THE FIELD OF POLITICS
CHARMAN DAY PLANS A STRENUOUS WEEK
JOHNSON FAVORITE EACH DAY SHOWS CHEER FOR TICKET
GAINS CONSTANTLY REPORTED FOR LEADERS OF DEMOCRATIC CANDIDATES
Straw Vote in St. Paul Shows the Sentiment
Congressman Lind, S. M. Owen and Other Speakers to Take the Stump
While John A. Johnson and F. G. Winston have created a great wave of enthusiasm for themselves and the others on the Democratic ticket in Southern Minnesota during the past ten days, they will divide attention with a number of the strongest Democratic leaders in the state within a few days.
A hard campaign has been mapped out by the Democratic executive committee for Mr. Johnson and Mr. Winston for next week. They will spend the week in Southwestern Minnesota counties. Beginning Monday night at St. James, they speak at Sherburne Tuesday afternoon and at Jackson Tuesday evening. Wednesday afternoon they speak at Worthington and in the evening of that day at Laverne. Thursday morning they will visit Thursday afternoon and Tracy the evening of Thursday. Three speeches will mark Friday. A forenoon meeting will be held at Hendricks, an afternoon meeting at Tyler and an evening meeting at Canby. Clarkfield, Dawson and Madison, Lac qui Parle county, will be the program for Saturday, meetings being held respectively during the forenoon, afternoon and evening.
Lind to Take Stump
Congressman John Lind will begin his work in the state for the state ticket in the First ward, St. Paul, on Monday evening, Oct. 17. He will speak each night, with an occasional afternoon meeting, for two weeks, and it is expected that he will go into the Red River valley country and through Northern Minnesota. But few of the points where he is expected to be declared unconstitutional to do this, only that former rulings of the supreme court—notably a decision written by Judge Lovely—did not go as far as has been contended by those who oppose the view of the case taken by the Democrats.

TALK MADE TROUBLE

Mabel Ellsworth Engaged in Too Much Conversation

Mabel Ellsworth, now serving a term in the workhouse for drunkenness, may find she has talked too much with Harry Silberberg, alias J. J. Carlisle, the adventurer who defrauded his bail, Minneapolis to answer a charge of fraud.
The notice of her arrest and her story of desertion and the loss of her fortune of \$25,000 fell into the hands of the police, and yesterday Chief Conroy received a telegram asking that she be held until officers from Chicago have an opportunity to identify her.
According to the story of the Chicago police, a woman calling herself Mabel Ellsworth and also Mrs. Grundwald, the same names she gave in Minneapolis, secured a position as bookkeeper with a Chicago firm and was arrested after she had taken a large amount of money and was about to depart from the city.
After she had told of the perjury of her husband, who had dissipated her \$25,000 fortune, some kind-hearted citizen advanced her a cash ball and Chicago saw her no more.
This week she was arrested for intoxication and she told a story of having been drugged and robbed.

WOODWORTH LEADS

Is Elected President of the Chamber of Commerce

The slate ticket at the annual election of the Minneapolis Chamber of Commerce was out yesterday, with one exception. This was the case of F. G. Holbrook, who was defeated by G. F. Ewe for the directorship by a vote of 210 to 126.
The expected contest between E. S. Woodworth and P. B. Smith for the presidency did not materialize. The following is the ticket elected:
President, E. S. Woodworth; vice president, P. B. Smith; directors, G. F. Ewe, B. H. Morgan, J. D. McMillan, H. L. Little, A. C. Loring; arbitration board, C. J. Chapin, S. J. McCaull, W. T. Hooker; board of appeals, J. H. Rihelidater, C. T. Redfield.

PURSE SNATCHERS DRAW CUTS FOR JOB

Engage in Gaming Contest to Determine Who Shall Have Booty
Purse snatching has become so much of an industry that now when two or more thieves are in company and they see a likely victim they draw cuts to see who shall do the job.
This is the substance of a report which Miss Rose Hanson, of 66 Eleventh street north, made to the police yesterday. She says she met two men on Hennepin avenue and heard one say:
"Let's draw cuts to see who does 'the job'."
She fled, but was overtaken by one of the men, who stole her purse containing about \$10.
Edward Dean and Thomas Pepper, two boys about sixteen years old, were guilty to purse snatching before Judge Harrison yesterday. The judge gave them a lecture, sentenced them to the reformatory and then suspended sentence under promise of good behavior.

TWO CARS COLLIDE AND MANY ARE HURT

Dense Fog Responsible for Rear-End Street Railway Collision

Two Bloomington avenue street cars collided yesterday morning during the dense fog.
In order to avoid meeting a car on the curve at Bloomington and Franklin avenues the motorman of the leading car reversed the current, but owing to the thick atmosphere the motorman of the car in the rear did not notice the fact until he had crashed into the car which was backing.
Several persons were thrown down and trampled upon, and several were slightly hurt by broken glass. The passengers of both cars are not inclined to blame the motorman, because it was impossible to see but a few feet from the cars.

LITTLE WITNESS TOO SCARED TO TALK

Charles Hodges Arrested on a Serious Charge Escapes Prosecution

Charles Hodges, who was arraigned on the charge of assault upon a five-year-old child, was released yesterday because the little girl when put on the stand was so frightened she would not testify. The state had no other evidence and Hodges was dismissed. The child's mother will take the case before the grand jury.

Farm Hand Drowned

Fred Prescott, of Elmira, N. Y., an employe of the Savage stock farm at Savage station, was found dead in about eighteen inches of water yesterday morning. He was walking along the river bank to the place where he stopped and fell. It is thought he was stunned by the fall and was drowned.

New Building for University

The regents of the state university yesterday decided it would be inadvisable to erect the new main building on the site of the one recently destroyed by fire, and the matter of selecting a site and making plans for the structure which the legislature will be asked to authorize was referred to the building committee.

CITY NEWS

FOURTEENTH STREET SEWER COMES HIGH

Board of Public Works Unable to Better Bid of Contractor Lind
The assembly last evening voted to pay John Lind \$5,100 for the construction of a sewer on Fourteenth street, from Canada to Jackson, the bid of the contractor being \$4,900. The board of public works having advertised on two previous occasions for more advantageous offers. This will necessitate the appropriation of \$1,000 additional for the sewer, \$4,000 having been placed in the last budget. E. L. Murphy, of the board of public works, explained that the sewer passes through a swamp and it therefore costs more than usual.

Hugo Muller Dies in Hospital

Hugo Muller, of New York city, died yesterday at St. Joseph's hospital, after an illness of three weeks from Bright's disease. He was taken sick at the Ryan, where he was stopping with his wife and seven-year-old daughter, and a week ago was removed to St. Joseph's hospital. The body will be shipped today to New York. Mr. Muller was a representative of A. A. Van Dine & Co., of New York. His wife and daughter will accompany the body east.

Coal Shoveler Sprains Back

Joseph Fisher, employed by the Ohio Coal company, injured his back yesterday afternoon while shoveling coal in a box car at the Great Western freight yards, South Robert street. He was removed to his home, 329 South Franklin street, in the police ambulance. He suffered severely, but his condition is not considered serious.

Settled Out of Court for \$1,000

The sum of \$1,000 healed the wounded feelings of the Bartels Oil company in its suit against the Globe Grocery company in an action brought for damages arising out of the sale of Bartels oil, colored with some dark red substance, and placed on the market as another brand by the grocery company. The latter confessed to the damage and settled the case out of court.

TELEPHONE COMPANY ASKS POLE PRIVILEGE

Northwestern Seeks Right to Erect Street Lines in City
An application of the Northwestern Telephone company to be allowed to erect poles and string wires on a number of the main streets of the city was sent to the committee on streets by the assembly, Messrs. O'Brien and Keller voting against the reference.
The superintendent suggested that in view of the difficulty encountered by the city in securing the removal of poles and wires once they are placed that all applications should be carefully investigated. He also contended that there should be a provision giving the council power to have the poles removed at any time. This amendment was agreed to, but reference was insisted upon, and the motion was sent to committee prevailed by a vote of 5 to 2.

PRELIMINARY ORDER TO WIDEN STREET

Assembly Puts Matter of Sibley Improvement Up to Engineers
A preliminary order was passed by the assembly yesterday calling for the widening of Sibley street south of Third. The intention being to give adequate entrance to the union depot. The order was passed through without discussion, the board of public works being required to investigate and report as to the possibility of assessing the cost against property in the vicinity.
The object is to secure the lot at the southwest corner of Third and Sibley, and by tearing away the building widening Sibley street at this point to the same width that it has in front of the union depot. This would make it possible to place car tracks on the street, and yet have plenty of room for the traffic, it is claimed.

DAY PETITION MAY BE SETTLED TODAY

Supreme Court Will Decide Form for Judge Brown on State Ticket
Although there was no decision by the supreme court in the matter of the petition of Frank A. Day to have the name of Judge C. L. Brown appear on the official ballot with a dual party designation, it is expected that a decision will be forthcoming today.
The three district court judges, who are going to appear on the ballot, are at present out of the city, and the case, have gone to their homes and there will be no further consultation before the case is decided. It is understood that Chief Justice Start is to write the opinion, which may not be filed for a day or two after the decision is announced. A consensus of opinion would indicate that among lawyers that the court will grant Judge Brown the relief for which Chairman Day, of the Democratic state committee, asks. It is not necessary that the law be declared unconstitutional to do this, only that former rulings of the supreme court—notably a decision written by Judge Lovely—did not go as far as has been contended by those who oppose the view of the case taken by the Democrats.

ELECTION CONTESTS REACH THE COURTS

Yeorg-Moriarty and Gregory-Lemon, Disputes Come Up Today
The Yeorg-Moriarty and the Gregory-Lemon primary election contests will come up in the district court today, at which time it is expected that referees will be appointed to recount the ballots.
Anthony Yeorg was defeated for the Democratic nomination for representative from the Sixth ward by M. P. Moriarty, according to the returns by seven judges. J. S. Gregory, of the Republican legislative nomination in the Second ward to W. T. Lemon by sixty votes, according to the report of the canvassing board.

JUDGE NELSON SICK AT ST. LUKE'S HOSPITAL

Aged Jurist Seriously Ill of Chronic Malady
Judge R. N. Nelson, pioneer jurist of Minnesota, is at St. Luke's hospital. Judge Nelson has been afflicted since January. He was in the hospital for several weeks, his condition at one time being critical. He recovered in spite of his advanced age and was able to leave the hospital in fair health.
Four days ago his trouble returned and on the advice of his friends went to the hospital, though he was at that time able to sit up. During the past two days he became worse and remained in bed. Dr. J. C. Christman, who is attending him, said last night that there is nothing about Judge Nelson's condition to cause alarm at present.
He is seventy-eight years old, and has lived in St. Paul since 1850. For nearly half a century he occupied the bench as district judge, and when he retired in 1896 he was the oldest federal judge in point of length of service.

HE ANSWERS DUNN

Mr. Johnson, at Winona, Further Explains His Position
Special to The Globe
WINONA, Minn., Oct. 6.—In a speech here tonight John A. Johnson answered the question of the St. Paul Tuesday evening when here, why he did not vote to publish the history of the Minnesota troops in the Spanish war that the veteran of the war did not desire it, but it was asked by a publishing firm. He was opposed to the board of control bill and offered an amendment to add educational institutions, hoping it would defeat the measure. He opposed an educational board of control. He believed both helped to build up a political machine. He expressed opposition to extending the copyright law until amended so Democrats could not nominate Republican candidates. Mr. Johnson closed by a reference to Dunn's record as auditor.
H. C. Nelson, Democratic candidate for congress, said he stood on a platform of tariff reduction.

CRITICISE THEIR PRESIDENT, MOORE

Republican Leagues Elect Officers After a Display of Bad Blood
INDIANAPOLIS, Ind., Oct. 6.—At the opening of the second session of the national convention of Republican leagues today President Moore abruptly announced that the election of officers would be the first order of business. The names of President J. Hampton Moore, of Philadelphia; Scott Bonham, of Cincinnati, and Dr. J. P. McPatrick, of Chicago, were placed before the convention. The nominating speeches displayed some feeling, many of them being devoted to criticism or defense of the administration of President Moore. Frank P. Lindsay, of Kansas; H. L. Leatt, of Schuylkill, and Alfred E. Lunt, of Massachusetts, campaign organizers of the College league at Western Republican headquarters, said the lack of organization in their states was due to the failure of the national president to devote attention to them. The first two seconded Dr. McPatrick's nomination and Mr. Lunt supported Bonham. They charged that there was a cut and dried arrangement to re-elect Mr. Moore.
The ballot resulted: Moore, 793 2-3; Bonham, 257 2-3; McPatrick, 249 2-3. The election of Mr. Moore was declared unanimous. The other officers elected were: Vice president at large, Sid B. Redding, Arkansas; secretary, E. W. Weeks, Iowa; treasurer, W. G. Porter, North Dakota. A platform was adopted.

NO USE TO ASK JUDGE PARKER TO SPEAK

He Adheres to His Resolution Not to Take the Stump
NEW YORK, Oct. 6.—Chairman Taggart, at Democratic headquarters, gave out the following statement today:
"Shortly after his nomination Judge Parker set about the consideration of his course of action toward the conduct of the primary election. He consulted many men of large experience in such matters, and made an examination of the course of action of successful candidates. He decided that his course should be and he decided that decision to be made gone upon the stump, but such speeches as he should deem it desirable to make could be made at Rosemont, and in that respect the precedent of 1896.
That decision made and announced, he proceeded to work along the lines he had marked out for himself. He believed that as he believes now—that he decided rightly and no amount of entreating would budge him. His record during all his life proves that clamor will not move him one iota. The incident is closed and those in charge of the campaign fully approve of the determination of Judge Parker."
Judge Parker has been importuned to speak in various states and today's announcement is designed to prevent further similar requests.

WINONA MAN TELLS OF THE DUNN FROST

W. E. Hamilton vs Republican Candidate Will Be Knifed
"Judging from the reception given R. C. Dunn by Winona Republicans the other night, I should say that he must obtain Democratic votes if he is to have his full party strength in Winona county," said W. E. Hamilton, a Winona business man, at the Merchants hotel last night.
"But the Democratic votes that Mr. Dunn will get at Winona he can stick in his eye. Two years ago A. Rosing came within 100 votes of carrying the county against Gov. Van Sant, even though he is a home man."
"John A. Johnson is a clean, capable young man and is entitled to the vote of every Democrat in the state. He will get them so far as our county is concerned."

DUNN MEN COMPLICATE THE LABOR SITUATION

Efforts to Secure Support Mixed by Four Seekers for Office
The efforts of the Dunn workers to secure the support of the union labor element in St. Paul has resulted in a merry row, there being at this date four candidates for the position of state labor commissioner, now held by a Minneapolis man in the persons of John O'Donnell, Cornelius Guiney is mentioned as the man most likely to land the plum. E. L. Garfield, vice president of the Trades and labor assembly, are accredited with having ambitions in the same direction.
The result is that it is openly predicted about labor headquarters that the efforts of the Dunn men will result in doing the party considerable damage, it being well known that but one of the men mentioned can be successful, and the choice of either would eliminate any Minneapolis man.

VAN DYKE IS PICKED TO BEAT BUCKMAN

Alexandria Man Says Sixth District Will Elect Democratic Congressman
Newton Tremham, an Alexandria newspaper man, who was in St. Paul yesterday, declared that Cleve W. Van Dyke would carry the Sixth congressional district against C. E. Buckman and that Tremham is a close personal and political friend of the Democratic candidate and is a believer in his success.
Mr. Van Dyke is entering on his campaign in the district," the newspaper man said, "and he is a very effective speaker. He is a candidate simply for his party and not in the race for any clique of business interests. He is opposed to the lumber ring and the other protected trusts that milk the common people of their hard earned savings, and stands for the best American citizenship. Mr. Van Dyke is not being used by the state for pike illegally cut. He is a clean, manly, ambitious young American citizen and I believe that he will be elected."

MASSACHUSETTS DEMOCRATS HARMONIOUS

BOSTON, Mass., Oct. 6.—The indications on the eve of the Democratic state convention are that the convention tomorrow will be a meeting in which harmony will be the keynote and at which the prearranged plans of the leaders of the party will be carried out without any consequential opposition. William L. Douglas, of Brockton, has been selected by the state committee as a nominee for governor. For the second place the committee has agreed upon John C. Crosby, of Boston.
A big political meeting has been planned for Saturday night at St. Paul Park. It will be under the auspices of the local Democratic organization and among the speakers will be: Thomas R. Kane, county attorney; Fred L. McGhee, the attorney, and Edward Peterson, of the assessor's office.

UP TO COMMITTEE

Democratic Executive Body Will Name Cleary's Successor
At a regular meeting of the Democratic county executive committee on Monday evening it is likely that the vacancy on the ticket for county commissioner, caused by the death of James Cleary, will be filled. Corporation Attorney Michael says that the person selected by the committee will be the nominee and that the candidates who were defeated in the primaries have no legal claim on the endorsement.
"The matter is entirely in the hands of the committee," said Mr. Michael, "and the man chosen will go on the ballot as the fourth Democratic candidate for county commissioner. The claim of the defeated candidates for endorsement is entirely moral in character."
John B. Arend, who ran fifth on the ticket for the nomination, has been mentioned for the vacancy, as have also R. N. Hare and W. J. Preston. Arend has not decided to ask for the nomination.

KNIVES OUT FOR DUNN

Watonwan and Cottonwood Counties Refuse to Forget
"The Republicans of Watonwan and Cottonwood counties have not forgotten the methods employed in the Republican state convention," said George Rempel, a banker of Butterfield, Watonwan county, at the Hotel Frederic last night. "They are not saying such and are not inviting the antagonism of the politicians, but when they vote it will be to resent the high-handed treatment given them last June when they came to St. Paul last June. I look to see R. C. Dunn run several hundred behind his ticket in Watonwan county when the votes are counted. Mr. Rempel was formerly in the grain business and is one of the best posted business men of Watonwan county. He has a large acquaintance in Cottonwood county as well, and says that the same conditions of rebellion exist in that county. There are large colonies of Russian-Germans and German-Australians in both counties and the accommodations of the rural free delivery routes have put them in close touch with the political situation in the state. The efforts of the Republican splitters to coax them into returning to the Republican camp on state issues will not be of any avail."

REPUBLICANS LEAVE DUNN BY THOUSANDS

Significant Petition to Johnson in a Cottonwood County Town
Special to The Globe
MOUNTAIN LAKE, Minn., Oct. 5.—The opposition to Candidate Dunn felt here culminated today in a petition signed by nearly 150 voters asking Johnson, the Democratic candidate, to give Mountain Lake an address before the closing of the campaign. Mountain Lake has approximately 275 voters, of whom at least 250 are Republicans.
It is estimated beyond question that 150 Republicans will vote for Johnson, and the signed petition is really a call from Berea to "send the light." It is known that this condition of affairs prevails all over Cottonwood county; and while the county assembly, the Republican majority of 1,000, those best qualified to judge place it in the Johnson column by 1,000.
