thousand workmen employed in the building trades in Chicago will be thrown out of work within forty-eight hours, according to the statements of the officials of the Association of Manufacturers and Dealers in Building Materials, unless a speedy settlement is reached between the stone, lime and cement workers and their employers.

PORT ARTHUR SAID TO BE "CORKED"

JAP ATTEMPT NOT THE FAILURE REPORTED

Only Two Small Vessels Were Needed to Block the Channel—Second Japanese Army Is Reported Afloat and About to Land West of the Liao River.

LONDON, May 5.—The Tokyo correspondents of both the Telegraph and Chronicle assert that Port Arthur is effectually "corked."

WHERE JAPS WILL NEXT LAND.

Special Cable to The Globe. NEW-CHWANG, May 4.—Last night several vessels of the Japanese fleet, reported southwest of Kaichou on Monday, were seen off Hung Yo Cheng. Signal stations at Likuachun and Yaokialien also report the presence of a Japanese fleet of transports with small cruisers and torpedo vessels.

As these towns are more than forty miles apart, the conclusion is reached here that the second army of Japan is cruising in the gulf until such time as its commander, Gen. Oku, is ready to carry out the instructions of the Japanese war board. This afternoon messages from Tower hill conveyed the news that five Japanese war vessels were six miles off the headlands, and this was accepted here as a clear indication that a landing is soon to be made west of Port Arthur.

The fact that a war fleet is in the gulf 100 miles north of Port Arthur does not at all make it certain that an attack will be made on the railroad between this point and the fortress. All the bays are well fortified west of the railroad, and yesterday, by order of Gen. Linevitch, six companies of artillery were sent down from Hai Cheng to guard the hills southwest of Saddle bay. It is believed that the Japanese will land at the head of the gulf and west of the Liao river.

BUYS GERMAN STEAMERS.

BERLIN, May 5.—The Vossische Zeitung says it is informed that the North German Lloyd Steamship company has sold to the Japanese government eight steamers belonging to its East Asiatic lines for war purposes.

A dispatch from Libau, Russia, says that the former German liners Columbia, Belgia and Kaiserin Maria Theresa have just arrived there to be fitted out for war purposes.

CRIME'S ACT STAYS OUTWIT OPPOSITION

Parliament Refuses to Repeal Irish Measure. Chamberlain and Balfour Staying Off Dissolution.

LONDON, May 4.—The house of commons tonight, by a vote of 197 to 174, rejected a resolution in favor of the repeal of the Irish crimes act.

George Wyndham, chief secretary for Ireland, in opposing the motion, confessed that nothing could justify the anticipation of a recrudescence of social disorders in Ireland, but he said that the repeal of the crimes act could only do harm by reviving the angry passions now laid at rest.

John Redmond, leader of the Irish party, expressed his extreme dissatisfaction with Secretary Wyndham's statement, which, he declared, would lead the Irish people, if they had the means, into open rebellion.

LONDON, May 5.—The outcome of the attempt of an opposition member of the house of commons to move a resolution committing the government to a repudiation of the protectionist policy is that a compact has been entered into between Joseph Chamberlain and Premier Balfour, the aim of which appears to be the staying off of a dissolution of parliament. Mr. Chamberlain will move an amendment to the resolution simply expressing confidence in the policy of the government. As all of Mr. Chamberlain's supporters will vote for his amendment, the government is assured of a victory.
