

COP: "Don't you kids see that sign, and can't you read?"
 KID: "We see der sign all right, but we'se were just waiting for it to get dark to read it 'cause Liz and me wus educated at de night school!"

SHE: "I can't understand you men at the seashore. You meet a girl and propose before you've really seen anything of her."
 HE: "That's just where you're wrong. After we see her in a fashionable bathing suit there's very little left to find out about her."

OLD GENT: "Why, that dog can't even budge you."
 KID: "Sure, I knows dat! But can't you see dat I'm playing it's an automobile, and nobody ever expected dem to go."
