DEMOCRATS ARE SURE WISCONSIN IS THEIRS

Republicans Nominate Two Tickets, Headed by La Follette and Cook for Governor, and It Seems Certain That the Democrats Will Elect Their Presidential, Congressional and State Tickets—Spooner and Quarles With the Bolters.

LA FOLLETTE TICKET.

Governor—Robert M. La Follette, Madison. Secretary of State—Walter L. Houser, Mondovi. Attorney General—L. M. Studevant, Neillsville. Treasurer—John J. Kempf, Milwaukee. Insurance Commissioner—Zeno M. Host, Milwaukee. Railroad Commissioner—John W. Thomas, Chippewa Falls. Delegates at Large—Isaac Stephenson, Marinette; Albert M. La Follette, Madison; W. D. Connor, Marshfield; James H. Stout, Menomonie. Alternates—Thomas Townson, Manitowish; William Kischkafer, Milwaukee; Melvin Perry, Algoma; John M. McConnell, La Crosse. Presidential Electors—At large: Charles F. Ilsey, Milwaukee, and A. R. Hall, Dunn. District: First, J. A. Sherron, Green county; Second, J. N. Bushnell, Columbia; Third, James H. Cabanis, Grant; Fourth, Fred C. Lorenz, Milwaukee; Fifth, Fred W. Cordie, Milwaukee; Sixth, C. S. Porter, Dodge; Seventh, H. A. Bright, Black River Falls; Eighth, T. M. McClachlin, Portage; Ninth, George Beyer, Oconto; Tenth, M. D. Keefe, Forest; Eleventh, Edward L. Peck, Burnett.

BOLTERS' TICKET.

For Governor—Congressman Samuel A. Cook, Neenah. Lieutenant Governor—G. E. Ray, La Crosse. Secretary of State—Nels P. Holman, Deerfield. State Treasurer—Gustave Wol-laeger, Milwaukee. Attorney General—Judge D. S. Classon, Oconto. Railway Commissioner—Charles Barker, Milwaukee. Insurance Commissioner—W. C. Roemitch, Sheboygan. Delegates at Large—Senator John C. Spooner, Senator J. V. Quarles, Congressman Joseph W. Babcock and Judge Emil Baensch. Alternates: M. G. Jeffers, Janesville; Daniel E. Riordan, Eagle River; R. Meyer, Sheboygan, and John Koehler, Keneshaw. Electors were chosen identical with those chosen in the La Follette convention.

Democrat for a successor in the United States senate. The state will be lost to Roosevelt, for the halfbreeds to- day are blaming him for being in sympathy with the stalwart move- ment. I think also that the Demo- cratic candidate for governor will be elected, although Gov. La Follette may pull through. But whatever happens in state politics, Wisconsin will go Democratic on national affairs this year.

William Walker, a leading Demo- crat from Milwaukee, also expressed his confident of victory.

"If Gov. Peck is nominated for the chief executive of the state he will be elected by an overwhelming majority," said Mr. Walker. "That we will carry the state and elect a United States senator seems certain after the action of the Republican party."

Thomas Richland, a Madison Demo- crat, said that he felt certain that the Democrats would win if a conserva- tive man be nominated for the pres- idency. "Nominating a man like Parker," he said, "and you will place Wisconsin in the Democratic column."

Stalwarts Apprehensive. And even the stalwarts are afraid that their bolt is going to cost the Re- publican party the presidential vote. Senator Spooner, when asked regard- ing the outcome last night, said:

"We will carry the state for Roose- velt and will elect the entire eleven congressmen. We will help Cook all we can and I think that he may be elected. I would not say La Follette would be elected if Cook is defeated, for that all depends upon whom the Democrats nominate."

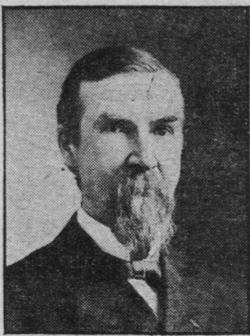

At the La Follette's headquarters there was considerable joy over the stalwarts' action in nominating a full ticket. It was thought that the Demo- crats and anti-administration men might join hands, thereby defeating the governor's faction. But tonight the "half-breeds" are happy and are now claiming they have a better chance of electing their nominees than if the stalwarts remained in the convention and at the election secretly knifed the governor.

Gov. La Follette and his lieutenants refuse to make any estimate of their strength. They say they will elect their candidates. They also contend that the legislature will be controlled by the administration, but Democrats laugh at these claims.

An interesting feature of the contest is the fight which is bound to develop when the delegations to the national convention apply for seats at Chicago.

Counts on Nine Congressmen. "The La Follette men are going to fight the congressmen for the part played by the United States senators in the bolt," said Matt Regan, a lead- ing Democrat. "While I believe we will elect our whole ticket in Novem- ber, I am sure that we will elect nine out of the eleven congressmen and will secure control of the legislature. Mark my words, Quarles will have a

LAKE CARRIERS WILL NOT YIELD

Will Keep Boats Tied Up if Men Will Not Accept Work Individually.

CLEVELAND, Ohio, May 19.—By a unanimous vote the Lake Carriers' as- sociation at its meeting today indorsed the action of its executive committee in refusing the demands of the Masters and Pilots' association, and passed resolutions declaring it to be the sense of the members to continue the fight and to offer no concessions.

Vessel property to the value of \$60,- 000,000 was represented. The policy will be to deal with the masters and pilots individually, and if the latter will not accept employment as such to keep the boats tied up until the fight shall be won by the owners.

GRAND DUKE CYRIL WILL WED DUCHESS

She of Hesse Is Now Favorably In- clined to the Wounded Hero.

BERLIN, May 19.—It is again un- officially reported that the divorced Grand Duchess of Hesse is engaged to Grand Duke Cyril of Russia. Rumors have been circulated—several times within a year ascribing mari- monial intentions to Grand Duke Cyril, but it is now said that Czar Nicholas, who hitherto has opposed the alliance, has given his consent because of Grand Duke Cyril's narrow escape from death at the time of the sinking of the Russian battleship Petropavlovsk off Port Arthur, which affected the Grand Duchess of Hesse more fa- vorably toward his suit.

WOMEN DEDICATE WORLD'S FAIR TABLET

Federation of Clubs Commemorate the Louisiana Purchase.

ST. LOUIS, Mo., May 19.—The feature of today's session of the General Fed- eration of Women's clubs was the dedi- cation and unveiling of a bronze tablet given by the club women because of the States in commemoration of the acqui- sition of the Louisiana territory. The exercises took place in the auditorium.

METHODISTS GET MORE BISHOPS

Bashford of Wisconsin, Mc- Dowell of New York and Spellmeyer Elected.

LOS ANGELES, Cal., May 19.—Three additional bishops were elected today at the Methodist general conference— Dr. W. F. McDowell, New York, and Dr. Henry Spellmeyer, Newark, N. J., on the second ballot, which was an- nounced at the morning session, and Dr. J. W. Bashford, Delaware, Ohio, chosen on the fourth ballot late this afternoon. The third ballot resulted in no election. Dr. Joseph F. Berry, of Chicago, was elected bishop yesterday, leaving four of the eight bishops to be elected.

The fourth ballot, which resulted in the election of Dr. Bashford, presented Dr. William Burt as Dr. T. B. Neely at the head of the list, with 466 and 440 votes, respectively. Dr. R. J. Cook had 394, Dr. L. B. Wilson 345, Dr. J. W. E. Bowen (colored) 253.

Dr. Burt made a gain of 121 votes over the third ballot and Dr. Neely gained 33. The fifth ballot was taken just before adjournment, and as a re- sult it is reasonably certain that Dr. William Burt is elected as the fifth bishop, and perhaps Dr. T. B. Neely a sixth.

Bishop Spellmeyer has been a pastor during all his ministerial career, and for several years has occupied a charge in Newark, N. J. He has acted as ex- ecutive manager for the present gen- eral conference.

Dr. William F. McDowell is the youngest of the four bishops thus far chosen. He is forty-two years old and for the last five years has been secre- tary of the board of education. Previ- ously he was chancellor of the Univer- sity of Denver.

Bishop James W. Bashford is forty- eight years old, a native of Wisconsin and a graduate of Wisconsin univer- sity. He relinquished the presidency of the Ohio Wesleyan university, which he has held for the last fourteen years, to enter the episcopacy.

The election of Dr. Joseph F. Berry to the board of bishops necessitates the election of his successor as editor of the Epworth Herald. The committee on Epworth league has decided to re- commend that the secretaryship of the Epworth league be a distinct office hereafter. This means two important positions to be filled. Dr. A. H. Lucas, Continued on Fourth Page.

MAY WHEAT HITS THE DOLLAR MARK

That Option Is in Strong De- mand and Short Sellers Scurry Out of Market.

CHICAGO, May 19.—A scramble by short sellers to get out of the market today sent the price of May wheat to the dollar mark, an advance of 3/4c. The closing price for May was 99c. July wheat closed 3/4c up, and Sep- tember 3/4c higher. Corn is unchanged to 3/4c higher. Oats are up 1/4c to 1/2c. Provisions closed 10c to 15c off.

The rapid disappearance of cash wheat in local elevators and the near approach of the final delivery day served to start a general demand for May. With the rush for that option, the ideas of holders of July and Sep- tember stiffened accordingly. Starting with a gain of 1/4c to 3/4c, at 87c, July advanced steadily to 89 1/2c, with but one setback of sufficient weight to carry the price under the opening.

A disposition on the part of pit traders to play for a break after the early advance carried July back to 87 3/4c and September to 81 1/2c. The large owners of the deferred options, however, held aloof and the clamor for May showed the popular views as to the present scarcity and prospective supply of the grain. The net result was a gain of 1/4c to 3/4c in July, at 88 3/4c, and of 3/4c to 1/2c in Septem- ber, at 82c, the latter having sold up to 82 1/2c at its best.

Outside of a better crop outlook and a decline in some of the foreign mar- kets, the bulk of the news was bullish. A decrease of 3,000,000 bu in the vis- ible supply was predicted and primary receipts were light, being only 112,885 bu, against 226,515 bu a year ago. Minneapolis and Duluth reported only 54 cars, which, with 2 cars here, netting grading, made 56 cars for the three points, compared 70 cars last week and 139 cars a year ago.

Objects by Suicide. APPLETON, Wis., May 19.—M. P. Griswold, lying in bed at St. Elizabeth hospital, today fatally cut his throat with a razor, which he secured under the pretense of wanting to shave him- self. A few minutes before he had received word that Gov. La Follette had been re-nominated. He was a bitter political enemy of the governor.

MARCH TO PORT ARTHUR'S RELIEF.

Special Cable to The Globe. NEW-CHWANG, May 20.— Seventy thousand Russians are marching to the relief of Port Arthur and the Japanese are consequently hastening offensive operations. Forty-five thousand troops have already been landed at Kin-chow and Taliwan, thus entirely investing Port Arthur. The Japa- nese advanced lines are seven miles from the Russian bat- teries. Skirmishes occur daily along the railroad.

It is believed the Japanese intend attacking Port Arthur with their entire force when it numbers 50,000 men.

TWO THOUSAND RUSSIAN CASUALTIES.

LONDON, May 20.—The Standard's correspondent at Tien Tsin cables that while the Japanese fleet was covering the landing of troops near Kai Chau on Monday, a fierce en- gagement occurred at Hsin Yen Cheng. Two thousand Rus- sians were killed or wounded. The Russians retreated and the Japanese occupied both Kaiping and Kai Chau.

TWO HOURS' BOMBARDMENT.

Special Cable to The Globe. SHANGHAI, May 20.—Japanese fleet bombarded Port Ar- thur for two hours on Sunday. In the course of operations a Japanese battleship was sunk. The damaged vessel was towed away. The larger Russian warships did not pursue because strict orders had arrived from St. Petersburg that the vessels were to remain in the harbor. The ships sunk by the Japanese that blocked the entrance of the harbor have been removed.

DISPUTE OVER ORTIZ TAKE OFF ON "TEDDY"

Departments Disagree on Pay- ment of His Keep. Moving Picture Is Operated at the Capitol.

Globe Special Washington Service, 1417 G. Street. WASHINGTON, D. C., May 19.—A question has arisen between the war department and department of justice as to which branch of the government shall pay the prison keep of Rafael Ortiz, federal prisoner in the Minnesota penitentiary at Stillwater. Ortiz was sentenced in Porto Rico in 1899 to be shot because he had killed John Burke, a United States soldier. Burke had cut him out with his sweetheart. Presi- dent McKinley commuted the sentence to life imprisonment, and later it was commuted to five years. The term will expire on June 8.

The war department claims Ortiz is not a military prisoner and the depart- ment of justice claims he is. Meantime, the state of Minnesota is not being paid for keeping the prisoner. There is also a question to which depart- ment shall pay for Ortiz's transportation home, but the matter will probably be settled by relatives of the prisoner raising the money in Porto Rico.

Logs Get Loose. LA CROSSE, Wis., May 19.—Nearly a half million feet of lumber was scattered over the Mississippi between here and Brownsville when the Isaac Staples, one of the large raftboats, struck the steel railroad bridge and crushed her raft to pieces, a few miles above here. The raft was shifted against a heavy stone pier by a heavy wind. Most of the logs were re- covered and the loss will not be large, though it delayed delivery a day.

STABBED AT PARTY HELD IN HIS HONOR. Special to The Globe. LA CROSSE, Wis., May 19.—At a fare- well party held in his honor two miles from Hokah, Minn., William Boyer, aged twenty, was seriously stabbed by Henry Hammer, whom the authorities have failed to apprehend. Boyer was employed by Hammer and was preparing to go to the state of Washington. A quarrel arose over a dance. Boyer is in a serious con- dition, the knife cutting a deep gash down his face and neck.

TIRE OF BALLOTING

Strain Begins to Tell on Illinois Republican Delegates.

SPRINGFIELD, Ill., May 19.—For the first time since the beginning of the deadlock in the Illinois Republican state convention, the delegates today showed evidence of breaking away and there was tonight a disposition to disregard the leaderships. Many of the delegates left town this afternoon and some of them declared they would not come back until some of the gubernatorial candidates got out of the race and made it possible to break the deadlock.

The feeling of unrest found vent in a resolution that the convention proceed to the nomination of candidates for other offices than that of governor, but the proposal was defeated. None of the gubernatorial candidates wanted the resolution to go through.

The prolonged fight is bearing heavily on the men who want the smaller places. All of them have been maintaining headquarters which cost them from \$50 to \$100 a day, and the salaries of state officers in Illinois are small. Some of them closed their headquarters today. The ballots were taken without appreciable change in the result. Sherman men continued to vote for Deneen men tonight, but Deneen made no further gains, and on the last ballot tonight Sherman's men returned to him.
