Russian Fleet on the Japanese Coast Threatens Commerce--Mukden Has News of Engagement on the Taitse --German Papers, Disturbed by Seizure of the Scandia, Call Their Allies of the North Robbers and Pirates--Prompt Action Is Demanded of the "Man at the Top"--Other Ships Are Seized

TOKYO, July 24, 10 a. m.—The Vladivostok squadron was sighted at 8 o'clock Sunday morning thirty miles off the southern coast of the province of Izu. It was veering to the east.

MUKDEN, July 24.—Cossack scouts returning hastily to this post today bring news of a strong Japanese movement along Taitse river in which a mixed detachment from one of Gen. Kuroki's columns north of the military highway from Funghwang threatens the Russian garrison in Liau-yang.

GERMANS CALL RUSSIANS PIRATES BERLIN, July 24.—The feeling aroused by the seizure of the Hamburg-American line steamer Scandia continues to grow in intensity. The Neutse Nachrichten declares that Russia is unable apparently to appreciate considerable friendship and asks for whom Prussia plunged into the adventure of the trial of socialists at Koeningburg and who was responsible for its failure and for the moral triumph of the social democracy? The paper characterizes the Russian volunteer fleet steamers as "imperial Russian licensed sea robbers and pirates," and demands that the most energetic measures be taken in the matter. The Tageblatt says: "The country expects the man at its head to do his duty."

MARRIAGE LICENSE MAKES MAN HURRY

Charles Pearlyy Manages to Secure Wedding Permit Between Trains

If there is anybody connected with an office in the city hall or court house who didn't have something to do with helping Charles A. Pearlyy secure a marriage license last night it is because he was not to be found by the anxious applicant.

Mr. Pearlyy is a railroad brakeman who has been living at 742 Rondo street, and when he went to Clear Lake accompanied by his landlady, Mrs. Agnes May Hallett yesterday morning, he thought he had attended to all the arrangements for their marriage. However, when the time for the ceremony arrived, it was discovered that Mr. Pearlyy had overlooked the necessity of securing a marriage license.

It was suggested that one might be secured at Elk River, the county seat, but when it was learned that the bride-to-be was a resident of St. Paul, the applicant was informed that he would have to take out the license in Ramsey county. This meant a lot of trouble and considerable delay, but Mr. Pearlyy was determined that the event should not be postponed any longer than possible, so he boarded a train and came to St. Paul.

Finds Court House Closed

When he arrived here last evening he found the court house closed. He wanted to return on the 8 o'clock train and had but little time to spare. When he found that the watchman at the building could not issue the license, he called up City Clerk Redington.

"Come down right away," said Pearlyy excitedly. "I want a license and have to catch a train." "Oh, come in Monday morning," said Mr. Redington. "You won't need the license on Sunday."

"Yes, but I want it tonight; I'm going away," shouted Pearlyy. "What kind do you want—saloon, dog or peddler's?" inquired the wondering city clerk.

"Say, it's a marriage license I want, and I want it quick," said Pearlyy, as he glanced at his watch. Then Mr. Redington tumbled to the man's mistake, and he advised him to call up Mr. Rogers, the clerk of courts. This meant another delay, but Pearlyy figured that he might as well miss the train as to return without the license. After some delay, he got Mr. Rogers after the telephone.

Mr. Rogers heard the man's story, and informed him that he would send a deputy to the office at once. Fifteen minutes later, when Deputy Bazille reached the court house, he found Pearlyy walking the corridors, with his watch in his hand. When the license was finally made out it was discovered that Pearlyy had nothing less than a \$5 bill.

"I will have to go across the street and get the change," said the deputy. "Keep the Change" Pearlyy again consulted his watch.

WILL NOTIFY THE NOMINEE AUG. 10

Judge Parker Fixes Date for Formal Notification—Tammany Would Dine Him

ESOPUS, N. Y., July 23.—Judge Parker has fixed Aug. 10 as the date for the ceremony of notifying him of his nomination by the Democratic national convention as a candidate for the presidency.

Judge Parker reached his decision concerning the date in a long consultation with William F. Sheehan yesterday, and he may also come to the arrangements with Judge Parker, although no plan for such a conference has yet been made.

Davis Will Receive at Springs

BEDFORD SPRINGS, Pa., July 23.—Hon. H. G. Davis, Democratic candidate for vice president, has decided to have the notification at White Sulphur Springs, W. Va. The date has not yet been fixed, but it will be about the middle of August. Senator Davis says that he is here for a rest, and as this is the only opportunity he will have he does not intend to talk or think of politics during his sojourn here. He intends leaving next Thursday and will go straight to his home at Elkins, W. Va.

A pair of Tennessee twins are to bear names of members of the Democratic party. Homer Parker, of Taxon, Tenn., who believes himself to be distantly related to Judge Parker, in announcing the birth of twins, has written to Rosemount as follows:

"My Very Dear Sir: Myself and wife have twins, born to us on the 9th, a boy and a girl. The boy's name is Alton B. Parker. Please give us the name of your wife or daughter, as we want to christen the girl the same. Thanking you in advance, I remain, respectfully and probably a distant relative. —Homer Parker."

Tammany Would Dine the Judge

ESOPUS, N. Y., July 23.—In contradiction of the story that no overtures have been made to Judge Parker with a view to bringing about closer relations between the candidate for president and Tammany hall, it was learned today that Edward S. Rapallo of New York, wrote to Judge Parker on July 12 inviting him to take dinner with Tammany hall men at the New York Democratic club. No time was named for the dinner, but Judge Parker was urged to set a date prior to accepting invitations to any other formal dinners.

Mr. Rapallo represented to Judge Parker that he had been commissioned by Charles F. Murphy, J. Sargent Cram and Mayor McClellan to tender the invitation. He suggested that the dinner be of a private nature and that later a reception be held at the club.

FIVE ARE SHOT IN BONESTEEL ROW

Special Policemen Get Two Thugs and a Bystander, Then Fall Themselves

BONESTEEL, S. D., July 23.—Five persons were shot during the last day of registration for Rosebud homesteads at Bonesteel. The casualties were:

Stanley F. Harrison, special policeman, Wichita, Kan., shot in forehead. Eli Stanbrough, Oklahoma, special policeman, shot in leg, not serious. E. E. Moore, Columbia, Mo., shot in leg accidentally.

Two men, names not learned, neither seriously hurt. The two officers and the two men were shot in a fight with the police made in an attempt to clear the town of lawless characters.

While Harrison and Stanbrough were making their rounds they were attacked and shot by a gang of thugs. The officers drew their revolvers and shot two of the attacking party whom they arrested. The others escaped.

Tonight a policeman attempted to make an arrest, the man refused to stop, when commanded by the officer to do so. The latter fired a shot, which went wide of its mark and struck Moore in the leg.

Total Registration Is 106,326

The total registration for homesteads on the Rosebud reservation was 106,326, distributed as follows:

Bonesteel, 35,064; Fairfax, 8,690; Yankton, 57,434; Chamberlain, 5,136.

There are about 2,600 quarter sections to be opened to homestead entry, the drawing for which will be held under government supervision at Chamberlain, S. D., on Aug. 28.

Registration was light yesterday and today, only about 20,000 appearing during the two days.

During the roundup of undesirable persons the police captured a wagon containing a large quantity of dynamite and a kit of burglars' tools. These were confiscated and three men were arrested. About forty of those gathered in during Friday night were deported today.

John McPhaul, government agent in charge of the registration office, advised Gov. Herreid that troops should be held in readiness for an emergency, and he was later advised that the governor had decided to act accordingly.

Another squad of special police was sworn in tonight, and the local authorities believe they will now be able to control the situation and dispose of the lawless element.

RACES WITH FATE AND SAVES PASSENGERS

SAUGATUCK, Mich., July 23.—The steamer Post Boy from Holland, while entering Saugatuck harbor today, struck a snag causing a bad leak. With the boat in a sinking condition the captain ran her three miles up the river and landed seventy-five passengers. Five minutes later the boat sank. The accident was caused by a displaced section of the government pier.

GENERAL STRIKE IS TO TAKE PLACE NOW

CONFEREES FALL OUT AND TRADES WILL QUIT

Packers Contend They Held by Agreement and Refuse to Accept Further Proposals--Leaders of Unions Issue Ultimatum Ordering Strike if Employers Do Not Come to Terms--Latter Respond With Their Ultimatum and All Allied Unions Will Come Out--Day Free of Rioting of Serious Nature

THE SITUATION

A general strike of allied trades in the packing plants will take place tomorrow.

Conferences between packers and men in Chicago yesterday were abortive.

Both sides issued ultimatums and later it was announced that negotiations were off.

There were no serious riots.

SOUTH ST. PAUL

Number of union men return to work and strikers' position becomes more unfavorable, cheering message from Donnelly, the national president, alone preventing a break.

Union officers will make an attempt to have St. Paul and Minneapolis meat cutters refuse to handle products of the Swift plants.

CHICAGO, July 23.—Attempts to settle the second strike of the packing trades failed today, and tonight the butchers' union and allied organizations, after a long conference, sent an ultimatum to the representatives of the packers demanding a settlement of the strike before Monday morning on penalty of a general walkout of all union employes at work in the stock yards at 7 o'clock Monday morning.

The conference of representatives of the allied trades and the packers and the butchers which adjourned last night after failing to reach an agreement was resumed early this morning.

At noon the conferees gave up hope of reaching an understanding and the deliberations were brought to an abrupt ending, after the packers had expressed a desire to live up to the terms of the arbitration agreement reached last Wednesday, right any wrongs that

STRIKERS SEND IN AN ULTIMATUM

The union men refused to consider that agreement valid on the ground that it had been broken by the packers. They then retired to the office of the Federation of Labor, where an ultimatum to the packers was prepared under the direction of Michael J. Donnelly, president of the butchers' union; Thomas L. Kidd, of the American Fed-

MILITARY RULE IS OFF IN COLORADO

Peabody Plans to Withdraw Troops From the Cripple Creek District

DENVER, Col., July 23.—Before the end of the present week there will be no military rule in the state of Colorado. The troops in Teller, San Miguel and Las Animas counties will be withdrawn and the administration of affairs in these counties left to the civil authorities. The withdrawal of the troops will also bring about the dissolution of the military commission now in existence in the Cripple Creek district.

The result above referred to will be effected by orders from Gov. Peabody, who has arrived at the conclusion that conditions in these counties have become so peaceful as to no longer require the presence of the military.

SHOW PINOS FIGHT

One Man Is Killed in Row on Philippine Reserve

ST. LOUIS, Mo., July 23.—In a fight between white men and Filipinos at the Cafe Luzon, on the Philippine reservation at the world's fair tonight, Benjamin Jenkins, head steward at the cafe, was injured probably fatally, and three other men and Ida Carter sustained less serious wounds.

Revolvers and knives were drawn, but no shots were fired. All the injuries were inflicted with knives. Thirty or forty Philippine scouts and members of the constabulary were opposed by a much smaller number of white men.

Six white women and a large number of scouts and constabulary were arrested and are locked up on the Philippine reservation. The cause of the clash was the refusal of the scouts and constabulary to vacate the restaurant when the time came for closing up for the night.
